Benefits of Membership

Members of the Nonprofit Management Alliance of Texas will be part of a vibrant group of organizations striving to make the nonprofit sector in Texas the best in the country with all nonprofits in the state having access to high quality affordable management and governance services. Members will collaborate to strengthen and enhance each other's work, promote increased access to management and governance services to Texas nonprofits, and advance the impact of the nonprofit sector. This mission and vision will be achieved through:

- An annual meeting held in conjunction with the Texas Nonprofit Summit providing networking opportunities, peer exchange and insight from affinity groups such as funders, the research community, and advocacy organizations
- Discounted registration to the Texas Nonprofit Summit
- Two annual webinars focusing on member selected topics
- A discount on subscriptions to the Texas Connector, OneStar's geo-mapping system
- Access to a resource library containing best practices, articles on emerging trends, and infrastructure tools
- Potential for reciprocal membership in other member organizations
- Participation in a Google Group where questions can be posted and real time dialog can occur
