

Amarillo Independent School District

Program Name: Amarillo ISD AmeriCorps

Service Areas: Amarillo

Description: The Amarillo ISD AmeriCorps program utilizes AmeriCorps members for direct tutoring services in reading literacy targeted to at-risk students in fifteen district elementary schools. Additionally, program members will leverage local volunteers to assist in community service events. The program's primary goals are to: increase grade performance in literacy, math, and science, improve literacy rates among youth, earn higher standardized test scores, and through success, improve attendance rates.

American YouthWorks

Program Name: Texas Conservation Corps Emergency Response Teams

Service Areas: Austin; may also be deployed statewide

Description: The American YouthWorks (AYW) Environmental Corps (E-Corps) Program engages AmeriCorps members in disaster relief and recovery efforts through the Texas Conservation Corps Emergency Response Teams. Two teams consisting of 10 AmeriCorps members are trained and ready for rapid deployment in response to disasters across Texas. This initiative builds upon partnerships with Texas Forest Service, Texas Parks & Wildlife Department, US Fish & Wildlife Service Fire and Disaster Response teams, TDEM, FEMA and many local, state and national partners and public land management agencies across Texas.

AVANCE, Inc. - El Paso Chapter

Program Name: AVANCE - Texas AmeriCorps

Service Areas: Austin, Dallas, El Paso, Waco

Description: The AVANCE - El Paso AmeriCorps program focuses on school readiness and places members as child and family education aides in a results-driven child development, parenting and family literacy program. AVANCE uses team-based placement of members with staff to enrich program services and to expand services that will reach children and families across El Paso County and Dallas. AVANCE seeks to increase parents' involvement in their children's education and school readiness. The program focuses on increased attendance and grade-passing rates as well as higher reading and math scores.

Breakthrough

Program Name: Expanding Community Impact

Service Areas: Austin

Description: Breakthrough's comprehensive program makes a long-term commitment, beginning in middle school, to help low income students become the first in their families to graduate from college. Breakthrough provides an academically rigorous Summer Program and intensive year-round services to students who, statistics say, would not go to college without significant intervention and support.

City Year, Inc.

Program Name: City Year San Antonio

Service Areas: San Antonio

Description: City Year San Antonio (CYSA) engages AmeriCorps members, ages 17-24 to address gaps in educational attainment in San Antonio. These young adults are mentors, tutors and role models that focus on improving Attendance, Behavior, and Course (ABC) performance (Math and English) in low performing schools. To improve the ABCs, CY members engage with students before school, in school, after school. Members also provide Out-of-School Saturday service learning and leadership development.

Program Contact: Paul Garro (pgarro@cityyear.org)

Website: <http://www.cityyear.org/sanantonio>

CitySquare

Program Name: N² Texas Corps

Service Areas: Dallas, Grand Prairie, San Antonio

Description: CitySquare serves as an intermediary organization, placing members in local organizations to provide hunger relief to adults and children; provide after-school and summer educational enrichment programs in underserved communities; and implement a physical education curriculum with the intent of reducing obesity rates for children.

College Forward

Program Name: College Forward Partnership for Higher Education

Service Areas: Austin, Baytown, Buda, Del Valle, Georgetown, Houston, Kyle, Manor, Round Rock

Description: The College Forward AmeriCorps program provides college access and college persistence services to motivated, economically disadvantaged students to help facilitate their transition to college. The program not only seeks to help low-income and first-generation students gain access to college, but also provides support to their parents as well as the preparation needed to successfully complete college. The vision of College Forward is to change the face of education in Texas so that every student, regardless of family income or background, can graduate from college.

Communities In Schools of Central Texas

Program Name: Communities In Schools of Central Texas AmeriCorps

Service Areas: Austin, Buda, Kyle, Manor, Niederwald

Description: Communities In Schools of Central Texas AmeriCorps provides and leverages social service interventions that address both academic and non-academic barriers and promote the academic success of students. AmeriCorps members serve as supportive mentors, academic supporters and service learning project leaders to students on school campuses. Members provide mentoring and supportive guidance to students one-on-one or in small groups, provide academic support such as homework help and classroom support and recruit volunteers to help support the program. AmeriCorps members support the overall mission of Communities In Schools to help students stay in school and prepare for life.

