(2) Americans desire to affirm common responsibilities and shared values, and join together in positive experiences, that transcend race, religion, gender, age, disability, region, income, and education.

(3) The rising costs of postsecondary education are putting higher education out of reach for an increasing number of citizens.

(4) Americans of all ages can improve their communities and become better citizens through service to the United States.

(5) Nonprofit organizations, local governments, States, and the Federal Government are already supporting a wide variety of national service programs that deliver needed services in a cost-effective manner.

(6) Residents of low-income communities, especially youth and young adults, can be empowered through their service, and can help provide future community leadership.

(b) PURPOSE.—It is the purpose of this Act to—

(1) meet the unmet human, educational, environmental, and public safety needs of the United States, without displacing existing workers;

(2) renew the ethic of civic responsibility and the spirit of community and service throughout the varied and diverse communities of the United States;

(3) expand educational opportunity by rewarding individuals who participate in national service with an increased ability to pursue higher education or job training;

May 19, 2009

1Section 1301(b) of Public Law 107–117 (115 Stat. 2339) amended this Act by inserting before title V a new title IV without making a conforming amendment to the table of sections.
(4) encourage citizens of the United States, regardless of age, income, geographic location, or disability, to engage in full-time or part-time national service;
(5) reinvent government to eliminate duplication, support locally established initiatives, require measurable goals for performance, and offer flexibility in meeting those goals;
(6) expand and strengthen existing national service programs with demonstrated experience in providing structured service opportunities with visible benefits to the participants and community;
(7) build on the existing organizational service infrastructure of Federal, State, and local programs, agencies, and communities to expand full-time and part-time service opportunities for all citizens;
(8) provide tangible benefits to the communities in which national service is performed;
(9) expand and strengthen service-learning programs through year-round opportunities, including opportunities during the summer months, to improve the education of children and youth and to maximize the benefits of national and community service, in order to renew the ethic of civic responsibility and the spirit of community for children and youth throughout the United States;
(10) assist in coordinating and strengthening Federal and other service opportunities, including opportunities for participation in emergency and disaster preparedness, relief, and recovery;
(11) increase service opportunities for the Nation’s retiring professionals, including such opportunities for those retiring from the science, technical, engineering, and mathematics professions, to improve the education of the Nation’s youth and keep America competitive in the global knowledge economy, and to further utilize the experience, knowledge, and skills of older individuals;
(12) encourage the continued service of the alumni of the national service programs, including service in times of national need;
(13) encourage individuals age 55 or older to partake of service opportunities;
(14) focus national service on the areas of national need such service has the capacity to address, such as improving education, increasing energy conservation, improving the health status of economically disadvantaged individuals, and improving economic opportunity for economically disadvantaged individuals;
(15) recognize and increase the impact of social entrepreneurs and other nonprofit community organizations in addressing national and local challenges;
(16) increase public and private investment in nonprofit community organizations that are effectively addressing national and local challenges and encourage such organizations to replicate and expand successful initiatives;
(17) leverage Federal investments to increase State, local, business, and philanthropic resources to address national and local challenges;
(18) support institutions of higher education that engage students in community service activities and provide high-quality service-learning opportunities; and

§2521.5 What definitions apply to this part?

You. For this part, you refers to the grantee, unless otherwise noted.

§2521.10 Who may apply to receive an AmeriCorps subtitle C grant?

(a) States (including Territories), subdivisions of States, Indian tribes, public or private nonprofit organizations (including religious organizations and labor organizations), and institutions of higher education are eligible to apply for AmeriCorps subtitle C grants. However, the fifty States, the District of Columbia and Puerto Rico must first receive Corporation authorization for the use of a State Commission or alternative administrative or transitional entity pursuant to part 2550 of this chapter in order to be eligible.

(b) The Corporation may also enter into contracts or cooperative agreements for AmeriCorps assistance with Federal agencies that are Executive Branch agencies or departments. Bureaus, divisions, and local and regional offices of such departments and agencies may only receive assistance pursuant to a contract or agreement with the central department or agency. The requirements relating to Federal agencies are described in part 2523 of this chapter.

§2521.20 What types of AmeriCorps subtitle C program grants are available for award?

The Corporation may make the following types of grants to eligible applicants. The requirements of this section will also apply to any State or other applicant receiving assistance under this part that proposes to conduct a grant program using the assistance to support other national or community service programs.

(a) Planning grants—(1) Purpose. The purpose of a planning grant is to assist an applicant in completing the planning necessary to implement a sound concept that has already been developed.

(2) Eligibility. (i) States may apply directly to the Corporation for planning grants.

(ii) Subdivisions of States, Indian Tribes, public or private nonprofit organizations (including religious organizations and labor organizations), and institutions of higher education may apply either to a State or directly to the Corporation for planning grants.

(3) Duration. A planning grant will be negotiated for a term not to exceed one year.

(b) Operational grants—(1) Purpose. The purpose of an operational grant is to fund an organization that is ready to establish, operate, or expand an AmeriCorps program. An operational grant may include AmeriCorps educational awards. An operational grant may also include a short planning period of up to six months, if necessary, to implement a program.

(2) Eligibility. (i) States may apply directly to the Corporation for operational grants.

(ii) Subdivisions of States, Indian Tribes, public or private nonprofit organizations (including religious organizations and labor organizations), and institutions of higher education may apply either to a State or directly to the Corporation for operational grants. The Corporation may limit the categories of applicants
eligible to apply directly to the Corporation for assistance under this section consistent with its National priorities.

(3) **Duration.** An operational grant will be negotiated for a term not to exceed three years. Within a three-year term, renewal funding will be contingent upon periodic assessment of program quality, progress to date, and availability of Congressional appropriations.

(c) **Replication Grants.** The Corporation may provide assistance for the replication of an existing national service program to another geographical location.

(d) **Training, technical assistance and other special grants—(1) Purpose.** The purpose of these grants is to ensure broad access to AmeriCorps programs for all Americans, including those with disabilities; support disaster relief efforts; assist efforts to secure private support for programs through challenge grants; and ensure program quality by supporting technical assistance and training programs.

(2) **Eligibility.** Eligibility varies and is detailed under 45 CFR part 2524, “Technical Assistance and Other Special Grants.”

(3) **Duration.** Grants will be negotiated for a renewable term of up to three years.

§2521.30 How will AmeriCorps subtitle C program grants be awarded?

In any fiscal year, the Corporation will award AmeriCorps subtitle C program grants as follows:

(a) **Grants to State Applicants.** (1) For the purposes of this section, the term “State” means the fifty States, Puerto Rico, and the District of Columbia.

(2) One-third of the funds available under this part and a corresponding allotment of AmeriCorps educational awards, as specified by the Corporation, will be distributed according to a population-based formula to the 50 States, Puerto Rico and the District of Columbia if they have applications approved by the Corporation.

(3) At least one-third of funds available under this part and an appropriate number of AmeriCorps awards, as determined by the Corporation, will be awarded to States on a competitive basis. In order to receive these funds, a State must receive funds under paragraphs (a)(2) or (b)(1) of this section in the same fiscal year.

(4) In making subgrants with funds awarded by formula or competition under paragraphs (a)(2) or (3) of this section, a State must ensure that a minimum of 50 percent of funds going to States will be used for programs that operate in the areas of need or on Federal or other public lands, and that place a priority on recruiting participants who are residents in high need areas, or on Federal or other public lands. The Corporation may waive this requirement for an individual State if at least 50 percent of the total amount of assistance to all States will be used for such programs.

(b) **Grants to Applicants other than States.** (1) One percent of available funds will be distributed to the U.S. Territories that have applications approved by the Corporation according to a population-based formula.²

²The United States Virgin Islands, Guam, American Samoa, and the Commonwealth of the Northern Mariana Islands.

²The amount allotted as a grant to each such territory or possession is equal to the ratio of each such Territory's population to the population of all such territories multiplied by the amount of the one percent set-aside.
(2) One percent of available funds will be reserved for distribution to Indian tribes on a competitive basis.

(3) The Corporation will use any funds available under this part remaining after the award of the grants described in paragraphs (a) and (b) (1) and (2) of this section to make direct competitive grants to subdivisions of States, Indian tribes, public or private nonprofit organizations (including religious organizations and labor organizations), institutions of higher education, and Federal agencies. No more than one-third of the these remaining funds may be awarded to Federal agencies.

(c) Allocation of AmeriCorps educational awards only. The Corporation will determine on an annual basis the appropriate number of educational awards to make available for eligible applicants who have not applied for program assistance.

(d) Effect of States’ or Territories’ failure to apply. If a State or U.S. Territory does not apply for or fails to give adequate notice of its intent to apply for a formula-based grant as announced by the Corporation and published in applications and the Notice of Funds Availability, the Corporation will use the amount of that State's allotment to make grants to eligible entities to carry out AmeriCorps programs in that State or Territory. Any funds remaining from that State's allotment after making such grants will be reallocated to the States, Territories, and Indian tribes with approved AmeriCorps applications at the Corporation's discretion.

(e) Effect of rejection of State application. If a State's application for a formula-based grant is ultimately rejected by the Corporation pursuant to §2522.320 of this chapter, the State's allotment will be available for redistribution by the Corporation to the States, Territories, and Indian Tribes with approved AmeriCorps applications as the Corporation deems appropriate.

(f) The Corporation will make grants for training, technical assistance and other special programs described in part 2524 of this chapter at the Corporation's discretion.

PROGRAM MATCHING REQUIREMENTS

§2521.35 Who must comply with matching requirements?

(a) The matching requirements described in §§2521.40 through 2521.95 apply to you if you are a subgrantee of a State commission or a direct program grantee of the Corporation. These requirements do not apply to Education Award Programs.

(b) If you are a State commission, you must ensure that your grantees meet the match requirements established in this part, and you are also responsible for meeting an aggregate overall match based on your grantees' individual match requirements.

§2521.40 What are the matching requirements?

If you are subject to matching requirements under §2521.35, you must adhere to the following:

(a) Basic match: At a minimum, you must meet the basic match requirements as articulated in §2521.45.
(b) Regulatory match: In addition to the basic requirements under paragraph (a) of this section, you must provide an overall level of matching funds according to the schedule in §2521.60(a), or §2521.60(b) if applicable.

(c) Budgeted match: To the extent that the match in your approved budget exceeds your required match levels under paragraph (a) or (b) of this section, any failure to provide the amount above your regulatory match but below your budgeted match will be considered as a measure of past performance in subsequent grant competitions.

§2521.45 What are the limitations on the Federal government's share of program costs?

The limitations on the Federal government's share are different—in type and amount—for member support costs and program operating costs.

(a) *Member support:* The Federal share, including Corporation and other Federal funds, of member support costs, which include the living allowance required under §2522.240(b)(1), FICA, unemployment insurance (if required under State law), worker's compensation (if required under State law), is limited as follows:

1. The Federal share of the living allowance may not exceed 85 percent of the minimum living allowance required under §2522.240(b)(1), and 85 percent of other member support costs.

2. If you are a professional corps described in §2522.240(b)(2)(i), you may not use Corporation funds for the living allowance.

3. Your share of member support costs must be non-Federal cash.

4. The Corporation's share of health care costs may not exceed 85 percent.

(b) *Program operating costs:* The Corporation share of program operating costs may not exceed 67 percent. These costs include expenditures (other than member support costs described in paragraph (a) of this section) such as staff, operating expenses, internal evaluation, and administration costs.

1. You may provide your share of program operating costs with cash, including other Federal funds (as long as the other Federal agency permits its funds to be used as match), or third party in-kind contributions.

2. Contributions, including third party in-kind must:

   (i) Be verifiable from your records;

   (ii) Not be included as contributions for any other Federally assisted program;

   (iii) Be necessary and reasonable for the proper and efficient accomplishment of your program's objectives; and

   (iv) Be allowable under applicable OMB cost principles.

3. You may not include the value of direct community service performed by volunteers, but you may include the value of services contributed by volunteers to your organizations for organizational functions such as accounting, audit, and training of staff and AmeriCorps programs.
§2521.50 If I am an Indian Tribe, to what extent may I use tribal funds towards my share of costs?

If you are an Indian Tribe that receives tribal funds through Public Law 93-638 (the Indian Self-Determination and Education Assistance Act), those funds are considered non-Federal and you may use them towards your share of costs, including member support costs.

§2521.60 To what extent must my share of program costs increase over time?

Except as provided in paragraph (b) of this section, if your program continues to receive funding after an initial three-year grant period, you must continue to meet the minimum requirements in §2541.45 of this part. In addition, your required share of program costs, including member support and operating costs, will incrementally increase to a 50 percent overall share by the tenth year and any year thereafter that you receive a grant, without a break in funding of five years or more. A 50 percent overall match means that you will be required to match $1 for every $1 you receive from the Corporation.

(a) Minimum Organization Share: (1) Subject to the requirements of §2521.45 of this part, and except as provided in paragraph (b) of this section, your overall share of program costs will increase as of the fourth consecutive year that you receive a grant, according to the following timetable:

(2) A grantee must have contributed matching resources by the end of a grant period in an amount equal to the combined total of the minimum overall annual match for each year of the grant period, according to the table in paragraph (a)(1) of this section.

(3) A State commission may meet its match based on the aggregate of its grantees’ individual match requirements.

(b) Alternative match requirements: If your program is unable to meet the match requirements as required in paragraph (a) of this section, and is located in a rural or a severely economically distressed community, you may apply to the Corporation for a waiver that would require you to increase the overall amount of your share of program costs beginning in the seventh consecutive year that you receive a grant, according to the following table:

(c) Determining Program Location. (1) The Corporation will determine whether your program is located in a rural county by considering the U.S. Department of Agriculture’s Beale Codes.

(2) The Corporation will determine whether your program is located in a severely economically distressed county by considering unemployment rates, per capita income, and poverty rates.
(3) Unless the Corporation approves otherwise, as provided in paragraph (c)(4) of this section, the Corporation will determine the location of your program based on the legal applicant's address.

(4) If you believe that the legal applicant's address is not the appropriate way to consider the location of your program, you may request the waiver described in paragraph (b) of this section and provide the relevant facts about your program location to support your request.

(d) Schedule for current program grants: If you have completed at least one three-year grant cycle on the date this regulation takes effect, you will be required to provide your share of costs beginning at the year three level, according to the table in paragraph (a) of this section, in the first program year in your grant following the regulation's effective date, and increasing each year thereafter as reflected in the table.

(e) Flexibility in how you provide your share: As long as you meet the basic match requirements in §2521.45, you may use cash or in-kind contributions to reach the overall share level. For example, if your organization finds it easier to raise member support match, you may choose to meet the required overall match by raising only more member support match, and leave operational match at the basic level, as long as you provide the required overall match.

(f) Reporting excess resources. (1) The Corporation encourages you to obtain support over-and-above the matching fund requirements. Reporting these resources may make your application more likely to be selected for funding, based on the selection criteria in §§2522.430 and 2522.435 of these regulations.

(2) You must comply with §2543.23 of this title and applicable OMB circulars in documenting cash and in-kind contributions and excess resources.

§2521.70 To what extent may the Corporation waive the matching requirements in §§2521.45 and 2521.60 of this part?

(a) The Corporation may waive, in whole or in part, the requirements of §§2521.45 and 2521.60 of this part if the Corporation determines that a waiver would be equitable because of a lack of available financial resources at the local level.

(b) If you are requesting a waiver, you must demonstrate:

(1) The lack of resources at the local level;

(2) That the lack of resources in your local community is unique or unusual;

(3) The efforts you have made to raise matching resources; and

(4) The amount of matching resources you have raised or reasonably expect to raise.

(c) You must provide with your waiver request:

(1) A request for the specific amount of match you are requesting that the Corporation waive; and

(2) A budget and budget narrative that reflects the requested level in matching resources.

§2521.80 What matching level applies if my program was funded in the past but has not recently received an AmeriCorps grant?
(a) If you have not been a direct recipient of an AmeriCorps operational grant from the Corporation or a State commission for five years or more, as determined by the end date of your most recent grant period, you may begin matching at the year one level, as reflected in the timetable in §2521.60(a) of this part, upon receiving your new grant award.

(b) If you have not been a direct recipient of an AmeriCorps operational grant from the Corporation or a State commission for fewer than five years, you must begin matching at the same level you were matching at the end of your most recent grant period.

§2521.90 If I am a new or replacement legal applicant for an existing program, what will my matching requirements be?

If your organization is a new or replacement legal applicant for an existing program, you must provide matching resources at the level the previous legal applicant had reached at the time you took over the program.

§2521.95 To what extent may I use grant funds for administrative costs?

(a) Not more than five percent of the grant funds provided under this part for any fiscal year may be used to pay for administrative costs, as defined in §2510.20 of this chapter.

(b) The distribution of administrative costs between the grant and any subgrant will be subject to the approval of the Corporation.

(c) In applying the limitation on administrative costs the Corporation will approve one of the following methods in the award document:

(1) Limit the amount or rate of indirect costs that may be paid with Corporation funds under a grant or subgrant to five percent of total Corporation funds expended, provided that—

   (i) Organizations that have an established indirect cost rate for Federal awards will be limited to this method; and

   (ii) Unreimbursed indirect costs may be applied to meeting operational matching requirements under the Corporation’s award;

(2) Specify that a fixed rate of five percent or less (not subject to supporting cost documentation) of total Corporation funds expended may be used to pay for administrative costs, provided that the fixed rate is in conjunction with an overall 15 percent administrative cost factor to be used for organizations that do not have established indirect cost rates; or

(3) Utilize such other method that the Corporation determines in writing is consistent with OMB guidance and other applicable requirements, helps minimize the burden on grantees or subgrantees, and is beneficial to grantees or subgrantees and the Federal Government.

PART 2522—AMERICORPS PARTICIPANTS, PROGRAMS, AND APPLICANTS

Subpart A—Minimum Requirements and Program Types
§2522.10 What definitions apply to this part?

You. For this part, you refers to the grantee, unless otherwise noted.

§2522.100 What are the minimum requirements that every AmeriCorps program, regardless of type, must meet?

Although a wide range of programs may be eligible to apply for and receive support from the Corporation, all AmeriCorps subtitle C programs must meet certain minimum program requirements. These requirements apply regardless of whether a program is supported directly by the Corporation or through a subgrant. All AmeriCorps programs must:

(a) Address educational, public safety, human, or environmental needs, and provide a direct and demonstrable benefit that is valued by the community in which the service is performed;

(b) Perform projects that are designed, implemented, and evaluated with extensive and broad-based local input, including consultation with representatives from the community served, participants (or potential participants) in the program, community-based agencies with a demonstrated record of experience in providing services, and local labor organizations representing employees of project sponsors (if such entities exist in the area to be served by the program);

(c) Obtain, in the case of a program that also proposes to serve as the project sponsor, the written concurrence of any local labor organization representing employees of the project sponsor who are engaged in the same or substantially similar work as that proposed to be carried out by the AmeriCorps participant;

(d) Establish and provide outcome objectives, including a strategy for achieving these objectives, upon which self-assessment and Corporation-assessment of progress can rest. Such assessment will be used to help determine the extent to which the program has had a positive impact: (1) On communities and persons served by the projects performed by the program;

(2) On participants who take part in the projects; and

(3) In such other areas as the program or Corporation may specify;

(e) Strengthen communities and encourage mutual respect and cooperation among citizens of different races, ethnicities, socioeconomic backgrounds, educational levels, both men and women and individuals with disabilities;

(f) Agree to seek actively to include participants and staff from the communities in which projects are conducted, and agree to seek program staff and participants of different races and ethnicities, socioeconomic backgrounds, educational levels, and genders as well as individuals with disabilities unless a program design requires emphasizing the recruitment of staff and participants who share a specific characteristic or background. In no case may a program violate the nondiscrimination, nonduplication and nondisplacement rules governing participant selection described in part 2540 of this chapter. In addition, programs are encouraged to establish, if consistent with the purposes of the program, an intergenerational component that combines students, out-of-school youths, and older adults as participants;

(g)(1) Determine the projects in which participants will serve and establish minimum qualifications that individuals must meet to be eligible to participate in the program; these qualifications may vary based on the specific tasks to be performed by participants. Regardless of the educational level or
background of participants sought, programs are encouraged to select individuals who possess leadership potential and a commitment to the goals of the AmeriCorps program. In any case, programs must select participants in a non-partisan, non-political, non-discriminatory manner, ensuring fair access to participation. In addition, programs are required to ensure that they do not displace any existing paid employees as provided in part 2540 of this chapter;

(2) In addition, all programs are required to comply with any pre-service orientation or training period requirements established by the Corporation to assist in the selection of motivated participants. Finally, all programs must agree to select a percentage (to be determined by the Corporation) of the participants for the program from among prospective participants recruited by the Corporation or State Commissions under part 2533 of this chapter. The Corporation may also specify a minimum percentage of participants to be selected from the national leadership pool established under §2522.210(c). The Corporation may vary either percentage for different types of AmeriCorps programs;

(h) Provide reasonable accommodation, including auxiliary aids and services (as defined in section 3(1) of the Americans with Disabilities Act of 1990 (42 U.S.C. 12102(1)) based on the individualized need of a participant who is a qualified individual with a disability (as defined in section 101(8) of such Act (42 U.S.C. 12111(8))). For the purpose of complying with this provision, AmeriCorps programs may apply for additional financial assistance from the Corporation pursuant to §2524.40 of this chapter;

(i) Use service experiences to help participants achieve the skills and education needed for productive, active citizenship, including the provision, if appropriate, of structured opportunities for participants to reflect on their service experiences. In addition, all programs must encourage every participant who is eligible to vote to register prior to completing a term of service;

(j) Provide participants in the program with the training, skills, and knowledge necessary to perform the tasks required in their respective projects, including, if appropriate, specific training in a particular field and background information on the community, including why the service projects are needed;

(k) Provide support services—

(1) To participants who are completing a term of service and making the transition to other educational and career opportunities; and

(2) To those participants who are school dropouts in order to assist them in earning the equivalent of a high school diploma;

(l) Ensure that participants serving in approved AmeriCorps positions receive the living allowance and other benefits described in §§2522.240 through 2522.250 of this chapter;

(m) Describe the manner in which the AmeriCorps educational awards will be apportioned among individuals serving in the program. If a program proposes to provide such benefits to less than 100 percent of the participants in the program, the program must provide a compelling rationale for determining which participants will receive the benefits and which participants will not. AmeriCorps programs are strongly encouraged to offer alternative post-service benefits to participants who will not receive AmeriCorps educational awards, however AmeriCorps grant funds may not be used to provide such benefits;

(n) Agree to identify the program, through the use of logos, common application materials, and other means (to be specified by the Corporation), as part of a larger national effort and to participate in other activities such as common opening ceremonies (including the administration of a national oath or affirmation), service days, and conferences designed to promote a national identity for all AmeriCorps programs and participants, including those participants not receiving AmeriCorps educational awards.
This provision does not preclude an AmeriCorps program from continuing to use its own name as the primary identification, or from using its name, logo, or other identifying materials on uniforms or other items;

(o) Agree to begin terms of service at such times as the Corporation may reasonably require and to comply with any restrictions the Corporation may establish as to when the program may take to fill an approved AmeriCorps position left vacant due to attrition;

(p) Comply with all evaluation procedures specified by the Corporation, as explained in §§2522.500 through 2522.560;

(q) In the case of a program receiving funding directly from the Corporation, meet and consult with the State Commission for the State in which the program operates, if possible, and submit a copy of the program application to the State Commission; and

(r) Address any other requirements as specified by the Corporation.

individuals or teams of individuals to engage in community projects in such an area that meet
unaddressed community and individual needs, including projects that would—

(b) Written declaration regarding high school diploma sufficient for enrollment. For purposes of enrollment, if an individual provides a written declaration under penalty of law that he or she meets the requirements in paragraph (a) of this section relating to high school education, a program need not obtain additional documentation of that fact.

(c) Primary documentation of status as a U.S. citizen or national. The following are acceptable forms of certifying status as a U.S. citizen or national:

(1) A birth certificate showing that the individual was born in one of the 50 states, the District of Columbia, Puerto Rico, Guam, the U.S. Virgin Islands, American Samoa, or the Northern Mariana Islands;

4. A Departure Record (INS Form I-94) indicating that the INS has approved it as temporary evidence of lawful admission for permanent residence.

(e) **Secondary documentation of citizenship or immigration status.** If primary documentation is not available, the program must obtain written approval from the Corporation that other documentation is sufficient to demonstrate the individual's status as a U.S. citizen, U.S. national, or lawful permanent resident alien.

§2522.205 **To whom must I apply the National Service Criminal History Check eligibility criteria?**

You must apply the National Service Criminal History Check eligibility criteria to individuals serving in covered positions. A covered position is a position in which the individual receives an education award or a Corporation grant-funded living allowance, stipend, or salary.

§2522.206 **[Reserved]**

§2522.207 **How do I determine an individual's eligibility to serve in a covered position?**

To determine an individual's eligibility to serve in a covered position, you must follow the procedures in part 2540 of this chapter.

§2522.210 **How are AmeriCorps participants recruited and selected?**

(a) **Local recruitment and selection.** In general, AmeriCorps participants will be selected locally by an approved AmeriCorps program, and the selection criteria will vary widely among the different programs. Nevertheless, AmeriCorps programs must select their participants in a fair and non-discriminatory manner which complies with part 2540 of this chapter. In selecting participants, programs must also comply with the recruitment and selection requirements specified in this section.

(b)(1) **National and State recruitment and selection.** The Corporation and each State Commission will establish a system to recruit individuals who desire to perform national service and to assist the placement of these individuals in approved AmeriCorps positions, which may include positions available under titles I and II of the Domestic Volunteer Service Act of 1973 (42 U.S.C. 4951 et seq.). The national and state recruitment and placement system will be designed and operated according to Corporation guidelines.

(2) **Dissemination of information.** The Corporation and State Commissions will disseminate information regarding available approved AmeriCorps positions through cooperation with secondary
schools, institutions of higher education, employment service offices, community-based organizations, State vocational rehabilitation agencies within the meaning of the Rehabilitation Act of 1973 (29 U.S.C. 701 et seq.) and other State agencies that primarily serve qualified individuals with disabilities, and other appropriate entities, particularly those organizations that provide outreach to disadvantaged youths and youths who are qualified individuals with disabilities.

(c) National leadership pool—(1) Selection and training. From among individuals recruited under paragraph (b) of this section or nominated by service programs, the Corporation may select individuals with significant leadership potential, as determined by the Corporation, to receive special training to enhance their leadership ability. The leadership training will be provided by the Corporation directly or through a grant, contract, or cooperative agreement as the Corporation determines.

(2) Emphasis on certain individuals. In selecting individuals to receive leadership training under this provision, the Corporation will make special efforts to select individuals who have served—

(i) In the Peace Corps;

(ii) As VISTA volunteers;

(iii) As participants in AmeriCorps programs receiving assistance under parts 2520 through 2524 of this chapter;

(iv) As participants in National Service Demonstration programs that received assistance from the Commission on National and Community Service; or

(v) As members of the Armed Forces of the United States and who were honorably discharged from such service.

(3) Assignment. At the request of a program that receives assistance, the Corporation may assign an individual who receives leadership training under paragraph (c)(1) of this section to work with the program in a leadership position and carry out assignments not otherwise performed by regular participants. An individual assigned to a program will be considered to be a participant of the program.

§2522.220 What are the required terms of service for AmeriCorps participants?

(a) Term of Service. A term of service may be defined as:

(1) Full-time service. 1,700 hours of service during a period of not more than one year.

(2) Part-time service. 900 hours of service during a period of not more than two years.

(3) Reduced part-time term of service. The Corporation may reduce the number of hours required to be served in order to receive an educational award for certain part-time participants serving in approved AmeriCorps positions. In such cases, the educational award will be reduced in direct proportion to the reduction in required hours of service. These reductions may be made for summer programs, for categories of participants in certain approved AmeriCorps programs and on a case-by-case, individual basis as determined by the Corporation.

