

Nonprofit Management Alliance of Texas Code of Ethics

Our vision is that all nonprofits in the state have access to high quality affordable management and governance strengthening services.

The Nonprofit Management Alliance of Texas (NMAT) strives to make the nonprofit sector in Texas the best in the country. The purpose of NMAT is to create, strengthen and enhance capacity building work; promote increased access to nonprofit leadership and professional development, management and governance services; and advance the impact of the nonprofit sector.

NMAT Members will:

- Foster best practices in the delivery of capacity building services across the state;
- Keep members informed of pertinent knowledge and competence in the professional development and performance fields;
- Build awareness of workplace learning and performance credentials, qualifications, experience and ability;
- Promote conduct that is ethical and honest;
- Prevent conduct which impedes individual member service delivery;
- Prioritize collaboration among NMAT members over competition;
- Comply with all intellectual property guidelines, and the laws and regulations governing this work;
- Maintain confidentiality and integrity with respect to all member interactions;
- Improve the public understanding of nonprofit management; and
- Contribute to the continuing growth of the profession.