Communities In Schools of the Heart of Texas

Program Name: CIS Community Servers

Service Areas: Waco, Elm Mott, Marlin

Description: CIS Community Servers AmeriCorps members are placed in Waco area schools and with several partner agencies to help increase students' educational attainment by increasing grades and retention rates. The members placed in schools tutor individuals and small groups of students, and provide group academic activities during after-school programming at the campus. The members also mentor students individually and in small groups to help build rapport and address issues that are keeping students from focusing on and staying in school.

Front Steps

Program Name: Keep Austin Housed

Service Areas: Austin

Description: Front Steps utilizes AmeriCorps members in its AmeriCorps homeless case management program through the Keep America Housed collaborative in Austin. The nine-agency partnership serves the full range of homeless adults, families with children and youth, including teen parents. Members provide intensive case management, mentorship and other supportive services to help clients develop skills for independent living, acquire jobs, and obtain and maintain long-term affordable housing.

Literacy Coalition of Central Texas

Program Name: Texas Family Literacy Initiative

Service Areas: Austin, Bastrop, Bay City, Georgetown, Houston, Pearland

Description: The Literacy Coalition of Central Texas will host 32 AmeriCorps members in Austin and Houston. Members will provide vital, high quality, evidence-based literacy instruction to low-income adults and pre-school age children. Literacy instruction and tutoring includes English as a Second Language, Adult Basic Education, GED, and Early Childhood interventions. The program is dedicated to supporting and expanding literacy services so that businesses can hire, people can work, and families can thrive.

Project GRAD Houston

Program Name: GRADuation Pathways

Service Areas: Houston, Austin, College Station, Huntsville, Nacogdoches, Beaumont, Prairie View

Description: GRADuation Pathways engages AmeriCorps members in leadership and service by providing college access and success support to underserved families and students, building community assets as young people explore and master career and college pathways. Members work through community organizations and public schools to engage families and students in aligning college degree or workforce certification aspirations with academic achievement, college and scholarship applications, and financial aid. Members also work in community colleges or universities to support student success in earning workforce certificates, two-year or four-year degrees. AmeriCorps members support the overall Project GRAD mission to significantly increase college attendance and workforce certificate or degree attainment for the largely low-income, first generation college students we serve.

Program Contact: Melissa Martinez (mmartinez@projectgradhouston.org)

Project Transformation

Program Name: Project Transformation AmeriCorps

Service Areas: Dallas, Denison, Farmers Branch

Description: Project Transformation AmeriCorps (PT) engages AmeriCorps members in leadership and service by providing educational after-school and summer programs for at-risk children and youth, building influential relationships and connecting volunteers, churches and other organizations to underserved communities. PT serves low-income communities in the Dallas area that suffer from problems associated with families' lack of financial resources--specifically, substandard classroom performance and poor nutrition. Members work with children and youth, grades one through nine, in after-school programs and summer day camps located in Dallas, Fort Worth and in outlying underserved neighborhoods. The program focuses specifically on improving student's literacy rates, academic performance in math, and retention rates.

Program Contact: Eric Lindh (lindh@projecttransformation.org)

Reading Partners

Program Name: Reading Partners - Texas

Service Areas: Dallas and Fort Worth

Description: The Reading Partners literacy intervention program will be distributed in 17 Title I elementary schools throughout the greater Dallas area. Reading Partners AmeriCorps Members will recruit and support local community volunteers to provide one-on-one literacy tutoring to at least over 1,000 K-5 struggling readers twice a week during the 2013-14 program year.

Program Contact: Kristarae Flynn (kristarae.flynn@readingpartners.org)

Website: <http://readingpartners.org/dallas/about/>

Schulenburg Weimar In Focus Together, Inc.

Program Name: SWIFT AmeriCorps Program

Service Areas: Schulenburg and Weimar

Description: The SWIFT AmeriCorps program engages members as classroom tutors to improve K-6th grade student test scores, build relationships to increase tutored students confidence and develop their desire to learn. Annie E. Casey Foundation research finds third grade reading scores are a key indicator of future success in school. SWIFT tutoring outcomes build self-esteem needed for students to succeed.

The University of Texas at Austin - Charles A. Dana Center

Program Name: A Community for Education: ACE AmeriCorps

Service Areas: Austin and Manor

Description: The A Community for Education (ACE) program has been working in the Austin ISD since 1994 to improve school readiness in high-poverty schools. ACE is a research-based, bilingual early reading intervention program that intensively serves pre-K, K, first and second grade students using a Response to Intervention model that is proven effective in helping at least 75% of students served to reach or exceed grade level in key literacy skills. The ACE program engages AmeriCorps members to provide daily one-to-one and small group literacy support to students and their parents.