(4) Summer programs. A summer program, in which less than 1700 hours of service are performed, are part-time programs.
(b) **Eligibility for subsequent term.** A participant will only be eligible to serve a subsequent term of service if that individual has received a satisfactory performance review for any previous term of service in an approved AmeriCorps position, in accordance with the requirements of paragraph (d) of this section and §2526.15. Mere eligibility for a second or further term of service in no way guarantees a participant selection or placement.

(c) **Participant evaluation.** For the purposes of determining a participant's eligibility for an educational award as described in §2522.240(a) and eligibility to serve a second or additional term of service as described in paragraph (c) of this section, each AmeriCorps grantee is responsible for conducting a mid-term and end-of-term evaluation. A mid-term evaluation is not required for a participant who is released early from a term of service or in other circumstances as approved by the Corporation. The end-of-term evaluation should consist of:

(1) A determination of whether the participant:

(i) Successfully completed the required term of service described in paragraph (a) of this section, making the participant eligible for an educational award as described in §2522.240(a);

(ii) Was released from service for compelling personal circumstances, making the participant eligible for a pro-rated educational award as described in §2522.230(a)(2); or

(iii) Was released from service for cause, making the participant ineligible to receive an educational award for that term of service as described in §2522.230(b)(3); and

(2) A participant performance and conduct review to determine whether the participant's service was satisfactory, which will assess whether the participant:

(i) Has satisfactorily completed assignments, tasks, or projects, or, for those participants released from service early, whether the participant made a satisfactory effort to complete those assignments, tasks, or projects that the participant could reasonably have addressed in the time the participant served; and

(ii) Has met any other criteria which had been clearly communicated both orally and in writing at the beginning of the term of service.

(d) **Limitation.** The Corporation may set a minimum or maximum percentage of hours of a full-time, part-time, or reduced term of service described in paragraphs (a)(1), (a)(2), and (a)(3) of this section that a participant may engage in training, education, or other similar approved activities.

(e) **Grievance procedure.** Any AmeriCorps participant wishing to contest a program's ruling of unsatisfactory performance may file a grievance according to the procedures set forth in part 2540 of this chapter. If that grievance procedure or subsequent binding arbitration procedure finds that the participant did in fact satisfactorily complete a term of service, then that individual will be eligible to receive an educational award and/or be eligible to serve a second term of service.

(f) **Extension of term for disaster purposes.** If approved by the Corporation, a program may permit an AmeriCorps participant performing service directly related to disaster relief efforts to continue in a term of service for a period of up to 90 days beyond the period otherwise specified. A period of service performed by an AmeriCorps participant in an originally agreed-upon term of service and service performed under this paragraph shall constitute a single term of service for the purposes of §2526.50(a) of this chapter.
§2522.230 Under what circumstances may an AmeriCorps participant be released from completing a term of service, and what are the consequences?

An AmeriCorps program may release a participant from completing a term of service for compelling personal circumstances, as determined by the program, or for cause.

(a) Release for compelling personal circumstances.

(1) An AmeriCorps program may release a participant upon a determination by the program, consistent with the criteria listed in paragraphs (a)(6) and (a)(7) of this section, that the participant is unable to complete the term of service because of compelling personal circumstances, if the participant has otherwise performed satisfactorily and has completed at least fifteen percent of the agreed term of service.

(2) A participant who is released for compelling personal circumstances and who completes at least 15 percent of the required term of service is eligible for a pro-rated education award.

(3) The program must document the basis for any determination that compelling personal circumstances prevent a participant from completing a term of service.

(4) Compelling personal circumstances include:

(i) Those that are beyond the participant's control, such as, but not limited to:

(A) A participant's disability or serious illness;

(B) Disability, serious illness, or death of a participant's family member if this makes completing a term unreasonably difficult or impossible; or

(C) Conditions attributable to the program or otherwise unforeseeable and beyond the participant's control, such as a natural disaster, a strike, relocation of a spouse, or the nonrenewal or premature closing of a project or program, that make completing a term unreasonably difficult or impossible;

(ii) Those that the Corporation, has for public policy reasons, determined as such, including:

(A) Military service obligations;

(B) Acceptance by a participant of an opportunity to make the transition from welfare to work; or

(C) Acceptance of an employment opportunity by a participant serving in a program that includes in its approved objectives the promotion of employment among its participants.

(5) Compelling personal circumstances do not include leaving a program:

(i) To enroll in school;

(ii) To obtain employment, other than in moving from welfare to work or in leaving a program that includes in its approved objectives the promotion of employment among its participants; or

(iii) Because of dissatisfaction with the program.
(6) As an alternative to releasing a participant, an AmeriCorps*State/National program may, after determining that compelling personal circumstances exist, suspend the participant's term of service for up to two years (or longer if approved by the Corporation based on extenuating circumstances) to allow the participant to complete service with the same or similar AmeriCorps program at a later time.

(b) Release for cause. (1) A release for cause encompasses any circumstances other than compelling personal circumstances that warrant an individual's release from completing a term of service.

(2) AmeriCorps programs must release for cause any participant who is convicted of a felony or the sale or distribution of a controlled substance during a term of service.

(3) A participant who is released for cause may not receive any portion of the AmeriCorps education award or any other payment from the National Service Trust.

(4) An individual who is released for cause must disclose that fact in any subsequent applications to participate in an AmeriCorps program. Failure to do so disqualifies the individual for an education award, regardless of whether the individual completes a term of service.

(5) An AmeriCorps*State/National participant released for cause may contest the program’s decision by filing a grievance. Pending the resolution of a grievance procedure filed by an individual to contest a determination by a program to release the individual for cause, the individual's service is considered to be suspended. For this type of grievance, a program may not—while the grievance is pending or as part of its resolution—provide a participant with federally-funded benefits (including payments from the National Service Trust) beyond those attributable to service actually performed, without the program receiving written approval from the Corporation.

(6) An individual's eligibility for a subsequent term of service in AmeriCorps will not be affected by release for cause from a prior term of service so long as the individual received a satisfactory end-of-term performance review as described in §2522.220(c)(2) for the period served in the prior term.

(7) Except as provided in paragraph (e) of this section, a term of service from which an individual is released for cause counts as one of the terms of service described in §2522.235 for which an individual may receive the benefits described in §§2522.240 through 2522.250.

(c) Suspended service. (1) A program must suspend the service of an individual who faces an official charge of a violent felony (e.g., rape, homicide) or sale or distribution of a controlled substance.

(2) A program must suspend the service of an individual who is convicted of possession of a controlled substance.

(3) An individual may not receive a living allowance or other benefits, and may not accrue service hours, during a period of suspension under this provision.

(d) Reinstatement. (1) A program may reinstate an individual whose service was suspended under paragraph (c)(1) of this section if the individual is found not guilty or if the charge is dismissed.

(2) A program may reinstate an individual whose service was suspended under paragraph (c)(2) of this section only if the individual demonstrates the following:
(i) For an individual who has been convicted of a first offense of the possession of a controlled substance, the individual must have enrolled in a drug rehabilitation program;

(ii) For an individual who has been convicted for more than one offense of the possession of a controlled substance, the individual must have successfully completed a drug rehabilitation program.

(e) Release prior to serving 15 percent of a term of service. If a participant is released for reasons other than misconduct prior to completing 15 percent of a term of service, the term will not be considered one of the terms of service described in §§2522.220(b) for which an individual may receive the benefits described in §§2522.240 through 2522.250.

§2522.235 Is there a limit on the number of terms an individual may serve in an AmeriCorps State and National program?

(a) General limitation. An individual may receive the benefits described in §2522.240 through §2522.250 for no more than four terms of service in an AmeriCorps State and National program, regardless of whether those terms were served on a full-, part-, or reduced part-time basis, consistent with the limitations in §2526.50.

(b) Early release. Except as provided in paragraph (c) of this section, a term of service from which an individual is released for compelling personal circumstances or for cause counts as one of the terms of service for which an individual may receive the benefits described in §2522.240 through §2522.250.

(c) Release prior to serving fifteen percent of a term. If a person is released for reasons other than misconduct prior to completing fifteen percent of a term of service, the term will not be considered one of the terms of service for which an individual may receive the benefits described in §§2522.240 through 2522.250.

§2522.240 What financial benefits do AmeriCorps participants serving in approved AmeriCorps positions receive?

(a) AmeriCorps education awards. An individual serving in an approved AmeriCorps State and National position may receive an education award from the National Service Trust upon successful completion of each of no more than four terms of service as defined in §2522.220, consistent with the limitations in §2526.50.

(b) Living allowances—(1) Amount. Subject to the provisions of this part, any individual who participates on a full-time basis in an AmeriCorps program carried out using assistance provided pursuant to §2521.30 of this chapter, including an AmeriCorps program that receives educational awards only pursuant to §2521.30(c) of this chapter, will receive a living allowance in an amount equal to or greater than the average annual subsistence allowance provided to VISTA volunteers under §105 of the Domestic Volunteer Service Act of 1973 (42 U.S.C. 4955). This requirement will not apply to any program that was in existence prior to September 21, 1993 (the date of the enactment of the National and Community Service Trust Act of 1993).

(2) Maximum living allowance. With the exception of a professional corps described in §2522.110(a)(3), the AmeriCorps living allowances may not exceed 200 percent of the average annual subsistence allowance provided to VISTA volunteers under section 105 of the Domestic Volunteer Service Act of 1973 (42 U.S.C. 4955). A professional corps AmeriCorps program may provide a stipend in excess of the maximum, subject to the following conditions: (i) Corporation assistance may not be used to pay for any portion of the allowance; and
(ii) The program must be operated directly by the applicant, selected on a competitive basis by submitting an application to the Corporation, and may not be included in a State’s application for AmeriCorps program funds distributed by formula under §2521.30(a)(2) of this chapter.

(3) Living allowances for part-time participants. Programs may, but are not required to, provide living allowances to individuals participating on a part-time basis (or a reduced term of part-time service authorized under §2522.220(a)(3)). Such living allowances should be prorated to the living allowance authorized in paragraph (b)(1) of this section and will comply with such restrictions therein.

(4) Waiver or reduction of living allowance for programs. The Corporation may, at its discretion, waive or reduce the living allowance requirements if a program can demonstrate to the satisfaction of the Corporation that such requirements are inconsistent with the objectives of the program, and that participants will be able to meet the necessary and reasonable costs of living (including food, housing, and transportation) in the area in which the program is located.

(5) Waiver or reduction of living allowance by participants. A participant may waive all or part of the receipt of a living allowance. The participant may revoke this waiver at any time during the participant’s term of service. If the participant revokes the living allowance waiver, the participant may begin receiving his or her living allowance prospective from the date of the revocation; a participant may not receive any portion of the living allowance that may have accrued during the waiver period.

(6) Limitation on Federal share. The Federal share, including Corporation and other Federal funds, of the total amount provided to an AmeriCorps participant for a living allowance is limited as follows:

(i) In no case may the Federal share exceed 85% of the minimum required living allowance enumerated in paragraph (b)(1) of this section.

(ii) For professional corps described in paragraph (b)(2)(i) of this section, Corporation and other Federal funds may be used to pay for no portion of the living allowance.

(iii) If the minimum living allowance requirements has been waived or reduced pursuant to paragraph (b)(4) of this section and the amount of the living allowance provided to a participant has been reduced correspondingly—

(A) In general, the Federal share may not exceed 85% of the reduced living allowance; however,

(B) If a participant is serving in a program that provides room or board, the Corporation will consider on a case-by-case basis allowing the portion of that living allowance that may be paid using Corporation and other Federal funds to be between 85% and 100%.

(c) Financial benefits for participants during an extended term of service for disaster purposes. An AmeriCorps participant performing extended service under §2522.220(f) may continue to receive a living allowance under paragraph (b) and other benefits under §2522.250, but may not receive an additional AmeriCorps educational award under paragraph (a).

§2522.245 How are living allowances disbursed?

A living allowance is not a wage and programs may not pay living allowances on an hourly basis. Programs must distribute the living allowance at regular intervals and in regular increments, and may increase living allowance payments only on the basis of increased living expenses such as food, housing, or transportation. Living allowance payments may only be made to a participant during the participant’s term of service and must cease when the participant concludes the term of service.
Programs may not provide a lump sum payment to a participant who completes the originally agreed-upon term of service in a shorter period of time.

§2522.250  What other benefits do AmeriCorps participants serving in approved AmeriCorps positions receive?

(a) Child Care. Grantees must provide child care through an eligible provider or a child care allowance in an amount determined by the Corporation to those full-time participants who need child care in order to participate.

(1) Need. A participant is considered to need child care in order to participate in the program if he or she:

(i) Is the parent or legal guardian of, or is acting in loco parentis for, a child under 13 who resides with the participant;

(ii) Has a family income that does not exceed 75 percent of the State’s median income for a family of the same size;

(iii) At the time of acceptance into the program, is not currently receiving child care assistance from another source, including a parent or guardian, which would continue to be provided while the participant serves in the program; and

(iv) Certifies that he or she needs child care in order to participate in the program.

(2) Provider eligibility. Eligible child care providers are those who are eligible child care providers as defined in the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858n(5)).

(3) Child care allowance. The amount of the child-care allowance may not exceed the applicable payment rate to an eligible provider established by the State for child care funded under the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858c(4)(A)).

(4) Corporation share. The Corporation will pay 100 percent of the child care allowance, or, if the program provides child care through an eligible provider, the actual cost of the care or the amount of the allowance, whichever is less.

(b) Health care. (1) Grantees must provide to all eligible participants who meet the requirements of paragraph (b)(2) of this section health care coverage that—

(i) Provides the minimum benefits determined by the Corporation;

(ii) Provides the alternative minimum benefits determined by the Corporation; or

(iii) Does not provide all of either the minimum or the alternative minimum benefits but that has a fair market value equal to or greater than the fair market value of a policy that provides the minimum benefits.

(2) Participant eligibility. A full-time participant is eligible for health care benefits if he or she is not otherwise covered by a health benefits package providing minimum benefits established by the Corporation at the time he or she is accepted into a program. If, as a result of participation, or if, during the term of service, a participant demonstrates loss of coverage through no deliberate act of his or her
own, such as parental or spousal job loss or disqualification from Medicaid, the participant will be eligible for health care benefits.

(3) Corporation share. (i) Except as provided in paragraph (b)(3)(ii) of this section, the Corporation's share of the cost of health coverage may not exceed 85 percent.

(ii) The Corporation will pay no share of the cost of a policy that does not provide the minimum or alternative minimum benefits described in paragraphs (b)(1)(i) and (b)(1)(ii) of this section.

Subpart C—Application Requirements

§2522.300 What are the application requirements for AmeriCorps program grants?

All eligible applicants seeking AmeriCorps program grants must—

(a) Provide a description of the specific program(s) being proposed, including the type of program and of how it meets the minimum program requirements described in §2522.100; and

(b) Comply with any additional requirements as specified by the Corporation in the application package.

§2522.310 What are the application requirements for AmeriCorps educational awards only?

(a) Eligible applicants may apply for AmeriCorps educational awards only for one of the following eligible service positions: (1) A position for a participant in an AmeriCorps program that:

(i) Is carried out by an entity eligible to receive support under part 2521 of this chapter;

(ii) Would be eligible to receive assistance under this part, based on criteria established by the Corporation, but has not applied for such assistance;

(2) A position facilitating service-learning in a program described in parts 2515 through 2519 of this chapter;

(3) A position involving service as a crew leader in a youth corps program or a similar position supporting an AmeriCorps program; and

(4) Such other AmeriCorps positions as the Corporation considers to be appropriate.

(b) Because programs applying only for AmeriCorps educational awards must, by definition, meet the same basic requirements as other approved AmeriCorps programs, applicants must comply with the same application requirements specified in §2522.300.

§2522.320 [Reserved]

§2522.330 [Reserved]

§2522.340 How will I know if two projects are the same?
The Corporation will consider two projects to be the same if the Corporation cannot identify a meaningful difference between the two projects based on a comparison of the following characteristics, among others:

(a) The objectives and priorities of the projects;
(b) The nature of the services provided;
(c) The program staff, participants, and volunteers involved;
(d) The geographic locations in which the services are provided;
(e) The populations served; and
(f) The proposed community partnerships.

Subpart D—Selection of AmeriCorps Programs

§2522.400 What process does the Corporation use to select new grantees?

The Corporation uses a multi-stage process, which may include review by panels of experts, Corporation staff review, and approval by the Chief Executive Officer or the Board of Directors, or their designee.

§2522.410 What is the role of the Corporation's Board of Directors in the selection process?

The Board of Directors has general authority to determine the selection process, including priorities and selection criteria, and has authority to make grant decisions. The Board may delegate these functions to the Chief Executive Officer.

§2522.415 How does the grant selection process work?

The selection process includes:

(a) Determining whether your proposal complies with the application requirements, such as deadlines and eligibility requirements;
(b) Applying the basic selection criteria to assess the quality of your proposal;
(c) Applying any applicable priorities or preferences, as stated in these regulations and in the applicable Notice of Funding Availability; and
(d) Ensuring innovation and geographic, demographic, and programmatic diversity across the Corporation's national AmeriCorps portfolio.

§2522.420 What basic criteria does the Corporation use in making funding decisions?

In evaluating your application for funding, the Corporation will assess:
(a) Your program design;

(b) Your organizational capability; and

(c) Your program’s cost-effectiveness and budget adequacy.

§2522.425 [Reserved]

§2522.430 [Reserved]

§2522.435 [Reserved]

§2522.440 What weight does the Corporation give to each category of the basic criteria?

In evaluating applications, the Corporation assigns the following weights for each category:

<table>
<thead>
<tr>
<th>Category</th>
<th>Percentage</th>
</tr>
</thead>
<tbody>
<tr>
<td>Program design</td>
<td>50</td>
</tr>
<tr>
<td>Organizational capability</td>
<td>25</td>
</tr>
<tr>
<td>Cost-effectiveness and budget adequacy</td>
<td>25</td>
</tr>
</tbody>
</table>

§2522.445 [Reserved]

§2522.448 [Reserved]

§2522.450 What types of programs or program models may receive special consideration in the selection process?

Following the scoring of proposals under §2522.440 of this part, the Corporation will seek to ensure that its portfolio of approved programs includes a meaningful representation of proposals that address one or more of the following priorities:

(a) _Program models:_ (1) Programs operated by community organizations, including faith-based organizations, or programs that support the efforts of community organizations, including faith-based organizations, to solve local problems;

(2) Lower-cost professional corps programs, as defined in paragraph (a)(3) of §2522.110 of this chapter.

(b) _Program activities:_ (1) Programs that serve or involve children and youth, including mentoring of disadvantaged youth and children of prisoners;

(2) Programs that address educational needs, including those that carry out literacy and tutoring activities generally, and those that focus on reading for children in the third grade or younger;

(3) Programs that focus on homeland security activities that support and promote public safety, public health, and preparedness for any emergency, natural or man-made (this includes programs that help to plan, equip, train, and practice the response capabilities of many different response units ready to mobilize without warning for any emergency);
(4) Programs that address issues relating to the environment;

(5) Programs that support independent living for seniors or individuals with disabilities;

(6) Programs that increase service and service-learning on higher education campuses in partnership with their surrounding communities;

(7) Programs that foster opportunities for Americans born in the post-World War II baby boom to serve and volunteer in their communities; and

(8) Programs that involve community-development by finding and using local resources, and the capacities, skills, and assets of lower-income people and their community, to rejuvenate their local economy, strengthen public and private investments in the community, and help rebuild civil society.

c) Programs supporting distressed communities: Programs or projects that will be conducted in:

(1) A community designated as an empowerment zone or redevelopment area, targeted for special economic incentives, or otherwise identifiable as having high concentrations of low-income people;

(2) An area that is environmentally distressed, as demonstrated by Federal and State data;

(3) An area adversely affected by Federal actions related to managing Federal lands that result in significant regional job losses and economic dislocation;

(4) An area adversely affected by reductions in defense spending or the closure or realignment of military installation;

(5) An area that has an unemployment rate greater than the national average unemployment for the most recent 12 months for which State or Federal data are available;

(6) A rural community, as demonstrated by Federal and State data; or

(7) A severely economically distressed community, as demonstrated by Federal and State data.

d) Other programs: Programs that meet any additional priorities as the Corporation determines and disseminates in advance of the selection process.

§2522.455 How do I find out about additional priorities governing the selection process?

The Corporation posts discretionary funding opportunities addressing the Corporation’s selection preferences and additional requirements on our website at www.nationalservice.gov and at www.grants.gov in advance of grant competitions.

§2522.460 To what extent may the Corporation or a State commission consider priorities other than those stated in these regulations or the Notice of Funding Availability?

(a) The Corporation may give special consideration to a national service program submitted by a State commission that does not meet one of the Corporation’s priorities if the State commission adequately explains why the State is not able to carry out a program that meets one of the Corporation’s priorities, and why the program meets one of the State’s priorities.
(b) A State may apply priorities different than those of the Corporation in selecting its formula programs.

§2522.465 What information must a State commission submit on the relative strengths of applicants for State competitive funding?

(a) If you are a State commission applying for State competitive funding, you must prioritize the proposals you submit in rank order based on their relative quality and according to the following table:

<table>
<thead>
<tr>
<th>If you submit this number of state competitive proposals to the corporation</th>
<th>Then you must rank this number of proposals</th>
</tr>
</thead>
<tbody>
<tr>
<td>1 to 12</td>
<td>At least top 5.</td>
</tr>
<tr>
<td>13 to 24</td>
<td>At least top 10.</td>
</tr>
<tr>
<td>25 or more</td>
<td>At least top 15.</td>
</tr>
</tbody>
</table>

(b) While the rankings you provide will not be determinative in the grant selection process, and the Corporation will not be bound by them, we will consider them in our selection process.

§2522.470 What other factors or information may the Corporation consider in making final funding decisions?

(a) The Corporation will seek to ensure that our portfolio of AmeriCorps programs is programmatically, demographically, and geographically diverse and includes innovative programs, and projects in rural, high poverty, and economically distressed areas.

(b) In applying the selection criteria under §§2522.420 through 2522.435, the Corporation may, with respect to a particular proposal, also consider one or more of the following for purposes of clarifying or verifying information in a proposal, including conducting due diligence to ensure an applicant's ability to manage Federal funds:

1. For an applicant that has previously received a Corporation grant, any information or records the applicant submitted to the Corporation, or that the Corporation has in its system of records, in connection with its previous grant (e.g. progress reports, site visit reports, financial status reports, audits, HHS Account Payment Data Reports, Federal Cash Transaction Reports, timeliness of past reporting, etc.);

2. Program evaluations;

3. Member-related information from the Corporation's systems;

4. Other Corporation internal information, including information from the Office of Inspector General, administrative standards for State commissions, and reports on program training and technical assistance;

5. IRS Tax Form 990;

6. An applicant organization's annual report;
(7) Information relating to the applicant's financial management from Corporation records;

(8) Member satisfaction indicators;

(9) Publicly available information including:

(i) Socio-economic and demographic data, such as poverty rate, unemployment rate, labor force participation, and median household income;

(ii) Information on where an applicant and its activities fall on the U.S. Department of Agriculture's urban-rural continuum (Beale codes);

(iii) Information on the nonprofit and philanthropic community, such as charitable giving per capita;

(iv) Information from an applicant organization's website; and

(v) U.S. Department of Education data on Federal Work Study and Community Service; and

(10) Other information, following notice in the relevant Notice of Funding Availability, of the specific information and the Corporation's intention to be able to consider that information in the review process.

(c) Before approving a program grant to a State commission, the Corporation will consider a State commission's capacity to manage and monitor grants.

§2522.475 To what extent must I use the Corporation's selection criteria and priorities when selecting formula programs or operating sites?

You must ensure that the selection criteria you use include the following criteria:

(a) The quality of the national service program proposed to be carried out directly by the applicant or supported by a grant from the applicant.

(b) The innovative aspects of the national service program, and the feasibility of replicating the program.

(c) The sustainability of the national service program.

(d) The quality of the leadership of the national service program, the past performance of the program, and the extent to which the program builds on existing programs.

(e) The extent to which participants of the national service program are recruited from among residents of the communities in which projects are to be conducted, and the extent to which participants and community residents are involved in the design, leadership, and operation of the program.

(f) The extent to which projects would be conducted in one of the areas listed in §2522.450(c)(1) through (5) of this subpart.

(g) In the case of applicants other than States, the extent to which the application is consistent with the application of the State in which the projects would be conducted.
(h) Such other criteria as the Corporation considers to be appropriate, following appropriate notice.

§2522.480  Can a State's application for formula funds be rejected?

Yes. Formula funds are not an entitlement.

(a) Notification. If the Corporation rejects an application submitted by a State Commission under part 2550 of this chapter for funds described in §2521.30 of this chapter, the Corporation will promptly notify the State Commission of the reasons for the rejection of the application.

(b) Revision. The Corporation will provide a State Commission notified under paragraph (a) of this section with a reasonable opportunity to revise and resubmit the application. At the request of the State Commission, the Corporation will provide technical assistance to the State Commission as part of the resubmission process. The Corporation will promptly reconsider an application resubmitted under this paragraph.

(c) Redistribution. The amount of any State's allotment under §2521.30(a) of this chapter for a fiscal year that the Corporation determines will not be provided for that fiscal year will be available for redistribution by the Corporation to the States, Territories and Indian Tribes with approved AmeriCorps applications as the Corporation deems appropriate.

§2522.485  How do I calculate my program’s budgeted Corporation cost per member service year (MSY)?

If you are an AmeriCorps national and community service program, you calculate your Corporation cost per MSY by dividing the Corporation's share of budgeted grant costs by the number of member service years you are awarded in your grant. You do not include child-care or the cost of the education award a member may earn through serving with your program.

Subpart E—Evaluation Requirements

§2522.500  What is the purpose of this subpart?

(a) This subpart sets forth the minimum performance measures and evaluation requirements that you as a Corporation applicant or grantee must follow.

(b) The performance measures that you, as an applicant, propose when you apply will be considered in the review process and may affect whether the Corporation selects you to receive a grant. Your performance related to your approved measures will influence whether you continue to receive funding.

(c) Performance measures and evaluations are designed to strengthen your AmeriCorps program and foster continuous improvement, and help identify best practices and models that merit replication, as well as programmatic weaknesses that need attention.

§2522.510  To whom does this subpart apply?

This subpart applies to you if you are a Corporation grantee administering an AmeriCorps grant, including an Education Award Program grant, or if you are applying to receive AmeriCorps funding from the Corporation.
§2522.520 What special terms are used in this subpart?

The following definitions apply to terms used in this subpart of the regulations:

(a) Approved application means the application approved by the Corporation or, for formula programs, by a State commission.

(b) Community beneficiaries refers to persons who receive services or benefits from a program, but not to AmeriCorps members or to staff of the organization operating the program.

(c) Outputs are the amount or units of service that members or volunteers have completed, or the number of community beneficiaries the program has served. Outputs do not provide information on benefits or other changes in communities or in the lives of members or community beneficiaries. Examples of outputs could include the number of people a program tutors, counsels, houses, or feeds.

(d) Intermediate-outcomes specify a change that has occurred in communities or in the lives of community beneficiaries or members, but is not necessarily a lasting benefit for them. They are observable and measurable indications of whether or not a program is making progress and are logically connected to end outcomes. An example would be the number and percentage of students who report reading more books as a result of their participation in a tutoring program.

(e) Internal evaluation means an evaluation that a grantee performs in-house without the use of an independent external evaluator.

(f) End-outcomes specify a change that has occurred in communities or in the lives of community beneficiaries or members that is significant and lasting. These are actual benefits or changes for participants during or after a program. For example, in a tutoring program, the end outcome could be the percent and number of students who have improved their reading scores to grade-level, or other specific measures of academic achievement.

(g) Grantee includes subgrantees, programs, and projects.

(h) National performance measures are performance measures that the Corporation develops.

(i) You refers to a grantee or applicant organization.

§2522.530 May I use the Corporation’s program grant funds for performance measurement and evaluation?

If performance measurement and evaluation costs were approved as part of your grant, you may use your program grant funds to support them, consistent with the level of approved costs for such activities in your grant award.

§2522.540 Do the costs of performance measurement or evaluation count towards the statutory cap on administrative costs?

No, the costs of performance measurement and evaluation do not count towards the statutory five percent cap on administrative costs in the grant, as provided in §2540.110 of this chapter.
§2522.550 What basic requirements must I follow in measuring performance under my grant?

All grantees must establish, track, and assess performance measures for their programs. As a grantee, you must ensure that any program under your oversight fulfills performance measure and evaluation requirements. In addition, you must:

(a) Establish ambitious performance measures in consultation with the Corporation, or the State commission, as appropriate, following §§2422.560 through 2422.660 of this subpart;

(b) Ensure that any program under your oversight collects and organizes performance data on an ongoing basis, at least annually;

(c) Ensure that any program under your oversight tracks progress toward meeting your performance measures;

(d) Ensure that any program under your oversight corrects performance deficiencies promptly; and

(e) Accurately and fairly present the results in reports to the Corporation.

§2522.560 What are performance measures and performance measurement?

(a) Performance measures are measurable indicators of a program's performance as it relates to member service activities.

(b) Performance measurement is the process of regularly measuring the services provided by your program and the effect your program has in communities or in the lives of members or community beneficiaries.

(c) The main purpose of performance measurement is to strengthen your AmeriCorps program and foster continuous improvement and to identify best practices and models that merit replication. Performance measurement will also help identify programmatic weaknesses that need attention.

§2522.570 What information on performance measures must my grant application include?

You must submit all of the following as part of your application for each program:

(a) Proposed performance measures, as described in §2522.580 and §2522.590 of this part.

(b) Estimated performance data for the program years for which you submit your application; and

(c) Actual performance data, where available, as follows:

(i) For continuation programs, performance data over the course of the grant to date; and

(ii) For recompeting programs, performance data for the preceding three-year grant cycle.

§2522.580 What performance measures am I required to submit to the Corporation?

(a) When applying for funds, you must submit, at a minimum, the following performance measures:
(1) One set of aligned performance measures (one output, one intermediate-outcome, and one end-outcome) that capture the results of your program's primary activity, or area of significant activity for programs whose design precludes identifying a primary activity; and

(2) Any national performance measures the Corporation may require, as specified in paragraph (b) of §2522.590.

(b) For example, a tutoring program might use the following aligned performance measures:

(1) Output: Number of students that participated in a tutoring program;

(2) Intermediate-Outcome: Percent of students reading more books; and

(3) End-Outcome: Number and percent of students who have improved their reading score to grade level.

(c) The Corporation encourages you to exceed the minimum requirements expressed in this section and expects, in second and subsequent grant cycles, that you will more fully develop your performance measures, including establishing multiple performance indicators, and improving and refining those you used in the past. Any performance measures you submit beyond what is required in paragraph (a)(1) of this section may or may not be aligned sets of measures.

§2522.590 Who develops my performance measures?

(a) You are responsible for developing your program-specific performance measures through your own internal process.

(b) In addition, the Corporation may, in consultation with grantees, establish performance measures that will apply to all Corporation-sponsored programs, which you will be responsible for collecting and meeting.

§2522.600 Who approves my performance measures?

(a) The Corporation will review and approve performance measures, as part of the grant application review process, for all non-formula programs. If the Corporation selects your application for funding, the Corporation will approve your performance measures as part of your grant award.

(b) If you are a program submitting an application under the State formula category, the applicable State commission is responsible for reviewing and approving your performance measures. The Corporation will not separately approve these measures.

§2522.610 What is the difference in performance measurements requirements for competitive and formula programs?

(a) Except as provided in paragraph (b) of this section, State commissions are responsible for making the final determination of performance measures for State formula programs, while the Corporation makes the final determination for all other programs.
(b) The Corporation may, through the State commission, require that formula programs meet certain national performance measures above and beyond what the State commission has individually negotiated with its formula grantees.

(c) While State commissions must hold their sub-grantees responsible for their performance measures, a State commission, as a grantee, is responsible to the Corporation for its formula programs' performance measures.

§2522.620 How do I report my performance measures to the Corporation?

The Corporation sets specific reporting requirements, including frequency and deadlines, for performance measures in the grant award.

(a) In general, you are required to report on the actual results that occurred when implementing the grant and to regularly measure your program's performance.

(b) Your report must include the results on the performance measures approved as part of your grant award.

(c) At a minimum you are required to report on outputs at the end of year one and outputs and intermediate outcomes at the end of years two and three. We encourage you to exceed these minimum requirements.

§2522.630 What must I do if I am not able to meet my performance measures?

If you are not on track to meet your performance measures, you must develop and submit to the Corporation, or the State commission for formula programs, a corrective action plan, consistent with paragraph (a) of this section, or submit a request to the Corporation, or the State commission for formula programs, consistent with paragraph (b) of this section, to amend your requirements under the circumstances described in §2522.640 of this subpart.

(a) Your corrective action plan must be in writing and include all of the following:

(1) The factors impacting your performance goals;

(2) The strategy you are using and corrective action you are taking to get back on track toward your established performance measures; and

(3) The timeframe in which you plan to achieve getting back on track with your performance measures.

(b) A request to amend your performance measures must include all of the following:

(1) Why you are not on track to meet your performance requirements;

(2) How you have been tracking performance measures;

(3) Evidence of the corrective action you have taken;

(4) Any new proposed performance measures or targets; and
(5) Your plan to ensure that you meet any new measures.

(c) You must submit your plan under paragraph (a) of this section, or your request under paragraph (b) of this section, within 30 days of determining that you are not on track to meeting your performance measures.

(d) If you are a formula program, the State commission that approves the plan under paragraph (a) of this section or the request to amend your performance measures under paragraph (b) of this section, must forward an information copy to the Corporation's AmeriCorps program office within 15 days of approving the plan or the request.

§2522.640 Under what circumstances may I change my performance measures?

(a) You may change your performance measures only if the Corporation or, for formula programs, the State commission, approves your request to do so based on your need to:

(1) Adjust your performance measure or target based on experience so that your program’s goals are more realistic and manageable;

(2) Replace a measure related to one issue area with one related to a different issue area that is more aligned with your program service activity. For example, you may need to replace an objective related to health with one related to the environment;

(3) Redefine the service that individuals perform under the grant. For example, you may need to define your service as tutoring adults in English, as opposed to operating an after-school program for third-graders;

(4) Eliminate an activity because you have been unable to secure necessary matching funding; or

(5) Replace one measure with another. For example, you may decide that you want to replace one measure of literacy tutoring (increased attendance at school) with another (percentage of students who are promoted to the next grade level).

(b) [Reserved]

§2522.650 What happens if I fail to meet the performance measures included in my grant?

(a) If you are significantly under-performing based on the performance measures approved in your grant, or fail to collect appropriate data to allow performance measurement, the Corporation, or the State commission for formula grantees, may specify a period of correction, after consulting with you. As a grantee, you must report results at the end of the period of correction. At that point, if you continue to under-perform, or fail to collect appropriate data to allow performance measurement, the Corporation may take one or more of the following actions:

(1) Reduce the amount of your grant;

(2) Suspend or terminate your grant;

(3) Use this information to assess any application from your organization for a new AmeriCorps grant or a new grant under another program administered by the Corporation;
(4) Amend the terms of any Corporation grants to your organization; or

(5) Take other actions that the Corporation deems appropriate.

(b) If you are a State commission whose formula program(s) is significantly under-performing or failing to collect appropriate data to allow performance measurement, we encourage you to take action as delineated in paragraph (a) of this section.

**EVALUATING PROGRAMS: REQUIREMENTS AND PROCEDURES**

§2522.700 How does evaluation differ from performance measurement?

(a) Evaluation is a more in-depth, rigorous effort to measure the impact of programs. While performance measurement and evaluation both include systematic data collection and measurement of progress, evaluation uses scientifically-based research methods to assess the effectiveness of programs by comparing the observed program outcomes with what would have happened in the absence of the program. Unlike performance measures, evaluations estimate the impacts of programs by comparing the outcomes for individuals receiving a service or participating in a program to the outcomes for similar individuals not receiving a service or not participating in a program. For example, an evaluation of a literacy program may compare the reading ability of students in a program over time to a similar group of students not participating in a program.

(b) Performance measurement is the process of systematically and regularly collecting and monitoring data related to the direction of observed changes in communities, participants (members), or end beneficiaries receiving your program's services. It is intended to provide an indication of your program's operations and performance. In contrast to evaluation, it is not intended to establish a causal relationship between your program and a desired (or undesired) program outcome. For example, a performance measure for a literacy program may include the percentage of students receiving services from your program who increase their reading ability from "below grade level" to "at or above grade level". This measure indicates something good is happening to your program's service beneficiaries, but it does not indicate that the change can be wholly attributed to your program's services.

§2522.710 What are my evaluation requirements?

(a) If you are a State commission, you must establish and enforce evaluation requirements for your State formula subgrantees, as you deem appropriate.

(b) If you are a State competitive or direct Corporation AmeriCorps grantee (other than an Education Award Program grantee), and your average annual Corporation program grant is $500,000 or more, you must arrange for an independent evaluation of your program, and you must submit the evaluation with any application to the Corporation for competitive funds as required in §2522.730 of this subpart.

(c) If you are a State competitive or direct Corporation AmeriCorps grantee whose average annual Corporation program grant is less than $500,000, or an Education Award Program grantee, you must conduct an internal evaluation of your program, and you must submit the evaluation with any application to the Corporation for competitive funds as required in §2522.730 of this subpart.

(d) The Corporation may, in its discretion, supersede these requirements with an alternative evaluation approach, including one conducted by the Corporation at the national level.
(e) Grantees must cooperate fully with all Corporation evaluation activities.

§2522.720  How many years must my evaluation cover?

(a) If you are a State formula grantee, you must conduct an evaluation, as your State commission requires.

(b) If you are a State competitive or direct Corporation grantee, your evaluation must cover a minimum of one year but may cover longer periods.

§2522.730  How and when do I submit my evaluation to the Corporation?

(a) If you are an existing grantee recompeting for AmeriCorps funds for the first time, you must submit a summary of your evaluation efforts or plan to date, and a copy of any evaluation that has been completed, as part of your application for funding.

(b) If you again compete for AmeriCorps funding after a second three-year grant cycle, you must submit the completed evaluation with your application for funding.

§2522.740  How will the Corporation use my evaluation?

The Corporation will consider the evaluation you submit with your application as follows:

(a) If you do not include with your application for AmeriCorps funding a summary of the evaluation, or the evaluation itself, as applicable, under §2522.730, the Corporation reserves the right to not consider your application.

(b) If you do submit an evaluation with your application, the Corporation will consider the results of your evaluation in assessing the quality and outcomes of your program.

§2522.800  How will the Corporation evaluate individual AmeriCorps programs?

The Corporation will evaluate programs based on the following: (a) The extent to which the program meets the objectives established and agreed to by the grantee and the Corporation before the grant award;

(b) The extent to which the program is cost-effective; and

(c) The effectiveness of the program in meeting the following legislative objectives: (1) Providing direct and demonstrable services and projects that benefit the community by addressing educational, public safety, human, or environmental needs;

(2) Recruiting and enrolling diverse participants consistent with the requirements of part 2540 of this chapter, based on economic background, race, ethnicity, age, gender, marital status, education levels, and disability;

(3) Promoting the educational achievement of each participant based on earning a high school diploma or its equivalent and future enrollment in and completion of increasingly higher levels of education;
(4) Encouraging each participant to engage in public and community service after completion of the program based on career choices and participation in other service programs;

(5) Promoting an ethic of active and productive citizenship among participants;

(6) Supplying additional volunteer assistance to community agencies without providing more volunteers than can be effectively utilized;

(7) Providing services and activities that could not otherwise be performed by employed workers and that will not supplant the hiring of, or result in the displacement of, employed workers; and

(8) Other criteria determined and published by the Corporation.

§2522.810 What will the Corporation do to evaluate the overall success of the AmeriCorps programs?

(a) The Corporation will conduct independent evaluations of programs, including in-depth studies of selected programs. These evaluations will consider the opinions of participants and members of the community where services are delivered. Where appropriate these studies will compare participants with individuals who have not participated in service programs. These evaluations will: (1) Study the extent to which the national service impacts involved communities;

(2) Study the extent to which national service increases positive attitudes among participants regarding the responsibilities of citizens and their role in solving community problems;

(3) Study the extent to which national service enables participants to afford post-secondary education with fewer student loans;

(4) Determine the costs and effectiveness of different program models in meeting program objectives including full- and part-time programs, programs involving different types of national service, programs using different recruitment methods, programs offering alternative non-federally funded vouchers or post-service benefits, and programs utilizing individual placements and teams;

(5) Determine the impact of programs in each State on the ability of VISTA and National Senior Volunteer Corps, each regular and reserve component of the Armed Forces, and the Peace Corps to recruit individuals residing in that State; and

(6) Determine the levels of living allowances paid in all AmeriCorps programs and American Conservation and Youth Corps, individually, by State, and by region and determine the effects that such living allowances have had on the ability of individuals to participate in such programs.

(b) The Corporation will also determine by June 30, 1995: (1) Whether the State and national priorities designed to meet educational, public safety, human, or environmental needs are being addressed;

(2) Whether the outcomes of both stipended and nonstipended service programs are defined and measured appropriately;

(3) Whether stipended service programs, and service programs providing educational benefits in return for service, should focus on economically disadvantaged individuals or at risk youth, or whether
such programs should include a mix of individuals, including individuals from middle and upper income families;

(4) The role and importance of stipends and educational benefits in achieving desired outcomes in the service programs;

(5) The income distribution of AmeriCorps participants, to determine the level of participation of economically disadvantaged individuals. The total income of participants will be determined as of the date the participant was first selected to participate in a program and will include family total income unless the evaluating entity determines that the participant was independent at the time of selection. Definitions for “independent” and “total income” are those used in section 480(a) of the Higher Education Act of 1965;

(6) The amount of assistance provided under the AmeriCorps programs that has been expended for projects conducted in areas classified as empowerment zones (or redevelopment areas), in areas that are targeted for special economic incentives or are otherwise identifiable as having high concentrations of low-income people, in areas that are environmentally distressed or adversely affected by Federal actions related to the management of Federal lands, in areas that are adversely affected by reductions in defense spending, or in areas that have an unemployment rate greater than the national average unemployment rate for the most recent 12 months for which satisfactory data are available; and

(7) The implications of the results of these studies as appropriate for authorized funding levels.

§2522.820 Will information on individual participants be kept confidential?

(a) Yes. The Corporation will maintain the confidentiality of information regarding individual participants that is acquired for the purpose of the evaluations described in §2522.540. The Corporation will disclose individual participant information only with the prior written consent of the participant. However, the Corporation may disclose aggregate participant information.

(b) Grantees and subgrantees that receive assistance under this chapter must comply with the provisions of paragraph (a) of this section.

Subpart F—Program Management Requirements for Grantees

§2522.900 What definitions apply to this subpart?

Tutor is defined as someone whose primary goal is to increase academic achievement in reading or other core subjects through planned, consistent, one-to-one or small-group sessions and activities that build on the academic strengths of students in kindergarten through 12th grade, and target their academic needs. A tutor does not include someone engaged in other academic support activities, such as mentoring and after-school program support, whose primary goal is something other than increasing academic achievement. For example, providing a safe place for children is not tutoring, even if some of the program activities focus on homework help.

§2522.910 What basic qualifications must an AmeriCorps member have to serve as a tutor?

<table>
<thead>
<tr>
<th>If the tutor is:</th>

§2522.930 [Reserved]

§2522.940 What are the requirements for a program in which AmeriCorps members serve as tutors?

A program in which members engage in tutoring for children must:

(a) Articulate appropriate criteria for selecting and qualifying tutors, including the requirements in §2522.910 of this subpart, and certify that selected tutors meet the requirements in §2522.910.

(b) Identify the strategies or tools it will use to assess student progress and measure student outcomes;

(c) Certify that the tutoring curriculum and pre-service and in-service training content are high-quality and research-based, consistent with the instructional program of the local educational agency and with State academic content standards.

(d) Include appropriate member supervision by individuals with expertise in tutoring; and

(e) Provide specialized high-quality and research-based, member pre-service and in-service training consistent with the activities the member will perform.

§2522.950 What requirements and qualifications apply if my program focuses on supplemental academic support activities other than tutoring?

(a) If your program does not involve tutoring as defined in §2522.900 of this subpart, the Corporation will not impose the requirements in §2522.910 through §2522.940 of this subpart on your program.

(b) At a minimum, you must articulate in your application how you will recruit, train, and supervise members to ensure that they have the qualifications and skills necessary to provide the service activities in which they will be engaged.

PART 2523—AGreements WITH OTHER FEDERAL AGENCIES FOR THE PROVISION OF AMERICorps PROGRAM ASSISTANCE
§2523.10 Are Federal agencies eligible to apply for AmeriCorps program funds?

Yes. Federal agencies may apply for and receive AmeriCorps funds under parts 2521 and 2522 of this chapter, and they are eligible to receive up to one-third of the funds available for competitive distribution under §2521.30(b)(3) of this chapter. The Corporation may enter into a grant, contract or cooperative agreement with another Federal agency to support an AmeriCorps program carried out by the agency. The Corporation may transfer funds available to it to other Federal agencies.

§2523.20 Which Federal agencies may apply for such funds?

The Corporation will consider applications only from Executive Branch agencies or departments. Bureaus, divisions, and local and regional offices of such departments and agencies can only apply through the central department or agency; however, it is possible for the department or agency to submit an application proposing more than one program.

§2523.30 Must Federal agencies meet the requirements imposed on grantees under parts 2521 and 2522 of this chapter?

Yes, except as provided in §2523.90. Federal agency programs must meet the same requirements and serve the same purposes as all other applicants seeking support under part 2522 of this chapter.

§2523.40 For what purposes should Federal agencies use AmeriCorps program funds?

AmeriCorps funds should enable Federal agencies to establish programs that leverage agencies’ existing resources and grant-making powers toward the goal of integrating service more fully into agencies’ programs and activities. Agencies should plan to ultimately support new service initiatives out of their own budgets and appropriations.

§2523.50 What types of funds are Federal agencies eligible to receive?

Federal agencies may apply for planning and operating funds subject to the terms established by the Corporation in §2521.20 of this chapter, except that operating grants will be awarded with the expectation that the Federal agencies will support the proposed programs from their own budgets once the Corporation grant(s) expire.

§2523.60 May Federal agencies enter into partnerships or participate in consortia?

Yes. Such partnerships or consortia may consist of other Federal agencies, Indian Tribes, subdivisions of States, community based organizations, institutions of higher education, or other non-profit organizations. Partnerships and consortia must be approved by the Corporation.

§2523.70 Will the Corporation give special consideration to Federal agency applications that address certain needs?

Yes. The Corporation will give special consideration to those applications that address the national priorities established by the Corporation. The Corporation may also give special consideration to those applications that demonstrate the agency's intent to leverage its own funds through a Corporation-approved partnership or consortium, by raising other funds from Federal or non-Federal sources, by giving grantees incentives to build service opportunities into their programs, by committing appropriate in-kind resources, or by other means.

§2523.80 Are there restrictions on the use of Corporation funds?

This consolidated document is a reference to facilitate searching for particular topics. While efforts are made to keep information current, please consult the primary sources for the most up-to-date information and for confirmation.
Yes. The supplantation and nondisplacement provisions specified in part 2540 of this chapter apply to the Federal AmeriCorps programs supported with such assistance.

§2523.90 Is there a matching requirement for Federal agencies?

No. A Federal agency is not required to match funds in programs that receive support under this chapter. However, Federal agency subgrantees are required to match funds in accordance with the requirements of §2521.30(g) and §2522.240(b)(6) of this chapter.

§2523.100 Are participants in programs operated by Federal agencies Federal employees?

No. Participants in these programs have the same employee status as participants in other approved AmeriCorps programs, and are not considered Federal employees, except for the purposes of

§2523.110 Can Federal agencies submit multiple applications?

No. The Corporation will only consider one application from a Federal agency for each AmeriCorps competition. The application may propose more than one program, however, and the Corporation may choose to fund any or all of those programs.

§2523.120 Must Federal agencies consult with State Commissions?

Yes. Federal agencies must provide a description of the manner in which the proposed AmeriCorps program(s) is coordinated with the application of the State in which the projects will be conducted. Agencies must also describe proposed efforts to coordinate AmeriCorps activities with State Commissions and other funded AmeriCorps programs within the State in order to build upon existing programs and not duplicate efforts.

PART 2524—AMERICORPS TECHNICAL ASSISTANCE AND OTHER SPECIAL GRANTS

§2524.10 For what purposes will technical assistance and training funds be made available?

(a) To the extent appropriate and necessary, the Corporation may make technical assistance available to States, Indian tribes, labor organizations, religious organizations, organizations operated by young adults, organizations serving economically disadvantaged individuals, and other entities eligible to apply for assistance under parts 2521 and 2522 of this chapter that desire—

(1) To develop AmeriCorps programs; or

(2) To apply for assistance under parts 2521 and 2522 of this chapter or under a grant program conducted using such assistance.

(b) In addition, the Corporation may provide program development assistance and conduct, directly or by grant or contract, appropriate training programs regarding AmeriCorps in order to—

(1) Improve the ability of AmeriCorps programs assisted under parts 2521 and 2522 of this chapter to meet educational, public safety, human, or environmental needs in communities—

(ii) Where services are needed most; and

(ii) Where programs do not exist, or are too limited to meet community needs, as of the date on which the Corporation makes the grant or enters into the contract;
(2) Promote leadership development in such programs;

(4) Develop the management and budgetary skills of program operators;

(c) **Application requirements.** Eligible applicants must comply with the requirements specified in the Corporation's application package.

§2524.30 What are the guidelines for challenge grants?

(a) **Purpose.** The purpose of these grants is to challenge high quality AmeriCorps programs to diversify their funding base by matching private dollars they have raised with Corporation support. The Corporation will provide not more than $1 for each $1 raised in cash by the program from private sources in excess of amounts otherwise required to be provided by the program to satisfy the matching funds requirements specified under §2521.30(g) of this chapter.

(b) **Eligibility.** Only Corporation grantees that meet all of the following eligibility criteria may apply for challenge grants: (1) They are funded under parts 2520 through 2523 of this chapter.

(2) They are high quality programs with demonstrated experience in establishing and implementing projects that provide benefits to participants and communities.

(3) They have operated with Corporation funds for at least six months.

(4) They have secured the minimum matching funds required by §§2521.30(g), 2522.240(b)(6), 2522.250(a)(4), and 2522.250(b)(2) of this chapter.

(d) **Application procedures.** Eligible applicants must comply with the requirements specified in the Corporation's application materials.

(e) **Limitation on use of the funds.** Each year the Corporation will establish a maximum award that a program may receive as a challenge grant.
(f) Allocation of funds. The Corporation will determine annually how much funding will be allocated to challenge grants from funds appropriated for AmeriCorps programs.

§2524.40 What are the guidelines for grants to involve persons with disabilities?

(a) Purpose. There are two general purposes for these grants: (1) To assist AmeriCorps grantees in placing applicants who require reasonable accommodation (as defined in section 101(9) of the Americans With Disabilities Act of 1990, 42 U.S.C. 12111(9)) or auxiliary aids and services (as defined in section 3(1) of such Act, 42 U.S.C. 12102(1)) in an AmeriCorps program; and

(2) To conduct outreach activities to individuals with disabilities to recruit them for participation in AmeriCorps programs.

(b) Eligibility—(1) Placement, accommodation, and auxiliary services. Eligibility for assistance under this part is limited to AmeriCorps programs that: (i) Receive competitive funding from the Corporation under §2521.30(a)(3) or 2521.30(b)(3) of this chapter; and

(ii) Demonstrate that the program has received a substantial number of applications for placement from persons who are individuals with a disability and who require a reasonable accommodation (as defined in section 101(9) of the Americans with Disabilities Act of 1990), or auxiliary aids and services (as defined in section 3(1) of such Act) in order to perform national service; and

(iii) Demonstrate that additional funding would assist the program in placing a substantial number of such individuals with a disability as participants in projects carried out through the program.

(2) Outreach. Corporation grantees and any public or private nonprofit organization may apply for funds to conduct outreach to individuals with disabilities to recruit them for participation in AmeriCorps programs. Outreach funds can also be used by any organization to assist AmeriCorps programs in adapting their programs to encourage greater participation by individuals with disabilities.

(c) Application procedures. Eligible applicants must comply with the requirements specified in the Corporation's application materials.

§2524.50 What are the guidelines for assistance with disaster relief?

(a) Purpose. Disaster relief funds are intended to provide emergency assistance not otherwise available to enable national and community service programs to respond quickly and effectively to a Presidentially-declared disaster.

(b) Eligibility. Any AmeriCorps program (including youth corps, the National Civilian Community Corps, VISTA, and other programs authorized under the Domestic Volunteer Services Act) or grant making entity (such as a State or Federal agency) that is supported by the Corporation may apply for disaster relief grants.

(c) Application process. Eligible applicants must comply with the requirements specified in the Corporation's application materials.

(d) Waivers. In appropriate cases, due to the limited nature of disaster activities, the Corporation may waive specific program requirements such as matching requirements and the provision of AmeriCorps educational awards for participants supported with disaster relief funds.
PART 2525—NATIONAL SERVICE TRUST: PURPOSE AND DEFINITIONS

§2525.10 What is the National Service Trust?

(c) **Written declaration regarding high school diploma sufficient for disbursement.** For purposes of disbursing an education award, if an individual provides a written declaration under penalty of law that he or she meets the requirements in paragraph (b) of this section relating to high school education, no additional documentation is needed.

(d) **Prohibition on duplicate benefits.** An individual who receives a post-service benefit in lieu of an education award may not receive an education award for the same term of service.

(e) **Penalties for false information.** Any individual who makes a materially false statement or representation in connection with the approval or disbursement of an education award or other payment from the National Service Trust may be liable for the recovery of funds and subject to civil and criminal sanctions.

§2526.15 Upon what basis may an organization responsible for the supervision of a national service participant certify that the individual successfully completed a term of service?

(a) An organization responsible for the supervision of an individual serving in an AmeriCorps State and National position must determine whether an individual successfully completed a term of service based upon an end-of-term evaluation conducted pursuant to §2522.220(d).

(b) An organization responsible for the supervision of an individual serving in a program other than AmeriCorps State and National must determine whether an individual successfully completed a term of service based upon an end-of-term evaluation that examines whether the individual satisfies all of the following conditions:

1. Completed the required number of service hours for the term of service;

2. Satisfactorily performed on assignments, tasks, or projects; and

3. Met any performance criteria as determined by the program and communicated to the member.

(c) A certification by the organization responsible for the supervision of an individual that the individual did or did not successfully complete a term of service will be deemed to incorporate an end-of-term evaluation.

§2526.20 Is an AmeriCorps participant who does not complete an originally-approved term of service eligible to receive a pro-rated education award?
(a) **Compelling personal circumstances.** A participant in an approved AmeriCorps position who is released prior to completing an approved term of service for compelling personal circumstances in accordance with §2522.230(a) is eligible for a pro-rated education award if the participant—

(1) Performed satisfactorily prior to being granted a release for compelling personal circumstances; and

(2) Completed at least 15 percent of the originally-approved term of service.

(b) **Release for cause.** A participant who is released prior to completing an originally-approved term of service for cause is not eligible for any portion of an education award.

§2526.25 **Is a participant in an approved Summer of Service position or approved Silver Scholar position who does not complete an approved term of service eligible to receive a pro-rated education award?**

No. An individual released for any reason prior to completing an approved term of service in a Silver Scholar or Summer of Service position is not eligible to receive a pro-rated award.

§2526.30 **How do convictions for the possession or sale of controlled substances affect an education award recipient's ability to use that award?**

(a) Except as provided in paragraph (b) of this section, a recipient of an education award who is convicted under pertinent Federal or State law of the possession or sale of a controlled substance is not eligible to use his or her education award from the date of the conviction until the end of a specified time period, which is determined based on the type of conviction as follows:

(1) For conviction of the possession of a controlled substance, the ineligibility periods are—

(i) One year for a first conviction;

(ii) Two years for a second conviction; and

(iii) For a third or subsequent conviction, indefinitely, as determined by the Corporation according to the following factors—

(A) Type of controlled substance;

(B) Amount of controlled substance;

(C) Whether firearms or other dangerous weapons were involved in the offense;

(D) Nature and extent of any other criminal record;

(E) Nature and extent of any involvement in trafficking of controlled substances;

(F) Length of time between offenses;

(G) Employment history;

(H) Service to the community;
(I) Recommendations from community members and local officials, including experts in substance abuse and treatment; and

(J) Any other relevant aggravating or ameliorating circumstances.

(2) For conviction of the sale of a controlled substance, the ineligibility periods are—

(i) Two years for a first conviction; and

(ii) Two years plus such additional time as the Corporation determines as appropriate for second and subsequent convictions, based on the factors set forth in paragraphs (a)(1)(iii) (A) through (J) of this section.

(b) (1) If the Corporation determines that an individual who has had his or her eligibility to use the education award suspended pursuant to paragraph (a) of this section has successfully completed a legitimate drug rehabilitation program, or in the case of a first conviction that the individual has enrolled in a legitimate drug rehabilitation program, the individual's eligibility to use the education award will be restored.

(2) In order for the Corporation to determine that the requirements of paragraph (b)(1) of this section have been met—

(i) The drug rehabilitation program must be recognized as legitimate by appropriate Federal, State or local authorities; and

(ii) The individual's enrollment in or successful completion of the legitimate drug rehabilitation program must be certified by an appropriate official of that program.

§2526.40 What is the time period during which an individual may use an education award?

(a) General requirement. Unless the Corporation approves an extension in accordance with the requirements of paragraph (b) of this section—

(1) An individual may use an AmeriCorps education award or a Silver Scholar education award within seven years of the date on which the individual successfully completed a term of service in an approved AmeriCorps or Silver Scholar position;

(2) An individual may use a Summer of Service education award within ten years of the date on which the individual successfully completed a term of service in an approved Summer of Service position;

(3) A designated individual who receives a transferred education award in accordance with §2530.10 may use the transferred education award within ten years of the date on which the individual who transferred the award successfully completed the term of service in an approved AmeriCorps or Silver Scholar position that is the basis of the award.

(b) Extensions. In order to receive an extension of the period of availability specified in paragraph (a) of this section for using an education award, an individual must apply to the Corporation for an extension prior to the end of that time period. The Corporation may grant an application for an extension under the following circumstances:

(1) If the Corporation determines that an individual was performing another term of service in an approved AmeriCorps, Summer of Service, or Silver Scholar position during the original period of
availability, the Corporation may grant an extension for a time period that is equivalent to the time period during which the individual was performing the other term of service.

(2) If the Corporation determines that an individual was unavoidably prevented from using the education award during the original period of availability, the Corporation may grant an extension for a period of time that the Corporation deems appropriate. An individual who is ineligible to use an education award as a result of the individual's conviction of the possession or sale of a controlled substance is not considered to be unavoidably prevented from using the education award for the purposes of this paragraph. In the case of a transferred award, an individual who is unable to use an education award as a result of being too young to enroll in an institution of higher education or other training establishment is not considered to be unavoidably prevented from using the education award.

§2526.50 Is there a limit on the total amount of education awards an individual may receive?

(a) General Limitation. No individual may receive more than an amount equal to the aggregate value of two full-time education awards.

(b) Calculation of the value of an education award. For the purposes of this section, the value of an education award is equal to the actual amount of the education award received divided by the amount of a full-time education award in the year the AmeriCorps or Silver Scholar position to which the award is attributed was approved. Each award received will be considered to have a value between 0 and 1. Although the amount of a full-time award as defined in §2527.10(a) may change, the value of a full-time award will always be equal to 1.

(c) Calculation of aggregate value of awards received. The aggregate value of awards received is equal to the sum of:

(1) The value of each education award received as a result of successful completion of an approved AmeriCorps position;

(2) The value of each partial education award received as a result of release from an approved AmeriCorps position for compelling personal circumstances;

(3) The value of each education award received as a result of successful completion of a term of service in an approved Silver Scholar position; and

(4) The value of any amount received as a transferred education award, except as provided in §2530.60(c).

(d) Determination of Receipt of Award. For purposes of determining the aggregate value of education awards, an award is considered to be received at the time it becomes available for an individual's use.

§2526.55 What is the impact of the aggregate value of education awards received on an individual's ability to serve in subsequent terms of service?

The aggregate value of education awards an individual has received will not impact an individual's ability to serve in a subsequent term of service, but will impact the amount of the education award the individual may receive upon successful completion of that term of service. If the award amount offered for the term of service has a value that, when added to the aggregate value of awards previously received, would exceed 2, upon successful completion of the term of service, the individual will only receive that portion of the award having a value for which the individual is eligible pursuant to §2527.10(g).
§2526.60 May an individual receive an education award and related interest benefits from the National Service Trust as well as other loan cancellation benefits for the same service?

An individual may not receive an education award and related interest benefits from the National Service Trust for a term of service and have that same service credited toward repayment, discharge, or cancellation of other student loans, except an individual may credit the service toward the Public Service Loan Forgiveness Program, as provided under 34 CFR §685.219.

§2526.70 What are the effects of an erroneous certification of successful completion of a term of service?

(a) If the Corporation determines that the certification made by a national service program under §2526.10(a)(2)(i), (2)(iii), or (2)(iv) is erroneous, the Corporation shall assess against the national service program a charge for the amount of any associated payment or potential payment from the National Service Trust, taking into consideration the full facts and circumstances surrounding the erroneous or incorrect certification.

(b) Nothing in this section shall prohibit the Corporation from taking any action authorized by law based upon any certification that is knowingly made in a false, materially misleading, or fraudulent manner.

PART 2527—DETERMINING THE AMOUNT OF AN EDUCATION AWARD

§2527.10 What is the amount of an education award?

(a) Full-time term of service. Except as provided in paragraph (g) of this section, the education award for a full-time term of service in an approved AmeriCorps position of at least 1,700 hours will be equal to the maximum amount of a Federal Pell Grant under Section 401 of the Higher Education Act of 1965 (20 U.S.C. 1070a) that a student eligible for such grant may receive in the aggregate for the award year in which the term of service is approved by the Corporation.

(b) Part-time term of service. Except as provided in paragraph (g), the education award for a part-time term of service in an approved AmeriCorps position of at least 900 hours is equal to one half of the amount of an education award amount for a full-time term of service described in paragraph (a) of this section.

(c) Reduced part-time term of service. Except as provided in paragraph (g), the education award for a reduced part-time term of service in an approved AmeriCorps position of fewer than 900 hours is:

(1) An amount equal to the product of:

(i) The number of hours of service required to complete the reduced part-time term of service divided by 900; and

(ii) The amount of the education award for a part-time term of service described in paragraph (b) of this section; or

(2) An amount as determined otherwise by the Corporation.

(d) Release for compelling personal circumstances. The education award for an individual who is released from completing an originally-approved term of service for compelling personal circumstances is equal to the product of—
(1) The number of hours completed divided by the number of hours in the originally-approved term of service; and

(2) The amount of the education award for the originally-approved term of service.

(e) **Summer of Service Education Award.** (1) *In general.* The education award for a term of service in an approved Summer of Service position for at least 100 hours is $500.

(2) *Exception.* The Corporation may authorize a Summer of Service education award of $750 if the participant is economically disadvantaged, as verified by the organization or school operating the Summer of Service program.

(f) **Silver Scholar Education Award.** Except as provided in paragraph (g) of this section, the education award for a term of service in an approved Silver Scholar position for at least 350 hours is $1,000.

(g) **Calculating discounted education award amount.** To ensure that an individual receives no more than the aggregate value of two awards, as determined pursuant to §2526.50, the discounted amount an individual is eligible to receive is determined by the following formula:

\[(2 - \text{aggregate value of awards the individual has received}) \times (\text{amount of a full-time education award in the year the position is approved})\]

**PART 2528—USING AN EDUCATION AWARD**

§2528.10 For what purposes may an education award be used?

(a) *Authorized uses.* An education award may be used—

(1) To repay qualified student loans in accordance with §2528.20;

(2) To pay all or part of the current educational expenses at an institution of higher education in accordance with §§2528.30 through 2528.50;

(3) To pay expenses incurred in enrolling in a G.I. Bill approved program, in accordance with §§2528.60-80.

(b) *Multiple uses.* An education award is divisible and may be applied to any combination of loans, costs, or expenses described in paragraph (a) of this section.

§2528.20 What steps are necessary to use an education award to repay a qualified student loan?

(a) *Required information.* Before disbursing an amount from an education award to repay a qualified student loan, the Corporation must receive—

(1) An individual’s written authorization and request for a specific payment amount;

(2) Identifying and other information from the holder of the loan as requested by the Corporation and necessary to ensure compliance with this part.

(b) *Payment.* When the Corporation receives the information required under paragraph (a) of this section, the Corporation will pay the holder of the loan and notify the individual of the payment.
(c) **Aggregate payments.** The Corporation may establish procedures to aggregate payments to holders of loans for more than a single individual.

§2528.30 What steps are necessary to use an education award to pay all or part of the current educational expenses at an institution of higher education?

(a) **Required information.** Before disbursing an amount from an education award to pay all or part of the current educational expenses at an institution of higher education, the Corporation must receive—

(1) An individual's written authorization and request for a specific payment amount;

(2) Information from the institution of higher education as requested by the Corporation, including verification that—

(i) It has in effect a program participation agreement under section 487 of the Higher Education Act of 1965 (20 U.S.C. 1094);

(ii) Its eligibility to participate in any of the programs under title IV of the Higher Education Act of 1965 has not been limited, suspended, or terminated;

(iii) If an individual who has used an education award withdraws or otherwise fails to complete the period of enrollment for which the education award was provided, the institution of higher education will ensure an appropriate refund to the Corporation of the unused portion of the education award under its own published refund policy, or if it does not have one, provide a pro-rata refund to the Corporation of the unused portion of the education award;

(iv) Individuals using education awards to pay for the current educational expenses at that institution do not comprise more than 15 percent of the institution's total student population;

(v) The amount requested will be used to pay all or part of the individual's cost of attendance or other educational expenses attributable to a course offered by the institution;

(vi) The amount requested does not exceed the difference between:

(A) The individual's cost of attendance and other educational expenses; and

(B) The individual's estimated student financial assistance for that period under part A of title IV of the Higher Education Act (20 U.S.C. 1070 et seq.).

(b) **Payment.** When the Corporation receives the information required under paragraph (a) of this section, the Corporation will pay the institution and notify the individual of the payment.

(c) **Installment payments.** The Corporation will disburse the education award to the institution of higher education in at least two separate installments, none of which exceeds 50 percent of the total amount. The interval between installments may not be less than one-half of the period of enrollment, except as necessary to permit the second installment to be paid at the beginning of the second semester, quarter, or other division of a period of enrollment.

§2528.40 Is there a limit on the amount of an individual's education award that the Corporation will disburse to an institution of higher education for a given period of enrollment?
Yes. The Corporation's disbursement from an individual's education award for any period of enrollment may not exceed the difference between—

(a) The individual's cost of attendance and other educational expenses, determined by the institution of higher education in accordance with section 472 of the Higher Education Act of 1965 (20 U.S.C. 1987ll); and

(b) The individual's estimated financial assistance for that period under part A of title IV of the Higher Education Act.

§2528.50 What happens if an individual withdraws or fails to complete the period of enrollment in an institution of higher education for which the Corporation has disbursed all or part of that individual's education award?

(a)(1) If an individual for whom the Corporation has disbursed education award funds withdraws or otherwise fails to complete a period of enrollment, an institution of higher education that receives a disbursement of education award funds from the Corporation must provide a refund to the Corporation in an amount determined under that institution's published refund requirements.

(2) If an institution for higher education does not have a published refund policy, the institution must provide a pro-rata refund to the Corporation of the unused portion of the education award.

(b) The Corporation will credit any refund received for an individual under paragraph (a) of this section to the individual's education award allocation in the National Service Trust.

§2528.60 Who may use the education award to pay expenses incurred in enrolling in a G.I. Bill approved program?

To use the education award to pay expenses for this purpose, you must have received an education award for successfully completing a term in an approved AmeriCorps position, approved Summer of Service position, or approved Silver Scholar position, in which you enrolled on or after October 1, 2009.

§2528.70 What steps are necessary to use an education award to pay expenses incurred in enrolling in a G.I. Bill approved program?

(a) Required Information. Before disbursing an amount from an education award for this purpose, the Corporation must receive—

(1) An individual's written authorization and request for a specific payment amount;

(2) Verification from the individual that the individual meets the criteria in §2528.60; and

(3) Information from the educational institution or training establishment as requested by the Corporation, including verification that—

(i) The amount requested will be used to pay all or part of the individual's expenses attributable to a course, program of education, apprenticeship, or job training offered by the institution or establishment;

(ii) The course(s) or program(s) for which the individual is requesting to use the education award has been and is currently approved by the State approving agency for the State where the institution or establishment is located, or by the Secretary of Veterans Affairs; and
(iii) If an individual who has used an education award withdraws or otherwise fails to complete the period of enrollment for which the education award was provided, the institution or establishment will ensure a pro-rata refund to the Corporation of the unused portion of the education award.

(b) Payment. When the Corporation receives the information required under paragraph (a) of this section, the Corporation will pay the institution or establishment and notify the individual of the payment.

§2528.80 What happens if an individual for whom the Corporation has disbursed education award funds withdraws or fails to complete the period of enrollment in a G.I. Bill approved program?

(b) The Corporation will credit any refund received for an individual under paragraph (a) of this section to the individual’s education award allocation in the National Service Trust.

PART 2529—PAYMENT OF ACCRUED INTEREST

§2529.10 Under what circumstances will the Corporation pay interest that accrues on qualified student loans during an individual’s term of service in an approved AmeriCorps position or approved Silver Scholar position?

(a) Eligibility. The Corporation will pay interest that accrues on an individual’s qualified student loan, subject to the limitation on amount in paragraph (b) of this section, if—

(1) The individual successfully completes a term of service in an approved AmeriCorps position or approved Silver Scholar position; and

(2) The holder of the loan approves the individual’s request for forbearance during the term of service.

(b) Amount. The percentage of accrued interest that the Corporation will pay is the lesser of—

(1) The product of—

(i) The number of hours of service completed divided by the number of days for which forbearance was granted; and

(ii) 365 divided by 17; and (2) 100.

(c) Supplemental to education award. A payment of accrued interest under this part is supplemental to an education award received by an individual under parts 2526 through 2528 of this chapter.

(d) Limitation. The Corporation is not responsible for the repayment of any accrued interest in excess of the amount determined in accordance with paragraph (b) of this section.

(e) Suspended service. The Corporation will not pay any interest expenses that accrue on an individual’s qualified student loan during a period of suspended service.
§2529.20 What steps are necessary to obtain forbearance in the repayment of a qualified student loan during an individual's term of service in an approved AmeriCorps position?

(a) An individual seeking forbearance must submit a request to the holder of the loan.

(b) If, before approving a request for forbearance, the holder of the loan requires verification that the individual is serving in an approved AmeriCorps position, the Corporation will provide verification upon a request from the individual or the holder of the loan.

§2529.30 What steps are necessary for using funds in the National Service Trust to pay interest that has accrued on a qualified student loan during a term of service for which an individual has obtained forbearance?

(a) The Corporation will make payments from the National Service Trust for interest that has accrued on a qualified student loan during a term of service which the individual has successfully completed and for which an individual has obtained forbearance, after the following:

(1) The program verifies that the individual has successfully completed the term of service and the dates upon which the term of service began and ended;

(2) The holder of the loan verifies the amount of interest that has accrued during the term of service.

(b) When the Corporation receives all necessary information from the program and the holder of the loan, the Corporation will pay the holder of the loan and notify the individual of the payment.

PART 2530—TRANSFER OF EDUCATION AWARDS

§2530.10 Under what circumstances may an individual transfer an education award?

An individual may transfer an education award if—

(a) The individual enrolled in an approved AmeriCorps State and National position or approved Silver Scholar position on or after October 1, 2009;

(b) The individual was age 55 or older on the day the individual commenced the term of service in an approved AmeriCorps State and National position or in approved Silver Scholar position;

(c) The individual successfully completed a term of service in an approved AmeriCorps State and National position or an approved Silver Scholar position;

(d) The award the individual is requesting to transfer has not expired, consistent with the period of availability set forth in §2526.40(a);

(e) The individual designated to receive the transferred award is the transferring individual's child, grandchild, or foster child; and

(f) The individual designated to receive the transferred award is a citizen, national, or lawful permanent resident alien of the United States.

§2530.20 For what purposes may a transferred award be used?
A transferred award may be used by a designated individual to repay qualified student loans or to pay current educational expenses at an institution of higher education, as described in §2528.10.

§2530.30 What steps are necessary to transfer an education award?

(a) Request for Transfer. Before transferring an award to a designated individual, the Corporation must receive a request from the transferring individual, including—

(1) The individual's written authorization to transfer the award, the year in which the award was earned, and the specific amount of the award to be transferred;

(2) Identifying information for the individual designated to receive the transferred award;

(3) A certification that the transferring individual meets the requirements of paragraphs (a) through (c) of §2530.10; and

(4) A certification that the designated individual is the child, grandchild, or foster child of the transferring individual.

(b) Notification to Designated Individual. Upon receipt of a request including all required information listed in paragraph (a) of this section, the Corporation will contact the designated individual to notify the individual of the proposed transfer, confirm the individual's identity, and give the individual the opportunity to accept or reject the transferred award.

(c) Acceptance by Designated Individual. To accept an award, a designated individual must certify that the designated individual is the child, grandchild, or foster child of the transferring individual and that the designated individual is a citizen, national, or lawful permanent resident alien of the United States. Upon receipt of the designated individual's acceptance, the Corporation will create or permit the creation of an account in the National Service Trust for the designated individual, if an account does not already exist, and the accepted amount will be deducted from the transferring individual's account and credited to the designated individual's account.

(d) Timing of transfer. The Corporation must receive the request from the transferring individual prior to the date the award expires.

§2530.40 Is there a limit on the number of individuals one may designate to receive a transferred award?

(a) General Limitation. For each award an individual earns as a result of successfully completing a single term of service, an individual may transfer all or part of the award to a single designated individual. An individual may not transfer a single award attributable to successful completion of a single term of service to more than one designated individual.

(b) Re-transfer. If a designated individual rejects a transferred award in full, or the Corporation otherwise determines that a transfer was revoked for good cause in accordance with §2530.80(c), the transferring individual may designate another individual to receive the transferred award.

§2530.50 Is there a limit on the amount of transferred awards a designated individual may receive?

Consistent with §2526.50, no individual may receive more than an amount equal to the value of two full-time education awards. If the sum of the value of the requested transfer plus the aggregate value of education awards a designated individual has previously received would exceed the aggregate value of
two full-time education awards, as determined pursuant to §2526.50(b), the designated individual will be deemed to have rejected that portion of the award that would result in the excess. If a designated individual has already received the aggregate value of two full-time education awards, the individual may not receive a transferred education award, and the designated individual will be deemed to have rejected the award in full.

§2530.60 What is the impact of transferring or receiving a transferred education award on an individual's eligibility to receive additional education awards?

(a) Impact on Transferring Individual. Pursuant to §2526.50, an award is considered to be received at the time it becomes available for an individual's use. Transferring all or part of an award does not reduce the aggregate value of education awards the transferring individual is considered to have received.

(b) Impact on Designated Individual. For the purposes of determining the value of the transferred education award under §2526.50, a designated individual will be considered to have received a value equal to the amount accepted divided by the amount of a full-time award in the year the transferring individual's position was approved.

(c) Result of revocation on award value. If the transferring individual revokes, in whole or in part, a transfer, the value of the education award considered to have been received by the designated individual for purposes of §2526.50 will be reduced accordingly.

§2530.70 Is a designated individual required to accept a transferred education award?

(a) General Rule. A designated individual is not required to accept a transferred education award, and may reject an award in whole or in part.

(b) Result of rejection in full. If the designated individual rejects a transferred award in whole, the amount is credited to the transferring individual's account in the National Service Trust, and may be transferred to another individual, or may be used by the transferring individual for any of the purposes listed in §2528.10, consistent with the original time period of availability set forth in §2526.40(a).

(c) Result of rejection in part. If the designated individual rejects a transferred award in part, the rejected portion is credited to the transferring individual's account in the National Service Trust, and may be used by the transferring individual's for any of the purposes listed in §2528.10, consistent with the original time period of availability set forth in §2526.40(a). An individual may not re-transfer the rejected portion of the award to another individual.

§2530.80 Under what circumstances is a transfer revocable?

(a) Revocation. An individual may revoke a transfer at any time and for any reason prior to the award's use by the designated individual.

(b) Use of Award. Upon revocation, the amount revoked will be deducted from the designated individual's account and credited to the transferring individual's account. The transferring individual may use the revoked transferred education award for any of the purposes described in §2528.10, consistent with the original time period of availability set forth in §2526.40(a).

(c) Re-transfer. Generally, an individual may not re-transfer an award to another individual after revoking the same award from the original designated individual. The Corporation may approve re-transfer of an award for good cause, including cases in which the original designated individual was unavoidably prevented from using the award, as demonstrated by the individual transferring the award.
§2530.85 What steps are necessary to revoke a transfer?

(a) Request for revocation. Before revoking a transfer, the transferring individual must submit a request to the Corporation that includes —

1. The individual's written authorization to revoke the award;
2. The year in which the award was earned;
3. The specific amount to be revoked; and
4. The identity of the designated individual.

(b) Credit to transferring individual. Upon receipt of a request including all required information listed in paragraph (a) of this section, the Corporation will deduct the amount specified in the transferring individual's request from the designated individual's account and credit the amount to the account of the transferring individual, except as provided in paragraph (c) of this section. The Corporation will notify the transferring individual of the amount revoked.

(c) Used awards. A revocation may only apply to that portion of the transferred award that has not been used by the designated individual. If the designated individual has used the entire transferred amount prior to the date the Corporation receives the revocation request, no amount will be returned to the transferring individual. An amount is considered to be used when it is disbursed from the National Service Trust, not when a request is received to use an award.

(d) Notification to designated individual. The Corporation will notify the designated individual of the amount being revoked as of the date of the Corporation's receipt of the revocation request.

(e) Timing of revocation. The Corporation must receive the request to revoke the transfer from the transferring individual prior to the award's expiration ten years from the date the award was originally earned.

§2530.90 Is a designated individual eligible for the payment of accrued interest under Part 2529?

No, an individual must have successfully completed a term of service in an approved AmeriCorps position or Silver Scholar position to be eligible for the payment of accrued interest under Part 2529.

PART 2540—GENERAL ADMINISTRATIVE PROVISIONS

Subpart A—Requirements Concerning the Distribution and Use of Corporation Assistance

§2540.100 What restrictions govern the use of Corporation assistance?

(a) Supplantation. Corporation assistance may not be used to replace State and local public funds that had been used to support programs of the type eligible to receive Corporation support. For any given program, this condition will be satisfied if the aggregate non-Federal public expenditure for that program in the fiscal year that support is to be provided is not less than the previous fiscal year.

(b) Religious use. Corporation assistance may not be used to provide religious instruction, conduct worship services, or engage in any form of proselytization.
(c) Political activity. Corporation assistance may not be used by program participants or staff to assist, promote, or deter union organizing; or finance, directly or indirectly, any activity designed to influence the outcome of a Federal, State or local election to public office.

(d) Contracts or collective bargaining agreements. Corporation assistance may not be used to impair existing contracts for services or collective bargaining agreements.

(e) Nonduplication. Corporation assistance may not be used to duplicate an activity that is already available in the locality of a program. And, unless the requirements of paragraph (f) of this section are met, Corporation assistance will not be provided to a private nonprofit entity to conduct activities that are the same or substantially equivalent to activities provided by a State or local government agency in which such entity resides.

(f) Nondisplacement. (1) An employer may not displace an employee or position, including partial displacement such as reduction in hours, wages, or employment benefits, as a result of the use by such employer of a participant in a program receiving Corporation assistance.

(2) An organization may not displace a volunteer by using a participant in a program receiving Corporation assistance.

(3) A service opportunity will not be created under this chapter that will infringe in any manner on the promotional opportunity of an employed individual.

(4) A participant in a program receiving Corporation assistance may not perform any services or duties or engage in activities that would otherwise be performed by an employee as part of the assigned duties of such employee.

(5) A participant in any program receiving assistance under this chapter may not perform any services or duties, or engage in activities, that—

(i) Will supplant the hiring of employed workers; or

(ii) Are services, duties, or activities with respect to which an individual has recall rights pursuant to a collective bargaining agreement or applicable personnel procedures.

(6) A participant in any program receiving assistance under this chapter may not perform services or duties that have been performed by or were assigned to any—

(i) Presently employed worker;

(ii) Employee who recently resigned or was discharged;

(iii) Employee who is subject to a reduction in force or who has recall rights pursuant to a collective bargaining agreement or applicable personnel procedures;

(iv) Employee who is on leave (terminal, temporary, vacation, emergency, or sick); or

(v) Employee who is on strike or who is being locked out.

§2540.110 Limitation on use of Corporation funds for administrative costs.

(a)(1) Not more than five percent of the grant funds provided under 45 CFR 2516, 2517, 2519, and 2521 for any fiscal year may be used to pay for administrative costs, as defined in §2510.20 of this chapter.

(2) The distribution of administrative costs between the grant and any subgrant will be subject to the approval of the Corporation.

(3) In applying the limitation on administrative costs the Corporation will approve one of the following methods in the award document:

(i) Limit the amount or rate of indirect costs that may be paid with Corporation funds under a grant or subgrant to five percent of total Corporation funds expended, provided that—

(A) Organizations that have an established indirect cost rate for Federal awards will be limited to this method; and

(B) Unreimbursed indirect costs may be applied to meeting operational matching requirements under the Corporation's award;

(ii) Specify that a fixed rate of five percent or less (not subject to supporting cost documentation) of total Corporation funds expended may be used to pay for administrative costs, provided that the fixed rate is in conjunction with an overall 15 percent administrative cost factor to be used for organizations that do not have established indirect cost rates; or

(iii) Utilize such other method that the Corporation determines in writing is consistent with OMB guidance and other applicable requirements, helps minimize the burden on grantees or subgrantees, and is beneficial to grantees or subgrantees and the Federal Government.

(b) Costs attributable to administrative functions as well as program functions should be prorated between administrative costs and program costs.

Subpart B—Requirements Directly Affecting the Selection and Treatment of Participants

§2540.200 What does “you” mean in this section?

As used in this section, “you” means a Corporation grantee or other entity subject to Corporation grant provisions. Unless the context otherwise requires, this includes, but is not limited to, recipients of federal financial assistance under grant programs defined in §2510.20 of this chapter as well as projects under the Senior Companion Program, the Foster Grandparent Program, and RSVP.

§2540.201 To whom must I apply the National Service Criminal History Check eligibility criteria?

You must apply the National Service Criminal History Check eligibility criteria to individuals serving in covered positions. A covered position is a position in which the individual receives an education award or a Corporation grant-funded living allowance, stipend, or salary.
§2540.202 What eligibility criteria must I apply to a covered position in connection with the National Service Criminal History Check?

In addition to the eligibility criteria you establish, an individual shall be ineligible to serve in a covered position if the individual—

(a) Refuses to consent to a criminal history check described in §2540.203 of this chapter;

(b) Makes a false statement in connection with a criminal history check described in §2540.203 of this chapter;

(c) Is registered, or is required to be registered, on a state sex offender registry or the National Sex Offender Registry; or

(d) Has been convicted of murder, as defined in 18 U.S.C. 1111.

§2540.203 What search components of the National Service Criminal History Check must I satisfy to determine an individual's eligibility to serve in a covered position?

(a) Search procedure for individuals in covered positions who do not have recurring access to vulnerable populations. Unless the Corporation approves an alternative search procedure under §2540.207 of this chapter, to determine an individual's eligibility to serve in a covered position, you must conduct and document a National Service Criminal History Check that consists of the following components:

(1) A nationwide name-based search of the Department of Justice (DOJ) National Sex Offender Public Web site (NSOPW), and

(2) Either:

   (i) A name- or fingerprint-based search of the official state criminal history registry for the state in which the individual in a covered position will be primarily serving or working and for the state in which the individual resides at the time of application; or

   (ii) Submission of fingerprints through a state central record repository for a fingerprint-based Federal Bureau of Investigation (FBI) national criminal history background check.

(b) Search procedure for individuals in covered positions who have recurring access to vulnerable populations. (1) This rule applies to individuals who:

   (i) Begin working for, or who start service with, you on or after April 21, 2011;

   (ii) Will be 18 years old or older at any time during their term of service; and

   (iii) Serve in a covered position that will involve recurring access to children age 17 years or younger, to individuals age 60 years or older, or to individuals with disabilities.

(2) Unless the Corporation approves an alternative search procedure or an exception under §2540.207 of this chapter, to determine the eligibility of an individual described in paragraph (b)(1) of this section you must conduct and document a National Service Criminal History Check that consists of the following components:
(i) A nationwide name-based search of the Department of Justice (DOJ) National Sex Offender Public Web site (NSOPW);

(ii) A name- or fingerprint-based search of the official state criminal history registry for the state in which the individual in a covered position will be primarily serving or working and for the state in which the individual resides at the time of application; and

(iii) Submission of fingerprints through a state central record repository for a fingerprint-based FBI national criminal history background check.

§2540.204 When must I conduct a National Service Criminal History Check on an individual in a covered position?

(a) Timing of the National Service Criminal History Check Components. (1) You must conduct and review the results of the nationwide NSOPW check required under §2540.203 before an individual in a covered position begins work or starts service.

(2) You must initiate state registry or FBI criminal history checks required under §2540.203 before an individual in a covered position begins work or starts service. You may permit an individual in a covered position to begin work or start service pending the receipt of results from state registry or FBI criminal history checks as long as the individual is not permitted access to children age 17 years or younger, to individuals age 60 years or older, or to individuals with disabilities, without being in the physical presence of an appropriate individual, as described in §2540.205(g) of this chapter.

(b) Consecutive terms. If an individual serves consecutive terms of service in a covered position and does not have a break in service that exceeds 120 days, then no additional National Service Criminal History Check is required, as long as the original check is a compliant check for the covered position in which the individual will be serving or working following the break in service. If your program or project is designed with breaks in service over 120 days, but less than 180 days between consecutive terms, you may request approval for a break in service of up to 180 days before a new National Service Criminal History Check is required. Your request must describe the overall program design, explain why the longer period is reasonable, and demonstrate that you have established adequate risk management controls for the extended break in service.

§2540.205 What procedures must I follow in conducting a National Service Criminal History Check for a covered position?

You are responsible for following these procedures:

(a) Verify the individual's identity by examining the individual's government-issued photo identification card, such as a driver's license;

(b) Obtain prior, written authorization from the individual for the State registry check, for the FBI criminal history check, and for the appropriate sharing of the results of the checks within the program. Prior written authorization from the individual is not required to conduct the nationwide NSOPW check;

(c) Document the individual's understanding that selection into the program is contingent upon the organization's review of the individual's National Service Criminal History Check component results, if any;

(d) Ensure that screening practices comply with federal civil rights laws, including Titles VI and VII of the Civil Rights Act of 1964 (and the Corporation's implementing regulations under Title VI);
(e) Provide a reasonable opportunity for the individual to review and challenge the factual accuracy of a result before action is taken to exclude the individual from the position;

(f) Provide safeguards to ensure the confidentiality of any information relating to the criminal history check, consistent with authorization provided by the applicant; and

(g) Ensure that an individual, for whom the results of a required state or FBI criminal history registry check are pending, is not permitted to have access to children age 17 years or younger, to individuals age 60 years or older, or to individuals with disabilities without being in the physical presence of:

(1) Your authorized representative who has previously been cleared for such access;

(2) A family member or legal guardian of the vulnerable individual; or

(3) An individual authorized, because of his or her profession, to have recurring access to the vulnerable individual, such as an education or medical professional.

(h) Unless specifically approved by the Corporation, you may not charge an individual for the cost of any component of a National Service Criminal History Check.

§2540.206 What documentation must I maintain regarding a National Service Criminal History Check for a covered position?

You must:

(a) Document in writing that you verified the identity of the individual in a covered position by examining the individual's government-issued photo identification card, and that you conducted the required checks for the covered position; and

(b) Maintain the results, or a results summary issued by a State or Federal government body, of the NSOPW check and the other components of each National Service Criminal History Check, unless precluded from doing so by State or Federal law or regulation. You must also document in writing that an authorized grantee representative considered the results of the National Service Criminal History Check in selecting the individual.

§2540.207 When may I follow an alternative search procedure or be excepted from a requirement in conducting a National Service Criminal History Check for a covered position?

(a) Alternative search procedure. (1) If you submit a written request to the Corporation's Office of Grants Management, the Corporation will consider approving an alternative search procedure:

(i) If you demonstrate that you are prohibited or otherwise precluded under state law from complying with a Corporation requirement relating to the National Service Criminal History Check, or

(ii) If you can obtain substantially equivalent or better information through an alternative search procedure.

(2) The Office of Grants Management will review the alternative search procedure to ensure that it:

(i) Verifies the identity of the individual; and
(ii) Includes a search of an alternative criminal database that is sufficient to identify the existence or absence of criminal offenses.

(b) Exceptions to Criminal History Check requirements for individuals with recurring access to vulnerable populations. (1) Exception that does not require prior Corporation approval—Episodic Access. (i) For the purposes of this section, an individual's access to a vulnerable population is considered to be episodic in nature if the service is not a regular, scheduled, and anticipated component of the individual's position description.

(ii) You are not required to conduct the fingerprint-based FBI criminal history check on individuals in covered positions with recurring access to vulnerable populations, as described in §2540.203 of this chapter, when the individual's access to a vulnerable population is episodic in nature or for a 1-day period.

(iii) No prior approval is required from the Corporation for you to apply this exception. You must make and document a determination that the individual's access to vulnerable populations is episodic, as defined by paragraphs (b)(1)(i) and (ii) of this section.

(2) Exceptions that require prior approval of the Corporation. You are not required to conduct the fingerprint-based FBI criminal history check on individuals in covered positions with recurring access to vulnerable populations, as described in §2540.203 of this chapter, if you demonstrate and the Corporation determines in writing that:

(i) Complying with §2540.203(b)(2)(iii) of this chapter is cost-prohibitive;

(ii) You are not authorized, or are otherwise unable, under state or federal law, to access the national criminal history background check system of the FBI; or

(iii) That you are exempt from the requirement in §2540.203(b)(2)(iii) of this chapter for good cause.

§2540.208 Under what circumstances may participants be engaged?

A State may not engage a participant to serve in any program that receives Corporation assistance unless and until amounts have been appropriated under section 501 of the Act (42 U.S.C. 12681) for the provision of AmeriCorps educational awards and for the payment of other necessary expenses and costs associated with such participant.

§2540.210 What provisions exist to ensure that Corporation-supported programs do not discriminate in the selection of participants and staff?

(a) An individual with responsibility for the operation of a project that receives Corporation assistance must not discriminate against a participant in, or member of the staff of, such project on the basis of race, color, national origin, sex, age, or political affiliation of such participant or member, or on the basis of disability, if the participant or member is a qualified individual with a disability.

(c) An individual with responsibility for the operation of a project that receives Corporation assistance may not discriminate on the basis of religion against a participant in such project or a member of the staff of such project who is paid with Corporation funds. This provision does not apply to the employment (with Corporation assistance) of any staff member of a Corporation-supported project who was employed with the organization operating the project on the date the Corporation grant was awarded.

(d) Grantees must notify all program participants, staff, applicants, and beneficiaries of:

(1) Their rights under applicable federal nondiscrimination laws, including relevant provisions of the national service legislation and implementing regulations; and

(2) The procedure for filing a discrimination complaint with the Corporation's Office of Civil Rights and Inclusiveness.

§2540.215 What should a program participant, staff members, or beneficiary do if the individual believes he or she has been subject to illegal discrimination?

A program participant, staff member, or beneficiary who believes that he or she has been subject to illegal discrimination should contact the Corporation's Office of Civil Rights and Inclusiveness, which offers an impartial discrimination complaint resolution process. Participation in a discrimination complaint resolution process is protected activity; a grantee is prohibited from retaliating against an individual for making a complaint or participating in any manner in an investigation, proceeding, or hearing.

§2540.220 Under what circumstances and subject to what conditions are participants in Corporation-assisted programs eligible for family and medical leave?

(a) Participants in State, local, or private nonprofits programs. A participant in a State, local, or private nonprofit program receiving support from the Corporation is considered an eligible employee of the program’s project sponsor under the Family and Medical Leave Act of 1993 (29 CFR part 825) if—

(1) The participant has served for at least 12 months and 1,250 hours during the year preceding the start of the leave; and

(2) The program’s project sponsors engages in commerce or any industry or activity affecting commerce, and employs at least 50 employees for each working day during 20 or more calendar workweeks in the current or preceding calendar year.

(b) Participants in Federal programs. Participants in Federal programs operated by the Corporation or by another Federal agency will be considered Federal employees for the purposes of the Family and Medical Leave Act if the participants have completed 12 months of service and the project sponsor is an employing agency as defined in 5 U.S.C 6381 et seq.; such participants therefore will be eligible for the same family and medical leave benefits afforded to such Federal employees.

(c) General terms and conditions. Participants that qualify as eligible employees under paragraphs (a) or (b) of this section are entitled to take up to 12 weeks of unpaid leave during a 12 month period for any of the following reasons (in the cases of both paragraphs (c)(1) and (2) of this section the entitlement to leave expires 12 months after the birth or placement of such child): (1) The birth of a child to a participant;

(2) The placement of a child with a participant for adoption or foster care;

(3) The serious illness of a participant's spouse, child or parent; or
(4) A participant's serious health condition that makes that participant unable to perform his or her essential service duties (a serious health condition is an illness or condition that requires either inpatient care or continuing treatment by a health care provider).

(d) **Intermittent leave or reduced service.** The program, serving as the project sponsor, may allow a participant to take intermittent leave or reduce his or her service hours due to the birth of or placement of a child for adoption or foster care. The participant may also take leave to care for a seriously ill immediate family member or may take leave due to his or her own serious illness whenever it is medically necessary.

(e) **Alternate placement.** If a participant requests intermittent leave or a reduced service hours due to a serious illness or a family member's sickness, and the need for leave is foreseeable based on planned medical treatment, the program, or project sponsor may temporarily transfer the participant to an alternative service position if the participant: (1) Is qualified for the position; and

(2) Receives the same benefits such as stipend or living allowance and the position better accommodates the participants recurring periods of leave.

(f) **Certification of cause.** A program, or project sponsor may require that the participant support a leave request with a certification from the health care provider of the participant or the participant's family member. If a program sponsor requests a certification, the participant must provide it in a timely manner.

(g) **Continuance of coverage.** (1) If a State, local or private program provides for health insurance for the full-time participant, the sponsor must continue to provide comparable health coverage at the same level and conditions that coverage would have been provided for the duration of the participant's leave.

(2) If the Federal program provides health insurance coverage for the full-time participant, the sponsor must also continue to provide the same health care coverage for the duration of the participant's leave.

(h) **Failure to return.** If the participant fails to return to the program at the end of leave for any reason other than continuation, recurrence or onset of a serious health condition or other circumstances beyond his or her control, the program may recover the premium that he or she paid during any period of unpaid leave.

(i) **Applicability to term of service.** Any absence, due to family and medical leave, will not be counted towards the participant's term of service.

§2540.230 What grievance procedures must recipients of Corporation assistance establish?

State and local applicants that receive assistance from the Corporation must establish and maintain a procedure for the filing and adjudication of grievances from participants, labor organizations, and other interested individuals concerning programs that receive assistance from the Corporation. A grievance procedure may include dispute resolution programs such as mediation, facilitation, assisted negotiation and neutral evaluation. If the grievance alleges fraud or criminal activity, it must immediately be brought to the attention of the Corporation's inspector general.

(a) **Alternative dispute resolution.** (1) The aggrieved party may seek resolution through alternative means of dispute resolution such as mediation or facilitation. Dispute resolution proceedings must be initiated within 45 calendar days from the date of the alleged occurrence. At the initial session of the dispute resolution proceedings, the party must be advised in writing of his or her right to file a grievance and right to arbitration. If the matter is resolved, and a written agreement is reached, the party will agree to forego filing a grievance in the matter under consideration.
(2) If mediation, facilitation, or other dispute resolution processes are selected, the process must be aided by a neutral party who, with respect to an issue in controversy, functions specifically to aid the parties in resolving the matter through a mutually achieved and acceptable written agreement. The neutral party may not compel a resolution. Proceedings before the neutral party must be informal, and the rules of evidence will not apply. With the exception of a written and agreed upon dispute resolution agreement, the proceeding must be confidential.

(b) Grievance procedure for unresolved complaints. If the matter is not resolved within 30 calendar days from the date the informal dispute resolution process began, the neutral party must again inform the aggrieving party of his or her right to file a formal grievance. In the event an aggrieving party files a grievance, the neutral may not participate in the formal complaint process. In addition, no communication or proceedings of the informal dispute resolution process may be referred to or introduced into evidence at the grievance and arbitration hearing. Any decision by the neutral party is advisory and is not binding unless both parties agree.

(c) Time limitations. Except for a grievance that alleges fraud or criminal activity, a grievance must be made no later than one year after the date of the alleged occurrence. If a hearing is held on a grievance, it must be conducted no later than 30 calendar days after the filing of such grievance. A decision on any such grievance must be made no later than 60 calendar days after the filing of the grievance.

(d) Arbitration—(1) Arbitrator—(i) Joint selection by parties. If there is an adverse decision against the party who filed the grievance, or 60 calendar days after the filing of a grievance no decision has been reached, the filing party may submit the grievance to binding arbitration before a qualified arbitrator who is jointly selected and independent of the interested parties.

(ii) Appointment by Corporation. If the parties cannot agree on an arbitrator within 15 calendar days after receiving a request from one of the grievance parties, the Corporations Chief Executive Officer will appoint an arbitrator from a list of qualified arbitrators.

(2) Time Limits—(i) Proceedings. An arbitration proceeding must be held no later than 45 calendar days after the request for arbitration, or, if the arbitrator is appointed by the Chief Executive Officer, the proceeding must occur no later than 30 calendar days after the arbitrator's appointment.

(ii) Decision. A decision must be made by the arbitrator no later than 30 calendar days after the date the arbitration proceeding begins.

(3) The cost. The cost of the arbitration proceeding must be divided evenly between the parties to the arbitration. If, however, a participant, labor organization, or other interested individual prevails under a binding arbitration proceeding, the State or local applicant that is a party to the grievance must pay the total cost of the proceeding and the attorney's fees of the prevailing party.

(e) Suspension of placement. If a grievance is filed regarding a proposed placement of a participant in a program that receives assistance under this chapter, such placement must not be made unless the placement is consistent with the resolution of the grievance.

(f) Remedies. Remedies for a grievance filed under a procedure established by a recipient of Corporation assistance may include—

(1) Prohibition of a placement of a participant; and

(2) In grievance cases where there is a violation of nonduplication or nondisplacement requirements and the employer of the displaced employee is the recipient of Corporation assistance—
(i) Reinstatement of the employee to the position he or she held prior to the displacement;

(ii) Payment of lost wages and benefits;

(iii) Re-establishment of other relevant terms, conditions and privileges of employment; and

(iv) Any other equitable relief that is necessary to correct any violation of the nonduplication or nondisplacement requirements or to make the displaced employee whole.

(g) Suspension or termination of assistance. The Corporation may suspend or terminate payments for assistance under this chapter.

(h) Effect of noncompliance with arbitration. A suit to enforce arbitration awards may be brought in any Federal district court having jurisdiction over the parties without regard to the amount in controversy or the parties' citizenship.

Subpart C—Other Requirements for Recipients of Corporation Assistance

§2540.300 What must be included in annual State reports to the Corporation?

(a) In general. Each State receiving assistance under this title must prepare and submit, to the Corporation, an annual report concerning the use of assistance provided under this chapter and the status of the national and community service programs in the State that receive assistance under this chapter. A State’s annual report must include information that demonstrates the State’s compliance with the requirements of this chapter.

(b) Local grantees. Each State may require local grantees that receive assistance under this chapter to supply such information to the State as is necessary to enable the State to complete the report required under paragraph (a) of this section, including a comparison of actual accomplishments with the goals established for the program, the number of participants in the program, the number of service hours generated, and the existence of any problems, delays or adverse conditions that have affected or will affect the attainment of program goals.

(c) Availability of report. Reports submitted under paragraph (a) of this section must be made available to the public on request.

§2540.310 Must programs that receive Corporation assistance establish standards of conduct?

Yes. Programs that receive assistance under this title must establish and stringently enforce standards of conduct at the program site to promote proper moral and disciplinary conditions.

§2540.320 How are participant benefits treated?

Section 142(b) of the Job Training Partnership Act (29 U.S.C. 1552(b)) shall apply to the programs conducted under this chapter as if such programs were conducted under the Job Training Partnership Act (29 U.S.C. 1501 et seq.).

§2540.330 Parental involvement required
(a) Consultation Requirement. Programs that receive assistance under the national service laws shall consult with the parents or legal guardians of children in developing and operating programs that include and serve children.

(b) Parental Permission. Programs that receive assistance under the national service laws must, before transporting minor children, provide the children's parents or legal guardians with the reason for the transportation and obtain the parent's or legal guardian's permission for such transportation, consistent with State law.

Subpart D—Suspension and Termination of Corporation Assistance

§2540.400 Under what circumstances will the Corporation suspend or terminate a grant or contract?

(a) Suspension of a grant or contract. In emergency situations, the Corporation may suspend a grant or contract for not more than calendar 30 days. Examples of such situations may include, but are not limited to: (1) Serious risk to persons or property;

(2) Violations of Federal, State or local criminal statutes; and

(3) Material violation(s) of the grant or contract that are sufficiently serious that they outweigh the general policy in favor of advance notice and opportunity to show cause.

(b) Termination of a grant or contract. The Corporation may terminate or revoke assistance for failure to comply with applicable terms and conditions of this chapter. However, the Corporation must provide the recipient reasonable notice and opportunity for a full and fair hearing, subject to the following conditions: (1) The Corporation will notify a recipient of assistance by letter or telegram that the Corporation intends to terminate or revoke assistance, either in whole or in part, unless the recipient shows good cause why such assistance should not be terminated or revoked. In this communication, the grounds and the effective date for the proposed termination or revocation will be described. The recipient will be given at least 7 calendar days to submit written material in opposition to the proposed action.

(2) The recipient may request a hearing on a proposed termination or revocation. Providing five days notice to the recipient, the Corporation may authorize the conduct of a hearing or other meetings at a location convenient to the recipient to consider the proposed suspension or termination. A transcript or recording must be made of a hearing conducted under this section and be available for inspection by any individual.

§2540.610  What are the consequences of making a false or misleading statement?
If it is determined that you made a false or misleading statement in connection with your eligibility for a benefit from, or qualification to participate in, a Corporation-funded program, it may result in the revocation of the qualification or forfeiture of the benefit. Revocation and forfeiture under this part are in addition to any other remedy available to the Federal Government under the law against persons who make false or misleading statements in connection with a Federally-funded program.

§2540.620 What are my rights if the Corporation determines that I have made a false or misleading statement?

If the Corporation determines that you have made a false or misleading statement in connection with your eligibility for a benefit from, or qualification to participate in, a Corporation-funded program, you will be hand delivered a written notice, or sent a written notice to your last known street address or e-mail address or that of your identified counsel at least 15 days before any proposed action is taken. The notice will include the facts surrounding the determination and the action the Corporation proposes to take. The notice will also identify the reviewing official in your case and provide other pertinent information. You will be allowed to show good cause as to why forfeiture, revocation, the denial of a benefit, or other action should not be implemented. You will be given 10 calendar days to submit written materials in opposition to the proposed action.

§2540.630 What information must I provide to contest a proposed action?

Your written response must include specific facts that contradict the statements made in the notice of proposed action. A general statement of denial is insufficient to raise a dispute over the facts material to the proposed action. Your response should also include copies of any documents that support your argument.

§2540.640 When will the reviewing official make a decision on the proposed action?

The reviewing official will issue a decision within 45 days of receipt of your response.

§2540.650 How may I contest a reviewing official’s decision to uphold the proposed action?

If the Corporation’s reviewing official concludes that the proposed action, in full or in part, should still be implemented, you will have an opportunity to request an additional proceeding. A Corporation program director or designee will conduct a review of the complete record, including such additional relevant documents you submit. If deemed appropriate, such as where there are material facts in genuine dispute, the program director or designee may conduct a telephonic or in person meeting. If a meeting is conducted, it will be recorded and you will be provided a copy of the recording. The program director or designee will issue a decision within 30 days of the conclusion of the review of the record or meeting. The decision of the program director or designee is final and cannot be appealed further within the agency.

§2540.660 If the final decision determines that I received a financial benefit improperly, will I be required to repay that benefit?

If it is determined that you received a financial benefit improperly, you may be required to reimburse the program for that benefit.

§2540.670 Will my qualification to participate or eligibility for benefits be suspended during the review process?

If the reviewing official determines that, based on the information available, there is a reasonable likelihood that you will be determined disqualified or ineligible, your qualification or eligibility may be suspended, pending issuance of a final decision, to protect the public interest.
PART 2555—Nondiscrimination on the Basis of Sex in Education Programs or Activities Receiving Federal Financial Assistance

Subpart A—Introduction

§2555.100 Purpose and effective date.

The purpose of these Title IX regulations is to effectuate Title IX of the Education Amendments of 1972, as amended (except sections 904 and 906 of those Amendments) (20 U.S.C. 1681, 1682, 1683, 1685, 1686, 1687, 1688), which is designed to eliminate (with certain exceptions) discrimination on the basis of sex in any education program or activity receiving Federal financial assistance, whether or not such program or activity is offered or sponsored by an educational institution as defined in these Title IX regulations. The effective date of these Title IX regulations shall be September 29, 2000.

§2555.105 Definitions.

As used in these Title IX regulations, the term:

Administratively separate unit means a school, department, or college of an educational institution (other than a local educational agency) admission to which is independent of admission to any other component of such institution.

Admission means selection for part-time, full-time, special, associate, transfer, exchange, or any other enrollment, membership, or matriculation in or at an education program or activity operated by a recipient.

Applicant means one who submits an application, request, or plan required to be approved by an official of the Federal agency that awards Federal financial assistance, or by a recipient, as a condition to becoming a recipient.

Designated agency official means “Director, Equal Opportunity”.

Educational institution means a local educational agency (LEA) as defined by 20 U.S.C. 8801(18), a preschool, a private elementary or secondary school, or an applicant or recipient that is an institution of graduate higher education, an institution of undergraduate higher education, an institution of professional education, or an institution of vocational education, as defined in this section.

Federal financial assistance means any of the following, when authorized or extended under a law administered by the Federal agency that awards such assistance:

1. A grant or loan of Federal financial assistance, including funds made available for:

   i. The acquisition, construction, renovation, restoration, or repair of a building or facility or any portion thereof; and

   ii. Scholarships, loans, grants, wages, or other funds extended to any entity for payment to or on behalf of students admitted to that entity, or extended directly to such students for payment to that entity.

2. A grant of Federal real or personal property or any interest therein, including surplus property, and the proceeds of the sale or transfer of such property, if the Federal share of the fair market value of the property is not, upon such sale or transfer, properly accounted for to the Federal Government.

3. Provision of the services of Federal personnel.
(4) Sale or lease of Federal property or any interest therein at nominal consideration, or at consideration reduced for the purpose of assisting the recipient or in recognition of public interest to be served thereby, or permission to use Federal property or any interest therein without consideration.

(5) Any other contract, agreement, or arrangement that has as one of its purposes the provision of assistance to any education program or activity, except a contract of insurance or guaranty.

_Institution of graduate higher education_ means an institution that:

(1) Offers academic study beyond the bachelor of arts or bachelor of science degree, whether or not leading to a certificate of any higher degree in the liberal arts and sciences;

(2) Awards any degree in a professional field beyond the first professional degree (regardless of whether the first professional degree in such field is awarded by an institution of undergraduate higher education or professional education); or

(3) Awards no degree and offers no further academic study, but operates ordinarily for the purpose of facilitating research by persons who have received the highest graduate degree in any field of study.

_Institution of professional education_ means an institution (except any institution of undergraduate higher education) that offers a program of academic study that leads to a first professional degree in a field for which there is a national specialized accrediting agency recognized by the Secretary of Education.

_Institution of undergraduate higher education_ means:

(1) An institution offering at least two but less than four years of college-level study beyond the high school level, leading to a diploma or an associate degree, or wholly or principally creditable toward a baccalaureate degree; or

(2) An institution offering academic study leading to a baccalaureate degree; or

(3) An agency or body that certifies credentials or offers degrees, but that may or may not offer academic study.

_Institution of vocational education_ means a school or institution (except an institution of professional or graduate or undergraduate higher education) that has as its primary purpose preparation of students to pursue a technical, skilled, or semiskilled occupation or trade, or to pursue study in a technical field, whether or not the school or institution offers certificates, diplomas, or degrees and whether or not it offers full-time study.

_Recipient_ means any State or political subdivision thereof, or any instrumentality of a State or political subdivision thereof, any public or private agency, institution, or organization, or other entity, or any person, to whom Federal financial assistance is extended directly or through another recipient and that operates an education program or activity that receives such assistance, including any subunit, successor, assignee, or transferee thereof.

_Student_ means a person who has gained admission.

Title IX regulations means the provisions set forth at §§2555.100 through 2555.605.

Transition plan means a plan subject to the approval of the Secretary of Education pursuant to section 901(a)(2) of the Education Amendments of 1972, 20 U.S.C. 1681(a)(2), under which an educational institution operates in making the transition from being an educational institution that admits only students of one sex to being one that admits students of both sexes without discrimination.

§2555.110 Remedial and affirmative action and self-evaluation.

(a) Remedial action. If the designated agency official finds that a recipient has discriminated against persons on the basis of sex in an education program or activity, such recipient shall take such remedial action as the designated agency official deems necessary to overcome the effects of such discrimination.

(b) Affirmative action. In the absence of a finding of discrimination on the basis of sex in an education program or activity, a recipient may take affirmative action consistent with law to overcome the effects of conditions that resulted in limited participation therein by persons of a particular sex. Nothing in these Title IX regulations shall be interpreted to alter any affirmative action obligations that a recipient may have under Executive Order 11246, 3 CFR, 1964-1965 Comp., p. 339; as amended by Executive Order 11375, 3 CFR, 1966-1970 Comp., p. 684; as amended by Executive Order 11478, 3 CFR, 1966-1970 Comp., p. 803; as amended by Executive Order 12086, 3 CFR, 1978 Comp., p. 230; as amended by Executive Order 12107, 3 CFR, 1978 Comp., p. 264.

(c) Self-evaluation. Each recipient education institution shall, within one year of September 29, 2000:

(1) Evaluate, in terms of the requirements of these Title IX regulations, its current policies and practices and the effects thereof concerning admission of students, treatment of students, and employment of both academic and non-academic personnel working in connection with the recipient's education program or activity;

(2) Modify any of these policies and practices that do not or may not meet the requirements of these Title IX regulations; and

(3) Take appropriate remedial steps to eliminate the effects of any discrimination that resulted or may have resulted from adherence to these policies and practices.

(d) Availability of self-evaluation and related materials. Recipients shall maintain on file for at least three years following completion of the evaluation required under paragraph (c) of this section, and shall provide to the designated agency official upon request, a description of any modifications made pursuant to paragraph (c)(2) of this section and of any remedial steps taken pursuant to paragraph (c)(3) of this section.

§2555.115 Assurance required.

(a) General. Either at the application stage or the award stage, Federal agencies must ensure that applications for Federal financial assistance or awards of Federal financial assistance contain, be accompanied by, or be covered by a specifically identified assurance from the applicant or recipient, satisfactory to the designated agency official, that each education program or activity operated by the applicant or recipient and to which these Title IX regulations apply will be operated in compliance with these Title IX regulations. An assurance of compliance with these Title IX regulations shall not be
satisfactory to the designated agency official if the applicant or recipient to whom such assurance applies fails to commit itself to take whatever remedial action is necessary in accordance with §2555.110(a) to eliminate existing discrimination on the basis of sex or to eliminate the effects of past discrimination whether occurring prior to or subsequent to the submission to the designated agency official of such assurance.

(b) **Duration of obligation.** (1) In the case of Federal financial assistance extended to provide real property or structures thereon, such assurance shall obligate the recipient or, in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used to provide an education program or activity.

(2) In the case of Federal financial assistance extended to provide personal property, such assurance shall obligate the recipient for the period during which it retains ownership or possession of the property.

(3) In all other cases such assurance shall obligate the recipient for the period during which Federal financial assistance is extended.

(c) **Form.** (1) The assurances required by paragraph (a) of this section, which may be included as part of a document that addresses other assurances or obligations, shall include that the applicant or recipient will comply with all applicable Federal statutes relating to nondiscrimination. These include but are not limited to: Title IX of the Education Amendments of 1972, as amended (20 U.S.C. 1681-1683, 1685-1688).

(2) The designated agency official will specify the extent to which such assurances will be required of the applicant's or recipient's subgrantees, contractors, subcontractors, transferees, or successors in interest.

§2555.120 Transfers of property.

If a recipient sells or otherwise transfers property financed in whole or in part with Federal financial assistance to a transferee that operates any education program or activity, and the Federal share of the fair market value of the property is not upon such sale or transfer properly accounted for to the Federal Government, both the transferor and the transferee shall be deemed to be recipients, subject to the provisions of §§2555.205 through 2555.235(a).

§2555.125 Effect of other requirements.

(b) **Effect of State or local law or other requirements.** The obligation to comply with these Title IX regulations is not obviated or alleviated by any State or local law or other requirement that would render any applicant or student ineligible, or limit the eligibility of any applicant or student, on the basis of sex, to practice any occupation or profession.
(c) **Effect of rules or regulations of private organizations.** The obligation to comply with these Title IX regulations is not obviated or alleviated by any rule or regulation of any organization, club, athletic or other league, or association that would render any applicant or student ineligible to participate or limit the eligibility or participation of any applicant or student, on the basis of sex, in any education program or activity operated by a recipient and that receives Federal financial assistance.

§2555.130 **Effect of employment opportunities.**

The obligation to comply with these Title IX regulations is not obviated or alleviated because employment opportunities in any occupation or profession are or may be more limited for members of one sex than for members of the other sex.

§2555.135 **Designation of responsible employee and adoption of grievance procedures.**

(a) **Designation of responsible employee.** Each recipient shall designate at least one employee to coordinate its efforts to comply with and carry out its responsibilities under these Title IX regulations, including any investigation of any complaint communicated to such recipient alleging its noncompliance with these Title IX regulations or alleging any actions that would be prohibited by these Title IX regulations. The recipient shall notify all its students and employees of the name, office address, and telephone number of the employee or employees appointed pursuant to this paragraph.

(b) **Complaint procedure of recipient.** A recipient shall adopt and publish grievance procedures providing for prompt and equitable resolution of student and employee complaints alleging any action that would be prohibited by these Title IX regulations.

§2555.140 **Dissemination of policy.**

(a) **Notification of policy.** (1) Each recipient shall implement specific and continuing steps to notify applicants for admission and employment, students and parents of elementary and secondary school students, employees, sources of referral of applicants for admission and employment, and all unions or professional organizations holding collective bargaining or professional agreements with the recipient, that it does not discriminate on the basis of sex in the educational programs or activities that it operates, and that it is required by Title IX and these Title IX regulations not to discriminate in such a manner. Such notification shall contain such information, and be made in such manner, as the designated agency official finds necessary to apprise such persons of the protections against discrimination assured them by Title IX and these Title IX regulations, but shall state at least that the requirement not to discriminate in education programs or activities extends to employment therein, and to admission thereto unless §§2555.300 through 2555.310 do not apply to the recipient, and that inquiries concerning the application of Title IX and these Title IX regulations to such recipient may be referred to the employee designated pursuant to §2555.135, or to the designated agency official.

(2) Each recipient shall make the initial notification required by paragraph (a)(1) of this section within 90 days of September 29, 2000 or of the date these Title IX regulations first apply to such recipient, whichever comes later, which notification shall include publication in:

(i) Newspapers and magazines operated by such recipient or by student, alumnae, or alumni groups for or in connection with such recipient; and

(ii) Memoranda or other written communications distributed to every student and employee of such recipient.

(b) **Publications.** (1) Each recipient shall prominently include a statement of the policy described in paragraph (a) of this section in each announcement, bulletin, catalog, or application form that it makes
available to any person of a type, described in paragraph (a) of this section, or which is otherwise used in connection with the recruitment of students or employees.

(2) A recipient shall not use or distribute a publication of the type described in paragraph (b)(1) of this section that suggests, by text or illustration, that such recipient treats applicants, students, or employees differently on the basis of sex except as such treatment is permitted by these Title IX regulations.

(c) Distribution. Each recipient shall distribute without discrimination on the basis of sex each publication described in paragraph (b)(1) of this section, and shall apprise each of its admission and employment recruitment representatives of the policy of nondiscrimination described in paragraph (a) of this section, and shall require such representatives to adhere to such policy.

Subpart B—Coverage

§2555.200 Application.

Except as provided in §§2555.205 through 2555.235(a), these Title IX regulations apply to every recipient and to each education program or activity operated by such recipient that receives Federal financial assistance.

§2555.205 Educational institutions and other entities controlled by religious organizations.

(a) Exemption. These Title IX regulations do not apply to any operation of an educational institution or other entity that is controlled by a religious organization to the extent that application of these Title IX regulations would not be consistent with the religious tenets of such organization.

(b) Exemption claims. An educational institution or other entity that wishes to claim the exemption set forth in paragraph (a) of this section shall do so by submitting in writing to the designated agency official a statement by the highest-ranking official of the institution, identifying the provisions of these Title IX regulations that conflict with a specific tenet of the religious organization.

§2555.210 Military and merchant marine educational institutions.

These Title IX regulations do not apply to an educational institution whose primary purpose is the training of individuals for a military service of the United States or for the merchant marine.

§2555.215 Membership practices of certain organizations.

(a) Social fraternities and sororities. These Title IX regulations do not apply to the membership practices of social fraternities and sororities that are exempt from taxation under section 501(a) of the Internal Revenue Code of 1954, 26 U.S.C. 501(a), the active membership of which consists primarily of students in attendance at institutions of higher education.

(b) YMCA, YWCA, Girl Scouts, Boy Scouts, and Camp Fire Girls. These Title IX regulations do not apply to the membership practices of the Young Men's Christian Association (YMCA), the Young Women's Christian Association (YWCA), the Girl Scouts, the Boy Scouts, and Camp Fire Girls.

(c) Voluntary youth service organizations. These Title IX regulations do not apply to the membership practices of a voluntary youth service organization that is exempt from taxation under section 501(a) of the Internal Revenue Code of 1954, 26 U.S.C. 501(a), and the membership of which has been traditionally limited to members of one sex and principally to persons of less than nineteen years of age.
§2555.220 Admissions.

(a) Admissions to educational institutions prior to June 24, 1973, are not covered by these Title IX regulations.

(b) Administratively separate units. For the purposes only of this section, §§2555.225 and 2555.230, and §§2555.300 through 2555.310, each administratively separate unit shall be deemed to be an educational institution.

(c) Application of §§2555.300 through 2555.310. Except as provided in paragraphs (d) and (e) of this section, §§2555.300 through 2555.310 apply to each recipient. A recipient to which §§2555.300 through 2555.310 apply shall not discriminate on the basis of sex in admission or recruitment in violation of §§2555.300 through 2555.310.

(d) Educational institutions. Except as provided in paragraph (e) of this section as to recipients that are educational institutions, §§2555.300 through 2555.310 apply only to institutions of vocational education, professional education, graduate higher education, and public institutions of undergraduate higher education.

(e) Public institutions of undergraduate higher education. §§2555.300 through 2555.310 do not apply to any public institution of undergraduate higher education that traditionally and continually from its establishment has had a policy of admitting students of only one sex.

§2555.225 Educational institutions eligible to submit transition plans.

(a) Application. This section applies to each educational institution to which §§2555.300 through 2555.310 apply that:

(1) Admitted students of only one sex as regular students as of June 23, 1972; or

(2) Admitted students of only one sex as regular students as of June 23, 1965, but thereafter admitted, as regular students, students of the sex not admitted prior to June 23, 1965.

(b) Provision for transition plans. An educational institution to which this section applies shall not discriminate on the basis of sex in admission or recruitment in violation of §§2555.300 through 2555.310.

§2555.230 Transition plans.

(a) Submission of plans. An institution to which §2555.225 applies and that is composed of more than one administratively separate unit may submit either a single transition plan applicable to all such units, or a separate transition plan applicable to each such unit.

(b) Content of plans. In order to be approved by the Secretary of Education, a transition plan shall:

(1) State the name, address, and Federal Interagency Committee on Education Code of the educational institution submitting such plan, the administratively separate units to which the plan is applicable, and the name, address, and telephone number of the person to whom questions concerning the plan may be addressed. The person who submits the plan shall be the chief administrator or president of the institution, or another individual legally authorized to bind the institution to all actions set forth in the plan.

(2) State whether the educational institution or administratively separate unit admits students of both sexes as regular students and, if so, when it began to do so.
(3) Identify and describe with respect to the educational institution or administratively separate unit any obstacles to admitting students without discrimination on the basis of sex.

(4) Describe in detail the steps necessary to eliminate as soon as practicable each obstacle so identified and indicate the schedule for taking these steps and the individual directly responsible for their implementation.

(5) Include estimates of the number of students, by sex, expected to apply for, be admitted to, and enter each class during the period covered by the plan.

(c) **Nondiscrimination.** No policy or practice of a recipient to which §2555.225 applies shall result in treatment of applicants to or students of such recipient in violation of §§2555.300 through 2555.310 unless such treatment is necessitated by an obstacle identified in paragraph (b)(3) of this section and a schedule for eliminating that obstacle has been provided as required by paragraph (b)(4) of this section.

(d) **Effects of past exclusion.** To overcome the effects of past exclusion of students on the basis of sex, each educational institution to which §2555.225 applies shall include in its transition plan, and shall implement, specific steps designed to encourage individuals of the previously excluded sex to apply for admission to such institution. Such steps shall include instituting recruitment programs that emphasize the institution’s commitment to enrolling students of the sex previously excluded.

§2555.235 *Statutory amendments.*

(a) This section, which applies to all provisions of these Title IX regulations, addresses statutory amendments to Title IX.

(b) These Title IX regulations shall not apply to or preclude:

(1) Any program or activity of the American Legion undertaken in connection with the organization or operation of any Boys State conference, Boys Nation conference, Girls State conference, or Girls Nation conference;

(2) Any program or activity of a secondary school or educational institution specifically for:

(i) The promotion of any Boys State conference, Boys Nation conference, Girls State conference, or Girls Nation conference; or

(ii) The selection of students to attend any such conference;

(3) Father-son or mother-daughter activities at an educational institution or in an education program or activity, but if such activities are provided for students of one sex, opportunities for reasonably comparable activities shall be provided to students of the other sex;

(4) Any scholarship or other financial assistance awarded by an institution of higher education to an individual because such individual has received such award in a single-sex pageant based upon a combination of factors related to the individual's personal appearance, poise, and talent. The pageant, however, must comply with other nondiscrimination provisions of Federal law.

(c) **Program or activity or program means:**

(1) All of the operations of any entity described in paragraphs (c)(1)(i) through (iv) of this section, any part of which is extended Federal financial assistance:
(i)(A) A department, agency, special purpose district, or other instrumentality of a State or of a local government; or

(B) The entity of such State or local government that distributes such assistance and each such department or agency (and each other State or local government entity) to which the assistance is extended, in the case of assistance to a State or local government;

(ii)(A) A college, university, or other postsecondary institution, or a public system of higher education; or

(B) A local educational agency (as defined in section 8801 of title 20), system of vocational education, or other school system;

(iii)(A) An entire corporation, partnership, or other private organization, or an entire sole proprietorship—

(1) If assistance is extended to such corporation, partnership, private organization, or sole proprietorship as a whole; or

(2) Which is principally engaged in the business of providing education, health care, housing, social services, or parks and recreation; or

(B) The entire plant or other comparable, geographically separate facility to which Federal financial assistance is extended, in the case of any other corporation, partnership, private organization, or sole proprietorship; or

(iv) Any other entity that is established by two or more of the entities described in paragraphs (c)(1)(i), (ii), or (iii) of this section.

(2)(i) Program or activity does not include any operation of an entity that is controlled by a religious organization if the application of 20 U.S.C. 1681 to such operation would not be consistent with the religious tenets of such organization.

(ii) For example, all of the operations of a college, university, or other postsecondary institution, including but not limited to traditional educational operations, faculty and student housing, campus shuttle bus service, campus restaurants, the bookstore, and other commercial activities are part of a "program or activity" subject to these Title IX regulations if the college, university, or other institution receives Federal financial assistance.

(d)(1) Nothing in these Title IX regulations shall be construed to require or prohibit any person, or public or private entity, to provide or pay for any benefit or service, including the use of facilities, related to an abortion. Medical procedures, benefits, services, and the use of facilities, necessary to save the life of a pregnant woman or to address complications related to an abortion are not subject to this section.

(2) Nothing in this section shall be construed to permit a penalty to be imposed on any person or individual because such person or individual is seeking or has received any benefit or service related to a legal abortion. Accordingly, subject to paragraph (d)(1) of this section, no person shall be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any academic, extracurricular, research, occupational training, employment, or other educational program or activity operated by a recipient that receives Federal financial assistance because such individual has sought or received, or is seeking, a legal abortion, or any benefit or service related to a legal abortion.
Subpart C—Discrimination on the Basis of Sex in Admission and Recruitment Prohibited

§2555.300 Admission.

(a) General. No person shall, on the basis of sex, be denied admission, or be subjected to discrimination in admission, by any recipient to which §§2555.300 through 2555.310 apply, except as provided in §§2555.225 and 2555.230.

(b) Specific prohibitions. (1) In determining whether a person satisfies any policy or criterion for admission, or in making any offer of admission, a recipient to which §§2555.300 through 2555.310 apply shall not:

(i) Give preference to one person over another on the basis of sex, by ranking applicants separately on such basis, or otherwise;

(ii) Apply numerical limitations upon the number or proportion of persons of either sex who may be admitted; or

(iii) Otherwise treat one individual differently from another on the basis of sex.

(2) A recipient shall not administer or operate any test or other criterion for admission that has a disproportionately adverse effect on persons on the basis of sex unless the use of such test or criterion is shown to predict validly success in the education program or activity in question and alternative tests or criteria that do not have such a disproportionately adverse effect are shown to be unavailable.

(c) Prohibitions relating to marital or parental status. In determining whether a person satisfies any policy or criterion for admission, or in making any offer of admission, a recipient to which §§2555.300 through 2555.310 apply:

(1) Shall not apply any rule concerning the actual or potential parental, family, or marital status of a student or applicant that treats persons differently on the basis of sex;

(2) Shall not discriminate against or exclude any person on the basis of pregnancy, childbirth, termination of pregnancy, or recovery therefrom, or establish or follow any rule or practice that so discriminates or excludes;

(3) Subject to §2555.235(d), shall treat disabilities related to pregnancy, childbirth, termination of pregnancy, or recovery therefrom in the same manner and under the same policies as any other temporary disability or physical condition; and

(4) Shall not make pre-admission inquiry as to the marital status of an applicant for admission, including whether such applicant is “Miss” or “Mrs.” A recipient may make pre-admission inquiry as to the sex of an applicant for admission, but only if such inquiry is made equally of such applicants of both sexes and if the results of such inquiry are not used in connection with discrimination prohibited by these Title IX regulations.

§2555.305 Preference in admission.

A recipient to which §§2555.300 through 2555.310 apply shall not give preference to applicants for admission, on the basis of attendance at any educational institution or other school or entity that admits
as students only or predominantly members of one sex, if the giving of such preference has the effect of discriminating on the basis of sex in violation of §§2555.300 through 2555.310.

§2555.310 Recruitment.

(a) Nondiscriminatory recruitment. A recipient to which §§2555.300 through 2555.310 apply shall not discriminate on the basis of sex in the recruitment and admission of students. A recipient may be required to undertake additional recruitment efforts for one sex as remedial action pursuant to §2555.110(a), and may choose to undertake such efforts as affirmative action pursuant to §2555.110(b).

(b) Recruitment at certain institutions. A recipient to which §§2555.300 through 2555.310 apply shall not recruit primarily or exclusively at educational institutions, schools, or entities that admit as students only or predominantly members of one sex, if such actions have the effect of discriminating on the basis of sex in violation of §§2555.300 through 2555.310.

Subpart D—Discrimination on the Basis of Sex in Education Programs or Activities Prohibited

§2555.400 Education programs or activities.

(a) General. Except as provided elsewhere in these Title IX regulations, no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any academic, extracurricular, research, occupational training, or other education program or activity operated by a recipient that receives Federal financial assistance. Sections 2555.400 through 2555.455 do not apply to actions of a recipient in connection with admission of its students to an education program or activity of a recipient to which §§2555.300 through 2555.310 do not apply, or an entity, not a recipient, to which §§2555.300 through 2555.310 would not apply if the entity were a recipient.

(b) Specific prohibitions. Except as provided in §§2555.400 through 2555.455, in providing any aid, benefit, or service to a student, a recipient shall not, on the basis of sex:

1. Treat one person differently from another in determining whether such person satisfies any requirement or condition for the provision of such aid, benefit, or service;

2. Provide different aid, benefits, or services or provide aid, benefits, or services in a different manner;

3. Deny any person any such aid, benefit, or service;

4. Subject any person to separate or different rules of behavior, sanctions, or other treatment;

5. Apply any rule concerning the domicile or residence of a student or applicant, including eligibility for in-state fees and tuition;

6. Aid or perpetuate discrimination against any person by providing significant assistance to any agency, organization, or person that discriminates on the basis of sex in providing any aid, benefit, or service to students or employees;

7. Otherwise limit any person in the enjoyment of any right, privilege, advantage, or opportunity.
(c) Assistance administered by a recipient educational institution to study at a foreign institution. A recipient educational institution may administer or assist in the administration of scholarships, fellowships, or other awards established by foreign or domestic wills, trusts, or similar legal instruments, or by acts of foreign governments and restricted to members of one sex, that are designed to provide opportunities to study abroad, and that are awarded to students who are already matriculating at or who are graduates of the recipient institution; Provided, that a recipient educational institution that administers or assists in the administration of such scholarships, fellowships, or other awards that are restricted to members of one sex provides, or otherwise makes available, reasonable opportunities for similar studies for members of the other sex. Such opportunities may be derived from either domestic or foreign sources.

(d) Aids, benefits or services not provided by recipient. (1) This paragraph (d) applies to any recipient that requires participation by any applicant, student, or employee in any education program or activity not operated wholly by such recipient, or that facilitates, permits, or considers such participation as part of or equivalent to an education program or activity operated by such recipient, including participation in educational consortia and cooperative employment and student-teaching assignments.

(2) Such recipient:

(i) Shall develop and implement a procedure designed to assure itself that the operator or sponsor of such other education program or activity takes no action affecting any applicant, student, or employee of such recipient that these Title IX regulations would prohibit such recipient from taking; and

(ii) Shall not facilitate, require, permit, or consider such participation if such action occurs.

§2555.405 Housing.

(a) Generally. A recipient shall not, on the basis of sex, apply different rules or regulations, impose different fees or requirements, or offer different services or benefits related to housing, except as provided in this section (including housing provided only to married students).

(b) Housing provided by recipient. (1) A recipient may provide separate housing on the basis of sex.

(2) Housing provided by a recipient to students of one sex, when compared to that provided to students of the other sex, shall be as a whole:

(i) Proportionate in quantity to the number of students of that sex applying for such housing; and

(ii) Comparable in quality and cost to the student.

(c) Other housing. (1) A recipient shall not, on the basis of sex, administer different policies or practices concerning occupancy by its students of housing other than that provided by such recipient.

(2)(i) A recipient which, through solicitation, listing, approval of housing, or otherwise, assists any agency, organization, or person in making housing available to any of its students, shall take such reasonable action as may be necessary to assure itself that such housing as is provided to students of one sex, when compared to that provided to students of the other sex, is as a whole:

(A) Proportionate in quantity; and

(B) Comparable in quality and cost to the student.

(ii) A recipient may render such assistance to any agency, organization, or person that provides all or part of such housing to students of only one sex.
§2555.410 Comparable facilities.

A recipient may provide separate toilet, locker room, and shower facilities on the basis of sex, but such facilities provided for students of one sex shall be comparable to such facilities provided for students of the other sex.

§2555.415 Access to course offerings.

(a) A recipient shall not provide any course or otherwise carry out any of its education program or activity separately on the basis of sex, or require or refuse participation therein by any of its students on such basis, including health, physical education, industrial, business, vocational, technical, home economics, music, and adult education courses.

(b)(1) With respect to classes and activities in physical education at the elementary school level, the recipient shall comply fully with this section as expeditiously as possible but in no event later than one year from September 29, 2000. With respect to physical education classes and activities at the secondary and post-secondary levels, the recipient shall comply fully with this section as expeditiously as possible but in no event later than three years from September 29, 2000.

(2) This section does not prohibit grouping of students in physical education classes and activities by ability as assessed by objective standards of individual performance developed and applied without regard to sex.

(3) This section does not prohibit separation of students by sex within physical education classes or activities during participation in wrestling, boxing, rugby, ice hockey, football, basketball, and other sports the purpose or major activity of which involves bodily contact.

(4) Where use of a single standard of measuring skill or progress in a physical education class has an adverse effect on members of one sex, the recipient shall use appropriate standards that do not have such effect.

(5) Portions of classes in elementary and secondary schools, or portions of education programs or activities, that deal exclusively with human sexuality may be conducted in separate sessions for boys and girls.

(6) Recipients may make requirements based on vocal range or quality that may result in a chorus or choruses of one or predominantly one sex.

§2555.420 Access to schools operated by LEAs.

A recipient that is a local educational agency shall not, on the basis of sex, exclude any person from admission to:

(a) Any institution of vocational education operated by such recipient; or

(b) Any other school or educational unit operated by such recipient, unless such recipient otherwise makes available to such person, pursuant to the same policies and criteria of admission, courses, services, and facilities comparable to each course, service, and facility offered in or through such schools.

§2555.425 Counseling and use of appraisal and counseling materials.

(a) Counseling. A recipient shall not discriminate against any person on the basis of sex in the counseling or guidance of students or applicants for admission.
(b) Use of appraisal and counseling materials. A recipient that uses testing or other materials for appraising or counseling students shall not use different materials for students on the basis of their sex or use materials that permit or require different treatment of students on such basis unless such different materials cover the same occupations and interest areas and the use of such different materials is shown to be essential to eliminate sex bias. Recipients shall develop and use internal procedures for ensuring that such materials do not discriminate on the basis of sex. Where the use of a counseling test or other instrument results in a substantially disproportionate number of members of one sex in any particular course of study or classification, the recipient shall take such action as is necessary to assure itself that such disproportion is not the result of discrimination in the instrument or its application.

(c) Disproportion in classes. Where a recipient finds that a particular class contains a substantially disproportionate number of individuals of one sex, the recipient shall take such action as is necessary to assure itself that such disproportion is not the result of discrimination on the basis of sex in counseling or appraisal materials or by counselors.

§2555.430 Financial assistance.

(a) General. Except as provided in paragraphs (b) and (c) of this section, in providing financial assistance to any of its students, a recipient shall not:

(1) On the basis of sex, provide different amounts or types of such assistance, limit eligibility for such assistance that is of any particular type or source, apply different criteria, or otherwise discriminate;

(2) Through solicitation, listing, approval, provision of facilities, or other services, assist any foundation, trust, agency, organization, or person that provides assistance to any of such recipient's students in a manner that discriminates on the basis of sex; or

(3) Apply any rule or assist in application of any rule concerning eligibility for such assistance that treats persons of one sex differently from persons of the other sex with regard to marital or parental status.

(b) Financial aid established by certain legal instruments. (1) A recipient may administer or assist in the administration of scholarships, fellowships, or other forms of financial assistance established pursuant to domestic or foreign wills, trusts, bequests, or similar legal instruments or by acts of a foreign government that require that awards be made to members of a particular sex specified therein; Provided, that the overall effect of the award of such sex-restricted scholarships, fellowships, and other forms of financial assistance does not discriminate on the basis of sex.

(2) To ensure nondiscriminatory awards of assistance as required in paragraph (b)(1) of this section, recipients shall develop and use procedures under which:

(i) Students are selected for award of financial assistance on the basis of nondiscriminatory criteria and not on the basis of availability of funds restricted to members of a particular sex;

(ii) An appropriate sex-restricted scholarship, fellowship, or other form of financial assistance is allocated to each student selected under paragraph (b)(2)(i) of this section; and

(iii) No student is denied the award for which he or she was selected under paragraph (b)(2)(i) of this section because of the absence of a scholarship, fellowship, or other form of financial assistance designated for a member of that student's sex.
(c) **Athletic scholarships.** (1) To the extent that a recipient awards athletic scholarships or grants-in-aid, it must provide reasonable opportunities for such awards for members of each sex in proportion to the number of students of each sex participating in interscholastic or intercollegiate athletics.

(2) A recipient may provide separate athletic scholarships or grants-in-aid for members of each sex as part of separate athletic teams for members of each sex to the extent consistent with this paragraph (c) and §2555.450.

§2555.435 **Employment assistance to students.**

(a) **Assistance by recipient in making available outside employment.** A recipient that assists any agency, organization, or person in making employment available to any of its students:

(1) Shall assure itself that such employment is made available without discrimination on the basis of sex; and

(2) Shall not render such services to any agency, organization, or person that discriminates on the basis of sex in its employment practices.

(b) **Employment of students by recipients.** A recipient that employs any of its students shall not do so in a manner that violates §§2555.500 through 2555.550.

§2555.440 **Health and insurance benefits and services.**

Subject to §2555.235(d), in providing a medical, hospital, accident, or life insurance benefit, service, policy, or plan to any of its students, a recipient shall not discriminate on the basis of sex, or provide such benefit, service, policy, or plan in a manner that would violate §§2555.500 through 2555.550 if it were provided to employees of the recipient. This section shall not prohibit a recipient from providing any benefit or service that may be used by a different proportion of students of one sex than of the other, including family planning services. However, any recipient that provides full coverage health service shall provide gynecological care.

§2555.445 **Marital or parental status.**

(a) **Status generally.** A recipient shall not apply any rule concerning a student's actual or potential parental, family, or marital status that treats students differently on the basis of sex.

(b) **Pregnancy and related conditions.** (1) A recipient shall not discriminate against any student, or exclude any student from its education program or activity, including any class or extracurricular activity, on the basis of such student's pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery therefrom, unless the student requests voluntarily to participate in a separate portion of the program or activity of the recipient.

(2) A recipient may require such a student to obtain the certification of a physician that the student is physically and emotionally able to continue participation as long as such a certification is required of all students for other physical or emotional conditions requiring the attention of a physician.

(3) A recipient that operates a portion of its education program or activity separately for pregnant students, admittance to which is completely voluntary on the part of the student as provided in paragraph (b)(1) of this section, shall ensure that the separate portion is comparable to that offered to non-pregnant students.
(4) Subject to §2555.235(d), a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy and recovery therefrom in the same manner and under the same policies as any other temporary disability with respect to any medical or hospital benefit, service, plan, or policy that such recipient administers, operates, offers, or participates in with respect to students admitted to the recipient's educational program or activity.

(5) In the case of a recipient that does not maintain a leave policy for its students, or in the case of a student who does not otherwise qualify for leave under such a policy, a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy, and recovery therefrom as a justification for a leave of absence for as long a period of time as is deemed medically necessary by the student's physician, at the conclusion of which the student shall be reinstated to the status that she held when the leave began.

§2555.450 Athletics.

(a) General. No person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, be treated differently from another person, or otherwise be discriminated against in any interscholastic, intercollegiate, club, or intramural athletics offered by a recipient, and no recipient shall provide any such athletics separately on such basis.

(b) Separate teams. Notwithstanding the requirements of paragraph (a) of this section, a recipient may operate or sponsor separate teams for members of each sex where selection for such teams is based upon competitive skill or the activity involved is a contact sport. However, where a recipient operates or sponsors a team in a particular sport for members of one sex but operates or sponsors no such team for members of the other sex, and athletic opportunities for members of that sex have previously been limited, members of the excluded sex must be allowed to try out for the team offered unless the sport involved is a contact sport. For the purposes of these Title IX regulations, contact sports include boxing, wrestling, rugby, ice hockey, football, basketball, and other sports the purpose or major activity of which involves bodily contact.

(c)Equal opportunity. (1) A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics shall provide equal athletic opportunity for members of both sexes. In determining whether equal opportunities are available, the designated agency official will consider, among other factors:

(i) Whether the selection of sports and levels of competition effectively accommodate the interests and abilities of members of both sexes;

(ii) The provision of equipment and supplies;

(iii) Scheduling of games and practice time;

(iv) Travel and per diem allowance;

(v) Opportunity to receive coaching and academic tutoring;

(vi) Assignment and compensation of coaches and tutors;

(vii) Provision of locker rooms, practice, and competitive facilities;

(viii) Provision of medical and training facilities and services;

(ix) Provision of housing and dining facilities and services;
(x) Publicity.

(2) For purposes of paragraph (c)(1) of this section, unequal aggregate expenditures for members of each sex or unequal expenditures for male and female teams if a recipient operates or sponsors separate teams will not constitute noncompliance with this section, but the designated agency official may consider the failure to provide necessary funds for teams for one sex in assessing equality of opportunity for members of each sex.

(d) Adjustment period. A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics at the elementary school level shall comply fully with this section as expeditiously as possible but in no event later than one year from September 29, 2000. A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics at the secondary or postsecondary school level shall comply fully with this section as expeditiously as possible but in no event later than three years from September 29, 2000.

§2555.455 Textbooks and curricular material.

Nothing in these Title IX regulations shall be interpreted as requiring or prohibiting or abridging in any way the use of particular textbooks or curricular materials.

Subpart E—Discrimination on the Basis of Sex in Employment in Education Programs or Activities Prohibited

§2555.500 Employment.

(a) General. (1) No person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination in employment, or recruitment, consideration, or selection therefor, whether full-time or part-time, under any education program or activity operated by a recipient that receives Federal financial assistance.

(2) A recipient shall make all employment decisions in any education program or activity operated by such recipient in a nondiscriminatory manner and shall not limit, segregate, or classify applicants or employees in any way that could adversely affect any applicant's or employee's employment opportunities or status because of sex.

(3) A recipient shall not enter into any contractual or other relationship which directly or indirectly has the effect of subjecting employees or students to discrimination prohibited by §§2555.500 through 2555.550, including relationships with employment and referral agencies, with labor unions, and with organizations providing or administering fringe benefits to employees of the recipient.

(4) A recipient shall not grant preferences to applicants for employment on the basis of attendance at any educational institution or entity that admits as students only or predominantly members of one sex, if the giving of such preferences has the effect of discriminating on the basis of sex in violation of these Title IX regulations.

(b) Application. The provisions of §§2555.500 through 2555.550 apply to:

(1) Recruitment, advertising, and the process of application for employment;

(2) Hiring, upgrading, promotion, consideration for and award of tenure, demotion, transfer, layoff, termination, application of nepotism policies, right of return from layoff, and rehiring;
(3) Rates of pay or any other form of compensation, and changes in compensation;

(4) Job assignments, classifications, and structure, including position descriptions, lines of progression, and seniority lists;

(5) The terms of any collective bargaining agreement;

(6) Granting and return from leaves of absence, leave for pregnancy, childbirth, false pregnancy, termination of pregnancy, leave for persons of either sex to care for children or dependents, or any other leave;

(7) Fringe benefits available by virtue of employment, whether or not administered by the recipient;

(8) Selection and financial support for training, including apprenticeship, professional meetings, conferences, and other related activities, selection for tuition assistance, selection for sabbaticals and leaves of absence to pursue training;

(9) Employer-sponsored activities, including social or recreational programs; and

(10) Any other term, condition, or privilege of employment.

§2555.505 Employment criteria.

A recipient shall not administer or operate any test or other criterion for any employment opportunity that has a disproportionately adverse effect on persons on the basis of sex unless:

(a) Use of such test or other criterion is shown to predict validly successful performance in the position in question; and

(b) Alternative tests or criteria for such purpose, which do not have such disproportionately adverse effect, are shown to be unavailable.

§2555.510 Recruitment.

(a) Nondiscriminatory recruitment and hiring. A recipient shall not discriminate on the basis of sex in the recruitment and hiring of employees. Where a recipient has been found to be presently discriminating on the basis of sex in the recruitment or hiring of employees, or has been found to have so discriminated in the past, the recipient shall recruit members of the sex so discriminated against so as to overcome the effects of such past or present discrimination.

(b) Recruitment patterns. A recipient shall not recruit primarily or exclusively at entities that furnish as applicants only or predominantly members of one sex if such actions have the effect of discriminating on the basis of sex in violation of §§2555.500 through 2555.550.

§2555.515 Compensation.

A recipient shall not make or enforce any policy or practice that, on the basis of sex:

(a) Makes distinctions in rates of pay or other compensation;
(b) Results in the payment of wages to employees of one sex at a rate less than that paid to employees of the opposite sex for equal work on jobs the performance of which requires equal skill, effort, and responsibility, and that are performed under similar working conditions.

§2555.520 Job classification and structure.

A recipient shall not:

(a) Classify a job as being for males or for females;

(b) Maintain or establish separate lines of progression, seniority lists, career ladders, or tenure systems based on sex; or

(c) Maintain or establish separate lines of progression, seniority systems, career ladders, or tenure systems for similar jobs, position descriptions, or job requirements that classify persons on the basis of sex, unless sex is a bona fide occupational qualification for the positions in question as set forth in §2555.550.

§2555.525 Fringe benefits.

(a) "Fringe benefits" defined. For purposes of these Title IX regulations, fringe benefits means: Any medical, hospital, accident, life insurance, or retirement benefit, service, policy or plan, any profit-sharing or bonus plan, leave, and any other benefit or service of employment not subject to the provision of §2555.515.

(b) Prohibitions. A recipient shall not:

(1) Discriminate on the basis of sex with regard to making fringe benefits available to employees or make fringe benefits available to spouses, families, or dependents of employees differently upon the basis of the employee’s sex;

(2) Administer, operate, offer, or participate in a fringe benefit plan that does not provide for equal periodic benefits for members of each sex and for equal contributions to the plan by such recipient for members of each sex; or

(3) Administer, operate, offer, or participate in a pension or retirement plan that establishes different optional or compulsory retirement ages based on sex or that otherwise discriminates in benefits on the basis of sex.

§2555.530 Marital or parental status.

(a) General. A recipient shall not apply any policy or take any employment action:

(1) Concerning the potential marital, parental, or family status of an employee or applicant for employment that treats persons differently on the basis of sex; or

(2) Which is based upon whether an employee or applicant for employment is the head of household or principal wage earner in such employee’s or applicant’s family unit.

(b) Pregnancy. A recipient shall not discriminate against or exclude from employment any employee or applicant for employment on the basis of pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery therefrom.
(c) *Pregnancy as a temporary disability.* Subject to §2555.235(d), a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy, recovery therefrom, and any temporary disability resulting therefrom as any other temporary disability for all job-related purposes, including commencement, duration, and extensions of leave, payment of disability income, accrual of seniority and any other benefit or service, and reinstatement, and under any fringe benefit offered to employees by virtue of employment.

(d) *Pregnancy leave.* In the case of a recipient that does not maintain a leave policy for its employees, or in the case of an employee with insufficient leave or accrued employment time to qualify for leave under such a policy, a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy, and recovery therefrom as a justification for a leave of absence without pay for a reasonable period of time, at the conclusion of which the employee shall be reinstated to the status that she held when the leave began or to a comparable position, without decrease in rate of compensation or loss of promotional opportunities, or any other right or privilege of employment.

§2555.535 Effect of state or local law or other requirements.

(a) *Prohibitory requirements.* The obligation to comply with §§2555.500 through 2555.550 is not obviated or alleviated by the existence of any State or local law or other requirement that imposes prohibitions or limits upon employment of members of one sex that are not imposed upon members of the other sex.

(b) *Benefits.* A recipient that provides any compensation, service, or benefit to members of one sex pursuant to a State or local law or other requirement shall provide the same compensation, service, or benefit to members of the other sex.

§2555.540 Advertising.

§2555.545 Pre-employment inquiries.

(a) *Marital status.* A recipient shall not make pre-employment inquiry as to the marital status of an applicant for employment, including whether such applicant is “Miss” or “Mrs.”

(b) *Sex.* A recipient may make pre-employment inquiry as to the sex of an applicant for employment, but only if such inquiry is made equally of such applicants of both sexes and if the results of such inquiry are not used in connection with discrimination prohibited by these Title IX regulations.

§2555.550 Sex as a bona fide occupational qualification.

A recipient may take action otherwise prohibited by §§2555.500 through 2555.550 provided it is shown that sex is a bona fide occupational qualification for that action, such that consideration of sex with regard to such action is essential to successful operation of the employment function concerned. A recipient shall not take action pursuant to this section that is based upon alleged comparative employment characteristics or stereotyped characterizations of one or the other sex, or upon preference based on sex of the recipient, employees, students, or other persons, but nothing contained in this section shall prevent a recipient from considering an employee’s sex in relation to employment in a locker room or toilet facility used only by members of one sex.

**Subpart F—Procedures**
§2555.600 Notice of covered programs.

Within 60 days of September 29, 2000, each Federal agency that awards Federal financial assistance shall publish in the FEDERAL REGISTER a notice of the programs covered by these Title IX regulations. Each such Federal agency shall periodically republish the notice of covered programs to reflect changes in covered programs. Copies of this notice also shall be made available upon request to the Federal agency’s office that enforces Title IX.

§2555.605 Enforcement procedures.

A. LEGISLATIVE AND REGULATORY AUTHORITY

This award is authorized by and subject to The National and Community Service Act of 1990, as amended, (42 U.S.C. 12501 et seq.) (NCSA) and/or the Domestic Volunteer Service Act of 1973, as amended, (42 USC 4950 et seq.) (DVSA), the Federal Grant and Cooperative Agreement Act (FGCAA), 31 USC §§6301-6308, and CNCS’s implementing regulations in 45 CFR Chapter XII and/or XXV. Recipients must comply with the requirements of the NCSA and/or DVSA and CNCS’s implementing regulations, as applicable.

B. OTHER APPLICABLE TERMS AND CONDITIONS

This award is subject to the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards located at 2 CFR Part 200 and CNCS’s implementing regulation at 2 CFR Part 2205 (hereinafter, the Uniform Guidance). Award recipients must read, understand, and implement these requirements.

The recipient must comply with all other applicable statutes, executive orders, regulations, and policies governing the award, including, but not limited to, those included in 2 CFR Chapter I, as well as those cited in these General Terms and Conditions and Program Specific Terms and Conditions, and the Assurances and Certifications. Some of these requirements are discussed in these General Terms and Conditions to provide emphasis or additional explanations to recipients. Other provisions are included in these CNCS’s General Terms and Conditions because they are required by specific laws or regulations. However, recipients are required to comply with all applicable requirements whether or not they are specifically referenced or discussed in these General Terms and Conditions.

In addition to the applicable statutes and regulations referred to above, the recipient must comply with and perform its award consistent with the requirements stated in:

1. The Notice of Grant Award and Signature Page;
2. These General Terms and Conditions;
3. The Program Specific Terms and Conditions;
4. The Notice of Funding Availability;
5. The recipient’s approved application (including the final approved budget, attachments, and pre-award negotiations); and
6. Grant Certification and Assurances.

C. ORDER OF PRECEDENCE

Any inconsistency in the authorities governing the Award shall be resolved by giving precedence in the following order: (a) applicable Federal statutes, (b) applicable Federal regulations, (c) Notice of Grant Award and Signature Page; (d) CNCS Program Specific Terms and Conditions, (d) CNCS General Terms and Conditions, (e) the Notice of Funding Opportunity, and (f) the approved Award Application including all assurances, certifications, attachments, and pre-award negotiations.
II. GENERAL TERMS AND CONDITIONS

A. RESPONSIBILITIES UNDER AWARD ADMINISTRATION

1. Accountability of the Recipient. The recipient has full fiscal and programmatic responsibility for managing all aspects of the award and award-supported activities, subject to the oversight of CNCS. The recipient is accountable to CNCS for its operation of the program and the use of CNCS award funds. The recipient must expend award funds in a judicious and reasonable manner, and it must record accurately the service activities and outcomes achieved under the award. Although recipients are encouraged to seek the advice and opinion of CNCS on special problems that may arise, such advice does not diminish the recipient’s responsibility for making sound judgments and does not shift the responsibility for operating decisions to CNCS.

2. Subawards. If authorized by CNCS, a recipient may make subawards in accordance with the requirements set forth in the Uniform Guidance. The recipient must have and implement a plan for oversight and monitoring that complies with the requirements applicable to pass through entities identified at 2 CFR §200.331 to ensure that each subrecipient has agreed to comply, and is complying, with award requirements.

A recipient of a Federal award that is a pass-through entity has certain obligations to its subrecipients. Those requirements are located at 2 CFR §200.331 and include, but are not limited to, the following:

a. Clearly identify the subaward to the subrecipient as a subaward, and provide the information identified at 2 CFR §200.331(a)(1)-(6);

b. Evaluate subrecipients’ risk of noncompliance in order to determine appropriate subrecipient monitoring;

c. Impose specific conditions on subawards if appropriate in accordance with 2 CFR §200.207;

g. Where necessary, adjust its own records and financial statements based on audits; and

h. If appropriate, take enforcement action against noncompliant subrecipients in accordance with 2 CFR §200.338.

3. Notice to CNCS. The recipient will notify the appropriate CNCS Program or Grants Officer immediately of any developments or delays that have a significant impact on funded activities, any significant problems relating to the administrative or financial aspects of the award, or any suspected misconduct or malfeasance related to the award or recipient. The recipient will inform the CNCS Program or Grants Officer about the corrective action taken or contemplated by the recipient and any assistance needed to resolve the situation.
B. FINANCIAL MANAGEMENT STANDARDS

1. General. The recipient must maintain financial management systems that comply with 2 CFR §200.302(b). The recipient’s financial management systems must be capable of distinguishing expenditures attributable to this award from expenditures not attributable to this award. The systems must be able to identify costs by program year and by budget category, and to differentiate between direct and indirect costs. For all recipient’s financial management requirements and responsibilities, refer to Subparts D and E of the Uniform Guidance.

2. Allowability of Costs. To be allowable under an award, costs must meet the criteria of 2 CFR §200.403, which provides that costs must be necessary and reasonable for the performance of the award, must conform to limitations in the award or 2 CFR Part 200 as to types or amounts of cost items, must be consistent with policies and procedures that apply uniformly to both Federally financed and other activities of the recipient, must be adequately documented, and must not be included as a cost or used to meet cost share or matching requirements of any other Federally-financed program. Furthermore, the costs must be accorded consistent treatment in like circumstances as either direct or indirect costs in order to avoid the double-charging of Federal awards (see 2 CFR §200.403(d) and §200.412).

3. Cost Reporting. Recipients will be reporting their Federal cash disbursements quarterly through the Payment Management System (PMS) at the Department of Health and Human Services and their Federal share of grant program expenditures (including indirect costs) semi-annually through CNCS’s eGrants system. Recipient’s financial management systems must be able to routinely produce reports which support and reconcile to the amounts reported to PMS and eGrants. Recipients must also ensure that the financial management systems of any subrecipients can routinely produce the same reports. As part of its ongoing fiscal oversight of recipients, CNCS will be requesting randomly selected recipients to provide reports supporting their Federal cash disbursements reported to PMS (including supporting information for cash disbursements made by subrecipients). CNCS expects that recipients’ and subrecipients’ financial management systems to be able to produce those supporting reports on a routine basis.

4. Audits. Recipient organizations that expend $750,000 or more in total Federal awards in a fiscal year shall have a single or program-specific audit conducted for that year in accordance with the Single Audit Act, as amended, 31 U.S.C. 7501, et seq., and 2 CFR Part 200, Subpart F. If the recipient expends Federal awards under only one Federal program, it may elect to have a program specific audit, if it is otherwise eligible. A recipient that does not expend $750,000 in Federal awards is exempt from the audit requirements for that year. However, it must continue to conduct financial management reviews of its subrecipients, and its records and its subrecipients’ records must be available for review and audit in accordance with 2 CFR §§200.333-200.337 and §200.331(a)(5). Additionally, a recipient acting as a pass-through entity must issue management decisions for audit findings pertaining to the Federal award provided to the subrecipient as required by 2 C.F.R. § 200.521 and ensure follow-up on audit findings in a timely manner to ensure that the subrecipient corrects any deficiencies identified in the audit.
C. CHANGES IN BUDGET OR KEY PERSONNEL

All budget and programmatic changes must comply with 2 CFR $200.308 – Revision of budget and program plans. 2 CFR §200.407 Prior written approval (prior approval) – provides an exhaustive list of those other items requiring CNCS’s advance approval. CNCS does not waive any of the prior written approvals required under that section. In addition to the required prior approval for changes in key personnel identified in the budget, the recipient must also notify CNCS of any changes in any positions which are not included in the approved budget, but which involve leadership oversight of the activity under this award. The recipient must also notify CNCS of any change in the senior leadership of the recipient.

D. PROHIBITED PROGRAM ACTIVITIES

The recipient must comply with, and require all subrecipients to comply with, the prohibitions on use of CNCS funds applicable to their program as identified in sections 132A and 174 of the NCSA (42 U.S.C. §§12584a and 12634) and section 403 of the DVSA (42 U.S.C. §5043), and provisions by Congress in annual appropriations acts. More specific guidance on these prohibitions will be provided in CNCS’s Specific Terms and Conditions and in other guidance.

E. NATIONAL SERVICE CRIMINAL HISTORY CHECK REQUIREMENTS

The National Service Criminal History Check (NSCHC) is a screening procedure established by law to protect the beneficiaries of national service. See 45 CFR §§2540.200-2540.207 and http://www.nationalservice.gov/resources/criminal-history-check for complete information and FAQs. The law requires recipients to conduct and document NSCHCs on any person (including award-funded staff, national service participant, or volunteer) receiving a salary, living allowance, stipend or education award through a program receiving CNCS funds. An individual is ineligible to serve in a position that receives such CNCS funding if the individual is registered, or required to be registered, as a sex offender or has been convicted of murder. The cost of conducting NSCHCs is an allowable expense under the award.

Unless CNCS has provided a recipient with a written exemption or written approval of an alternative search procedure, recipients must perform the following checks:

All award-funded staff, national service participants, and volunteers must undergo NSCHCs that include:

1. A nationwide name-based search of the National Sex Offender Public Website (NSOPW); and
2. Either:
   • A name- or fingerprint-based search of the statewide criminal history registry in the person’s state of residence and in the state where the person will serve/work; or
   • A fingerprint-based FBI criminal history check.

Special Rule for Persons Serving Vulnerable Populations. Award-funded staff, national service participants, and volunteers with recurring access to vulnerable populations (i.e., children age 17
or younger, individuals age 60 or older, or individuals with disabilities) must undergo NSCHCs that include:

1. A nationwide name-based check of the NSOPW; and
2. Both:
   - A name- or fingerprint-based search of the statewide criminal history registry in the person’s state of residence and in the state where the person will serve/work; and
   - A fingerprint-based FBI criminal history check.

You must retain adequate documentation that you completed the required NSCHC. Inability to demonstrate that you conducted a required criminal history check component, to include the NSOPW, as specified in the regulations, may result in sanctions, including disallowance of costs.

In addition, you must ensure that appropriate recipient staff receives annual training on NSCHC compliance, as specified by CNCS.

F. THE OFFICE OF INSPECTOR GENERAL

CNCS’s Office of Inspector General (OIG) conducts and supervises independent audits, evaluations, and investigations of CNCS’s programs and operations. Based on the results of these audits, reviews, and investigations, the OIG recommends policies to promote economy and efficiency and to prevent and detect fraud, waste, and abuse in CNCS’s programs and operations.

The OIG conducts and supervises audits of CNCS recipients, as well as legally required audits and reviews. The legally required audits include the annual financial statement audit, the Federal Information Security Management Act audit, and evaluating CNCS’s compliance with the Improper Payments Elimination and Recovery Act (IPERA). A risk-based approach, along with input received from CNCS management, is used to select recipients and awards for audit. The OIG hires independent audit firms to conduct some of its audits. The OIG audit staff is available to discuss any audit and can be reached at (202) 606-9390.

Recipients must cooperate fully with OIG inquiries by timely disclosing complete and accurate information pertaining to matters under investigation, audit or review, and by not concealing information or obstructing audits, inspections, investigations, or other official inquiries.

G. REPORTING OF FRAUD, WASTE, AND ABUSE

Recipients must contact the OIG and their Program Officer without delay when they first suspect:

1. Any criminal activity or violations of law has occurred, such as:
   - Fraud, theft, conversion, misappropriation, embezzlement, or misuse of funds or property by any person, including CNCS personnel, grantees, or contractors—even if no federal funds or property was involved;
   - Submission of a false claim or a false statement by any person in connection with any CNCS program, activity, grant or operations;
   - Concealment, forgery, falsification, or unauthorized destruction of government or program records;
• Corruption, bribery, kickbacks, acceptance of illegal gratuities, extortion, or conflicts of interest in connection with operations, programs, activities, contracts, or grants;
• Any other misconduct in connection with operations, programs, activities, contracts, or grants; or
• Mismanagement, abuse of authority, or other misconduct by any CNCS personnel.

2. Fraud, waste, or abuse.
• Fraud occurs when someone is intentionally dishonest or uses intentional misrepresentation or misleading omission to receive something of value or to deprive someone, including the government, of something of value.
• Waste occurs when taxpayers do not receive reasonable value for their money in connection with a government-funded activity due to an inappropriate act or omission by people with control over or access to government resources.
• Abuse is behavior that is deficient, objectively unreasonable, or improper under the circumstances. Abuse also includes the misuse of authority or position for personal financial gain or the gain of an immediate or close family member or business associate.

The OIG maintains a hotline to receive this information, which can be reached by email at hotline@cncoig.gov or by telephone at (800) 452-8210. Upon request, OIG will take appropriate measures to protect the identity of any individual who reports misconduct, as authorized by the Inspector General Act of 1978, as amended. Reports to OIG may also be made anonymously.

*The recipient should take no further steps to investigate any suspected misconduct, except as directed by the OIG or to prevent the destruction of evidence or information.*

3. Responding to information requests. CNCS may from time to time request documentation from recipients in order to monitor the award or to comply with other legal requirements, such as the Improper Payments Information Act of 2002, as amended.    iv. Change in pension value. This is the change in present value of defined benefit and actuarial pension plans.
   v. Above-market earnings on deferred compensation which is not tax-qualified.
   vi. Other compensation, if the aggregate value of all such other compensation (e.g. severance, termination payments, value of life insurance paid on behalf of the employee, perquisites or property) for the executive exceeds $10,000.

Q. CONFLICT OF INTEREST

You must disclose in writing any potential conflict of interest to your CNCS Program Officer, or to the pass-through entity if you are a subrecipient or contractor. This disclosure must take place immediately. The CNCS conflict of interest policies apply to subawards as well as contracts, and are as follows:

1. As a non-Federal entity, you must maintain written standards of conduct covering conflicts of interest and governing the performance of your employees engaged in the selection, award, and administration of subawards and contracts.

2. None of your employees may participate in the selection, award, or administration of a subaward or contract supported by a Federal award if he or she has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from an organization considered for a subaward or contract. The officers, employees, and agents of the non-Federal entity must neither solicit nor accept gratuities, favors, or anything of monetary value from subrecipients or contractors or parties to subawards or contracts.
3. If you have a parent, affiliate, or subsidiary organization that is not a State, local government, or Indian tribe, you must also maintain written standards of conduct covering organizational conflicts of interest. Organizational conflicts of interest means that because of relationships with a parent company, affiliate, or subsidiary organization, you are unable or appear to be unable to be impartial in conducting a subaward or procurement action involving a related organization.

R. AWARD TERM AND CONDITION FOR RECIPIENT INTEGRITY AND PERFORMANCE MATTERS (Required provision under 2 CFR § 200.210(b)(iii) for grants and cooperative agreements of $500,000 or more)

1. General Reporting Requirement

If the total value of your currently active grants, cooperative agreements, and procurement contracts from all Federal awarding agencies exceeds $10,000,000 for any period of time during the period of performance of this Federal award, then you as the recipient during that period of time must maintain the currency of information reported to the System for Award Management (SAM) that is made available in the designated integrity and performance system (currently the Federal Awardee Performance and Integrity Information System (FAPIIS)) about civil, criminal, or administrative proceedings described in paragraph 2 of this award term and condition. This is a statutory requirement under section 872 of Public Law 110-417, as amended (41 U.S.C. 2313). As required by section 3010 of Public Law 111-212, all information posted in the designated integrity and performance system on or after April 15, 2011, except past performance reviews required for Federal procurement contracts, will be publicly available.

2. Proceedings About Which You Must Report

Submit the information required about each proceeding that:

a. Is in connection with the award or performance of a grant, cooperative agreement, or procurement contract from the Federal Government;
b. Reached its final disposition during the most recent five year period; and
c. Is one of the following:
   (1) A criminal proceeding that resulted in a conviction, as defined in paragraph 5 of this award term and condition;
   (2) A civil proceeding that resulted in a finding of fault and liability and payment of a monetary fine, penalty, reimbursement, restitution, or damages of $5,000 or more;
   (3) An administrative proceeding, as defined in paragraph 5 of this award term and condition, that resulted in a finding of fault and liability and your payment of either a monetary fine or penalty of $5,000 or more or reimbursement, restitution, or damages in excess of $100,000; or
   (4) Any other criminal, civil, or administrative proceeding if:
      (i) It could have led to an outcome described in paragraph 2.c.(1), (2), or (3) of this award term and condition;
      (ii) It had a different disposition arrived at by consent or compromise with an acknowledgment of fault on your part; and
(iii) The requirement in this award term and condition to disclose information about the proceeding does not conflict with applicable laws and regulations.

3. Reporting Procedures

Enter in the SAM Entity Management area the information that SAM requires about each proceeding described in paragraph 2 of this award term and condition. You do not need to submit the information a second time under assistance awards that you received if you already provided the information through SAM because you were required to do so under Federal procurement contracts that you were awarded.

4. Reporting Frequency

During any period of time when you are subject to the requirement in paragraph 1 of this award term and condition, you must report proceedings information through SAM for the most recent five year period, either to report new information about any proceeding(s) that you have not reported previously or affirm that there is no new information to report. Recipients that have Federal contract, grant, and cooperative agreement awards with a cumulative total value greater than $10,000,000 must disclose semiannually any information about the criminal, civil, and administrative proceedings.

5. Definitions

For purposes of this award term and condition:

a. Administrative proceeding means a non-judicial process that is adjudicatory in nature in order to make a determination of fault or liability (e.g., Securities and Exchange Commission Administrative proceedings, Civilian Board of Contract Appeals proceedings, and Armed Services Board of Contract Appeals proceedings). This includes proceedings at the Federal and State level but only in connection with performance of a Federal contract or grant. It does not include audits, site visits, corrective plans, or inspection of deliverables.

b. Conviction, for purposes of this award term and condition, means a judgment or conviction of a criminal offense by any court of competent jurisdiction, whether entered upon a verdict or a plea, and includes a conviction entered upon a plea of nolo contendere.

c. Total value of currently active grants, cooperative agreements, and procurement contracts includes—
   (1) Only the Federal share of the funding under any Federal award with a recipient cost share or match; and
   (2) The value of all expected funding increments under a Federal award and options, even if not yet exercised.
III. ATTACHMENT

Grant Program Civil Rights and Non-Harassment Policy

The Corporation for National and Community Service (CNCS) has zero tolerance for the harassment of any individual or group of individuals for any reason. CNCS is committed to treating all persons with dignity and respect. CNCS prohibits all forms of discrimination based upon race, color, national origin, gender, age, religion, sexual orientation, disability, gender identity or expression, political affiliation, marital or parental status, or military service. All programs administered by, or receiving Federal financial assistance from CNCS, must be free from all forms of harassment. Whether in CNCS offices or campuses, in other service-related settings such as training sessions or service sites, or at service-related social events, such harassment is unacceptable. Any such harassment, if found, will result in immediate corrective action, up to and including removal or termination of any CNCS employee or volunteer. Recipients of Federal financial assistance, be they individuals, organizations, programs and/or projects are also subject to this zero tolerance policy. Where a violation is found, and subject to regulatory procedures, appropriate corrective action will be taken, up to and including termination of Federal financial assistance from all Federal sources.

Slurs and other verbal or physical conduct relating to an individual’s gender, race, ethnicity, religion, sexual orientation or any other basis constitute harassment when it has the purpose or effect of interfering with service performance or creating an intimidating, hostile, or offensive service environment. Harassment includes, but is not limited to: explicit or implicit demands for sexual favors; pressure for dates; deliberate touching, leaning over, or cornering; offensive teasing, jokes, remarks, or questions; letters, phone calls, or distribution or display of offensive materials; offensive looks or gestures; gender, racial, ethnic, or religious baiting; physical assaults or other threatening behavior; or demeaning, degrading or abusive comments or actions that intimidate.

CNCS does not tolerate harassment by anyone including persons of the same or different races, sexes, religions, or ethnic origins; or from a CNCS employee or supervisor; a project, or site employee or supervisor; a non-employee (e.g., client); a co-worker or service member.

I expect supervisors and managers of CNCS programs and projects, when made aware of alleged harassment by employees, service participants, or other individuals, to immediately take swift and appropriate action. CNCS will not tolerate retaliation against a person who raises harassment concerns in good faith. Any CNCS employee who violates this policy will be subject to discipline, up to and including termination, and any grantee that permits harassment in violation of this policy will be subject to a finding of non-compliance and administrative procedures that may result in termination of Federal financial assistance from CNCS and all other Federal agencies.

Any person who believes that he or she has been discriminated against in violation of civil rights laws, regulations, or this policy, or in retaliation for opposition to discrimination or participation in discrimination complaint proceedings (e.g., as a complainant or witness) in any CNCS program or project, may raise his or her concerns with our Office of Civil Rights and Inclusiveness (OCRI). Discrimination claims not brought to the attention of OCRI within 45 days of their occurrence may not be accepted in a formal complaint of discrimination. No one can be required to use a program, project or sponsor dispute resolution procedure before contacting OCRI. If another procedure is used, it does not affect the 45-day time limit. OCRI may be reached at (202) 606-7503 (voice), (202) 606-3472 (TTY), eo@cns.gov, or through www.nationalservice.gov.

For your convenience, we have identified changes from last year’s AmeriCorps State and National grant provisions. The list below is general and informational in nature, not comprehensive. 8. Section VIII.F. – Changed the Notice to Childcare Providers to five days and included liability if not done timely.
9. Added Section XV.

II. DEFINITIONS

A. Recipient, for the purposes of this agreement, means the direct recipient of this award. The recipient is legally accountable to CNCS for the use of award funds, or member positions, and is bound by the provisions of the award. The recipient is responsible for ensuring that subrecipients or other organizations carrying out activities under this award comply with all applicable Federal requirements, including the CNCS General Terms and Conditions, these specific terms and conditions, regulations applicable to the program, and the NCSA.

B. Planning Grant, for the purposes of this agreement, is an award or subaward for the planning of a national service program. State Service Commissions may award planning grants as part of their Formula Cost Reimbursement prime award. Planning grants do not include member positions. Planning grants are awarded for a maximum of one year, and may not exceed $75,000 per program.
C. **Subrecipient** refers to an organization receiving AmeriCorps award or member positions from a recipient of CNCS funds. See 2 CFR § 200.93.

D. **Operating site** means the organization that manages the AmeriCorps program and places members into service locations. State subrecipients (programs) are operating sites. National recipients must identify at least one operating site to which they can assign service locations in the state where they are placing members.

E. **Program** refers to the activities supported under the award.

F. **Service Location** means the organization where or with which a member actually provides his or her service in the community. Typical service locations are schools, food banks, health clinics, community parks, etc. The service location may be the same as the operating site, but only if the member actually serves at or with the operating site organization. A member may serve at multiple service locations, all of which must be listed in the portal, although the program must select only one for the member’s primary assignment.

G. **Member or participant** means an individual:
   1. Who has been selected by a recipient or subrecipient to serve in an approved national service position;
   2. Who is a U.S. citizen, U.S. national, or lawful permanent resident alien of the United States;
   3. Who is at least 17 years of age at the commencement of service unless the member is out of school and enrolled in a full-time, year-round youth corps or full-time summer program as defined in the NCSA (42 U.S.C. § 12572 (a)(3)(B)(x)), in which case he or she must be between the ages of 16 and 25, inclusive, and
   4. Who has received a high school diploma or its equivalent, agrees to obtain a high school diploma or its equivalent (unless this requirement is waived based on an individual education assessment conducted by the program) and the individual did not drop out of an elementary or secondary school to enroll in the program, or is enrolled in an institution of higher education on an ability to benefit basis and is considered eligible for funds under 20 U.S.C. § 1091 (See Section IX. B.).

III. **AFFILIATION WITH THE AMERICORPS NATIONAL SERVICE PROGRAM**
A. **Identification as an AmeriCorps Program or Member.** The recipient shall identify the program as an AmeriCorps program and members as AmeriCorps members. All agreements with subrecipients, operating sites, or service locations, related to the AmeriCorps program must explicitly state that the program is an AmeriCorps program and AmeriCorps members are the resource being provided.

B. **The AmeriCorps Name and Logo.** AmeriCorps is a registered service mark of CNCS. CNCS provides a camera-ready logo. All recipient and subrecipient websites shall clearly state that they are an AmeriCorps recipient and shall prominently display the AmeriCorps logo. Recipients and subrecipients shall use the AmeriCorps name and logo on service gear and public materials such as stationery, application forms, recruitment brochures, on-line position postings or other recruitment materials, orientation materials, member curriculum materials, signs, banners, websites, social media, press releases, and publications related to their AmeriCorps program in accordance with CNCS requirements.

To publicize the relationship between the program and AmeriCorps, the recipient shall describe their program as “an AmeriCorps program.” Recipients shall provide information or training to their AmeriCorps members about how their program is part of the national AmeriCorps program and about the other national service programs of CNCS. Recipients are strongly encouraged to place signs that include the AmeriCorps name and logo at their service sites and may use the slogan “AmeriCorps Serving Here.” AmeriCorps members should state that they are AmeriCorps members during public speaking opportunities.

The recipient may not alter the AmeriCorps logo, and must obtain written permission from CNCS before using the AmeriCorps name or logo on materials that will be sold, or permitting donors to use the AmeriCorps name or logo in promotional materials. The recipient may not use or display the AmeriCorps name or logo in connection with any activity prohibited by statute, regulation, or CNCS General Terms and Conditions, and these specific award terms and conditions.

**IV. MEMBER RECRUITMENT, SELECTION, AND EXIT**

Member recruitment and selection requirements are in CNCS’s regulations at 45 CFR §§ 2522.210 and Part 2540, subpart B. In addition, the recipient must ensure that the following procedures are followed:

A. **Notice to CNCS’s National Service Trust.** The recipient must notify CNCS’s National Service Trust, via the MyAmeriCorps Portal, within 30 days of a member’s start of, completion of, suspension from, or release from, a term of service. Suspension of service is defined as an extended
period during which the member is not serving, nor accumulating service hours or receiving AmeriCorps benefits. AmeriCorps members must complete their own enrollment and exit forms on-line in the MyAmeriCorps Member Portal. All competitive recipients and subrecipients that wish to utilize staff Portal enrollments and exits without members completing enrollment and exit forms must send a request to their CNCS Program Officer. (Subrecipient requests should be submitted by state commissions.) Requests will be approved in cases where the recipient or subrecipient is able to demonstrate that technological limitations make it impossible or extremely burdensome for members to complete their own enrollment and exit forms in the Portal. Technological limitations would include lack of internet access, computer, and/or cell phone, or a member population with low computer literacy skills that cannot be addressed through training or technical assistance. For formula programs, state commissions may choose to review requests from their subrecipients, consistent with the conditions outlined above, or they may choose not to allow any subrecipients to use paper forms. Approved waivers are valid for one-year only. Recipients are required to reapply for a waiver each year as necessary.

The recipient also must notify the Trust, via the My AmeriCorps Portal, when a change in a member’s term of service is approved and changed (i.e. from full-time to less than full-time or vice versa). Failure to report such changes within 30 days may result in sanctions to the recipient, up to and including, suspension or termination of the award. Recipients or subrecipients meet notification requirements by using the appropriate electronic system to inform CNCS of changes within the required time frames. Any questions regarding the Trust should be directed to the Trust Office (800) 942-2677.

B. Parental Consent. Parental or legal guardian consent must be obtained for members under 18 years of age before members begin a term of service. Recipients may also include an informed consent form of their own design as part of the member service agreement materials.

C. Reasonable Accommodation. Programs and activities must be accessible to persons with disabilities, and the recipient must provide reasonable accommodation to the known mental or physical disabilities of otherwise qualified members, service recipients, applicants, and staff. All selections and project assignments must be made without regard to the need to provide reasonable accommodation. See the FAQ for more information: http://www.nationalservice.gov/sites/default/files/upload/policy%20FAQs%207.31.%20%20final%20working%20hyperlink.pdf.

D. Assigning Members to Service Locations. The recipient is required to ensure that all operating sites and all service locations are entered in the
My AmeriCorps portal for all members within 30 days of members’ starting a term of service. The recipient is required to include the name of the organization, and the full address or zip-plus-four of the service locations where each member will be serving. If a member is serving at multiple service locations, the program must select as the member’s primary assignment the one where the member serves a majority of his or her hours. However, all service locations must be listed in the portal.

E. **Completion of Terms of Service.** The recipient must ensure that each member has sufficient opportunity to complete the required number of hours of service to qualify for the education award. Members must be exited within 30 days of the end of their term of service. If this award expires or is not renewed, a member who was scheduled to continue in a term of service may either be placed in another program, where feasible, or if the member has completed at least 15% of the service hour requirement, the member may receive a pro-rated education award.

F. **Member Exit.** In order for a member to receive an education award from the National Service Trust, the recipient must certify to the National Service Trust that the member satisfactorily and successfully completed the term of service, and is eligible to receive the education benefit. The recipient (and any individual or entity acting on behalf of the recipient) is responsible for the accuracy of the information certified on the end-of-term certification.

G. **Penalties for false information:** Any individual who makes a materially false statement or representation in connection with the approval or disbursement of an education award or other payment from the National Service Trust may be liable for the recovery of funds and subject to civil and criminal sanctions.

V. **SUPERVISION AND SUPPORT**

A. **Planning for the Term of Service.** The recipient must develop member positions that provide for meaningful service activities and performance criteria that are appropriate to the skill level of members. The recipient is responsible for ensuring that the positions do not include or put the AmeriCorps member in a situation in which the member is at risk for engaging in any prohibited activity (see 45 CFR § 2520.65), activity that would violate the non-duplication and non-displacement requirements (see 45 CFR § 2540.100), or exceeding the limitations on allowable fundraising activity (see 45 CFR §§ 2520.40-.45). The recipient must accurately and completely describe the activities to be performed by each member in a position description. Position descriptions must be provided to CNCS upon request. The recipient must ensure that each member has sufficient opportunity to complete the required number of hours to qualify.
for an education award. In planning for the member’s term of service, the recipient must account for holidays and other time off, and must provide each member with sufficient opportunity to make up missed hours.

B. Member Service Agreements. The recipient must require that each member sign a member service agreement that includes, at a minimum, the following:

1. Member position description;
2. The minimum number of service hours (as required by statute) and other requirements (as developed by the recipient) necessary to successfully complete the term of service and to be eligible for the education award;
3. The amount of the education award being offered for successful completion of the terms of service in which the individual is enrolling;
4. Standards of conduct, as developed by the recipient or sub recipient;
5. The list of prohibited activities, including those specified in the regulations at 45 CFR § 2520.65 (see paragraph C, below);
6. The text of 45 CFR §§ 2540.100(e)-(f), which relates to Non-duplication and Nondisplacement;
7. The text of 45 CFR §§ 2520.40-.45, which relates to fundraising by members;
8. Requirements under the Drug-Free Workplace Act (41 U.S.C. § 701 et seq.);
9. Civil rights requirements, complaint procedures, and rights of beneficiaries;
10. Suspension and termination rules;
11. The specific circumstances under which a member may be released for cause;
12. Grievance procedures; and
13. Other requirements established by the recipient.

The recipient should ensure that the service agreement is signed before commencement of service so that members are fully aware of their rights and responsibilities.

C. Prohibited Activities. While charging time to the AmeriCorps program, accumulating service or training hours, or otherwise performing activities supported by the AmeriCorps program or CNCS, staff and members may not engage in the following activities (see 45 CFR § 2520.65):

1. Attempting to influence legislation;
2. Organizing or engaging in protests, petitions, boycotts, or strikes;
3. Assisting, promoting, or deterring union organizing;

This consolidated document is a reference to facilitate searching for particular topics. While efforts are made to keep information current, please consult the primary sources for the most up-to-date information and for confirmation.
4. Impairing existing contracts for services or collective bargaining agreements;
5. Engaging in partisan political activities, or other activities designed to influence the outcome of an election to any public office;
6. Participating in, or endorsing, events or activities that are likely to include advocacy for or against political parties, political platforms, political candidates, proposed legislation, or elected officials;
7. Engaging in religious instruction, conducting worship services, providing instruction as part of a program that includes mandatory religious instruction or worship, constructing or operating facilities devoted to religious instruction or worship, maintaining facilities primarily or inherently devoted to religious instruction or worship, or engaging in any form of religious proselytization;
8. Providing a direct benefit to—
   a. A business organized for profit;
   b. A labor union;
   c. A partisan political organization;
   d. A nonprofit organization that fails to comply with the restrictions contained in section 501(c)(3) of the Internal Revenue Code of 1986 related to engaging in political activities or substantial amount of lobbying except that nothing in these provisions shall be construed to prevent participants from engaging in advocacy activities undertaken at their own initiative; and
   e. An organization engaged in the religious activities described in paragraph C. 7. above, unless CNCS assistance is not used to support those religious activities;
9. Conducting a voter registration drive or using CNCS funds to conduct a voter registration drive;
10. Providing abortion services or referrals for receipt of such services; and
11. Such other activities as CNCS may prohibit.

AmeriCorps members may not engage in the above activities directly or indirectly by recruiting, training, or managing others for the primary purpose of engaging in one of the activities listed above. Individuals may exercise their rights as private citizens and may participate in the activities listed above on their initiative, on non-AmeriCorps time, and using non-CNCS funds. Individuals should not wear the AmeriCorps logo while doing so.

D. Supervision. The recipient must provide members with adequate supervision by qualified supervisors consistent with the award. The recipient must conduct an orientation for members, including training on what activities are prohibited during AmeriCorps service hours, and
comply with any pre-service orientation or training required by CNCS. The recipient must ensure that it does not exceed the limitation on member service hours spent in education and training set forth in 45 CFR § 2520.50.

E. **Performance Reviews.** The recipient must conduct and keep a record of at least a midterm and an end-of-term written evaluation of each member’s performance for Full and Half-Time members and an end-of-term written evaluation for less than Half-time members. The end-of-term evaluation should address, at a minimum, the following factors:

1. Whether the member has completed the required number of hours;
2. Whether the member has satisfactorily completed assignments; and
3. Whether the member has met other performance criteria that were clearly communicated at the beginning of the term of service.

F. **Timekeeping.** The recipient is required to ensure that time and attendance recordkeeping is conducted by the AmeriCorps member’s supervisor. This time and attendance record is used to document member eligibility for in-service and post-service benefits. The recipient must have a timekeeping system that is compliant with 2 CFR § 200.430.

If a Professional Corps program wants to follow the timekeeping practices of its profession and certify that members have completed the minimum required hours, excluding sick and vacation days, it must get advance written approval from CNCS. If a State Commission Formula funded Professional Corps program wants to follow the timekeeping practices of its profession and certify that members have completed the minimum required hours, excluding sick and vacation days, it must get advance written approval from the State Commission.

G. **Member Death or Injury.** The recipient must immediately report any member deaths or serious injuries to the designated CNCS Program Officer.

**VI. CHANGES IN MEMBER POSITIONS**

A. **Changes that Require CNCS Approval.** Circumstances may arise within a program that necessitate changing the type of unfilled AmeriCorps member positions awarded to a recipient or subrecipient, or changing the term of service of a currently enrolled member. Note that once a member is exited with a partial education award, the remaining portion of that education award is not available for use. The following changes require written approval from CNCS’s Office of Grants Management as well as written approval and concurrence from the State
Commission or Direct (including National Direct, State Direct, Tribal, Territory Direct, or Education Award Only (EAP)) recipient:
1. A change in the number of member service year (MSY) positions in the award; and/or
2. A change in the funding level of the award.

B. **Changing Types of Unfilled member positions.** Recipients or subrecipients may change the type of member positions awarded to their program if:

1. The change does not increase the total MSYs authorized in the Notice of Grant Award (e.g. one half-time position cannot be changed to one full-time position); and
2. The change does not result in an increase in the value of the education award; and,
3. If the award is a Full-cost Fixed Amount or Professional Corps Fixed Amount award, the member position will be filled by a member serving in a full-time capacity.

Changes in types of member positions may be made by the recipient directly in the My AmeriCorps Portal.

C. **Changing a Term of Service for an enrolled Member.** Changes in terms of service for enrolled members may not result in an increased number of MSYs for the program. With the exception of Education Award only awards, recipients with Fixed Amount awards may not convert members to less-than-full-time member positions. All changes to types of member positions are subject to availability of funds in the Trust.

1. **Full-time.** State Commissions and National Direct Organizations may authorize or approve occasional changes of currently enrolled full-time members to less than full-time members. Impact on program quality should be factored into approval of such requests. CNCS-provided or funded health care or childcare costs are not available for less than full-time members. Recipients and subrecipients may not transfer currently enrolled full-time members to a less than full-time status simply to provide the member a less than full-time education award.

2. **Less than Full-time.** CNCS discourages changing less than full-time members to full-time because it is very difficult to manage, unless done very early in the member’s term of service. State Commissions and Direct recipients (including National Direct, State Direct, Tribal, Territory Direct, and Education Award Only recipients) may authorize or approve such changes so long as their current budget can accommodate such changes. Programs must
keep in mind that a member’s minimum 1700 hours must be completed within 12 months of the member’s original start date.

3. **Refilling Member Positions.** With the exception of recipients whose awards have special award conditions under 2 CFR §§ 200.207 or 200.338, AmeriCorps State and National programs that have fully enrolled their awarded member positions are allowed to replace any member who terminates service before completing 30 percent of his/her term provided that the member who is terminated is not eligible for and does not receive a pro-rated education award. Programs may not refill the same member position more than once.

As a fail-safe mechanism to ensure that resources are available in the National Service Trust to finance all earned education awards, CNCS will suspend refilling if either:

a. Total AmeriCorps enrollment reaches 97 percent of awarded member positions; or

b. The number of refills reaches five percent of awarded member positions.

4. Direct recipients may transfer refill member positions between operating sites as long as they can ensure and document that the same member position is not refilled more than once. Recipients and subrecipients will require the assistance of a CNCS Program Officer in order to transfer refill member positions between operating sites. Refilled member positions may not be combined with unfilled member positions.

D. **Formula and State Competitive Award Member Position Transfers.** State commissions are allowed to transfer member positions among their state formula and competitive subrecipients within a given prime grant in order to maximize enrollment and cost effectiveness without prior approval. State commissions may not transfer member positions between competitive and formula subrecipients, or vice-versa. State commissions may not transfer funds among their competitive subrecipients.

E. **Notice to Childcare and Healthcare Providers.** Recipients and subrecipients must immediately notify CNCS’s designated agents, in writing, when a Member’s status changes in a manner that affects their eligibility for childcare or healthcare. See Section VIII.D.

**VII. RELEASE FROM PARTICIPATION**

Recipients may release members from participation for two reasons: (a) for compelling personal circumstances; and (b) for cause. See 45 CFR § 2522.230 for applicable requirements and 2 CFR § 200.333 for record retention requirements of this documentation. In addition to the regulations, the following applies:
No Automatic Disqualification if Released for Cause: A release for cause covers all circumstances in which a member does not successfully complete his/her term of service for reasons other than compelling personal circumstances. Therefore, it is possible for a member to receive a satisfactory performance review and be released for cause. For example, a member who is released for cause from a first term—e.g. the individual has decided to take a job offer—but who(otherwise performed well—would, not be disqualified from enrolling for a subsequent term as long as the individual received a satisfactory performance evaluation for the first period of service.

VIII. LIVING ALLOWANCES, OTHER IN-SERVICE BENEFITS, AND TAXES

Requirements related to member living allowances and benefits are in 45 CFR §§ 2522.240 and 2522.250. In addition, recipients must ensure that the following procedures are followed:

A. Living Allowance Distribution. A living allowance is not a wage. Recipients must not pay a living allowance on an hourly basis. Recipients should pay the living allowance in regular increments, such as weekly or bi-weekly, paying an increased increment only on the basis of increased living expenses such as food, housing, or transportation. Payments should not fluctuate based on the number of hours served in a particular time period, and must cease when the member’s service ceases.

If a member serves all required hours and is permitted to conclude his or her term of service before the originally agreed upon end of term, the recipient may not provide a lump sum payment to the member. Similarly, if a member is selected after the program’s start date, the recipient must provide regular living allowance payments from the member’s start date and may not increase the member’s living allowance incremental payment or provide a lump sum to make up any missed payments.

Education Award Program Fixed Amount awards (EAPs) and Partnership Challenge awards may provide a living allowance or other in-service benefits to their members, but are not required to do so. Full-cost and other Fixed Amount recipients must provide a living allowance to their members.

B. Waiving the Living Allowance. If a living allowance is paid, a member may waive all or part of the payment of a living allowance if he or she believes his or her public assistance may be lost or decreased because of the living allowance. Even if a member waives his or her right to receive the living allowance, it is possible—depending on the specific public assistance program rules—that the amount of the living allowance that the member is eligible to receive will be deemed available. A member who has waived the living allowance may revoke the waiver at any time and
may begin receiving the living allowance going forward from the date the individual revoked the waiver. A member may not receive any portion of the living allowance for the period of time the living allowance was waived.

C. **Taxes and Insurance.**

1. **Liability Insurance Coverage.** The recipient is responsible for ensuring adequate general liability coverage for the organization, employees and members, including coverage of members engaged in on- and off-site project activities.

2. **FICA (Social Security and Medicare taxes).** Unless the recipient obtains a ruling from the Social Security Administration or the Internal Revenue Service that specifically exempts its AmeriCorps members from FICA requirements, the recipient must pay FICA for any member receiving a living allowance. The recipient also must withhold 7.65% from the member’s living allowance.

3. **Income Taxes.** The recipient must withhold Federal personal income taxes from member living allowances, requiring each member to complete a W-4 form at the beginning of the term of service and providing a W-2 form at the close of the tax year. The recipient must comply with any applicable state or local tax requirements.

4. **Worker’s Compensation.** Some states require worker’s compensation for AmeriCorps members. Recipients must check with State Departments of Labor or state commissions to determine worker’s compensation requirements. If worker’s compensation is not required, recipients must obtain Occupational, Accidental, and Death and Dismemberment coverage for members to cover in-service injury or incidents.

D. **Healthcare Coverage.** Except for EAPs, Professional Corps, Partnership Challenge awards, or members covered under a collective bargaining agreement, the recipient must provide, or make available, healthcare insurance to those members serving a 1700-hour full-time term who are not otherwise covered by a healthcare policy at the time the member begins his/her term of service. The recipient must also provide, or make available, healthcare insurance to members serving a 1700-hour full-time term who lose coverage during their term of service as a result of service or through no deliberate act of their own. CNCS will not cover healthcare costs for dependent coverage.

Less-than-full-time members who are serving in a full-time capacity for a sustained period of time (e.g. a full-time summer project) are eligible for healthcare benefits. Programs may provide health insurance to less-than-full-time members serving in a full-time capacity, but they are not required
to do so. For purposes of this provision, a member is serving in a full-time capacity when his/her regular term of service will involve performing service on a normal full-time schedule for a period of six weeks or more. A member may be serving in a full-time capacity without regard to whether his/her agreed term of service will result in a full-time Segal AmeriCorps Education Award.

Any of the following health insurance options will satisfy the requirement for health insurance for full-time AmeriCorps members (or less than full-time members serving in a full-time capacity): staying on parents’ or spouse plan; insurance obtained through the Federal Health Insurance Marketplace of at least the Bronze level plan; insurance obtained through private insurance broker; Medicaid, Medicare or military benefits. AmeriCorps programs purchasing their own health insurance for members must ensure plans are minimum essential coverage (MEC) and meet the requirements of the Affordable Care Act.

On Friday May 2, 2014 the U.S. Department of Health and Human Services (HHS) announced a Special Enrollment Period (SEP) for members in AmeriCorps State and National programs, who are not provided health insurance options or who are provided short-term limited-duration coverage or self-funded coverage not considered MEC. Members in the AmeriCorps State and National programs and their dependents in the Federally-facilitated Marketplace (FFM) are eligible to enroll in Marketplace coverage when they experience the following triggering events:

- On the date they begin their service terms; and
- On the date they lose any coverage offered through their program after their service term ends. (Source: 45 CFR § 155.420(d)(9)).

If coverage is being provided via the Healthcare Marketplace, and thus third party payment is not an option, programs must develop a process to reimburse members for monthly premiums. Reimbursements for health insurance premiums are considered taxable income for the member, and programs must have a way to document such reimbursements.

E. **Administration of Childcare Payments.** In general, CNCS will provide for childcare payments, which will be administered through an outside
contractor. Requirements and eligibility criteria are in the AmeriCorps regulations, 45 CFR § 2522.250. Members serving in EAPs, Professional Corps, or Partnership Challenge programs are not eligible for the childcare benefit. CNCS will not cover childcare costs for members who served on a less than full-time basis for a sustained period of time, or who have ceased serving. Programs may provide child care to less-than-full-time members serving in a full-time capacity, but they are not required to do so. Recipients that choose to provide childcare and will claim the costs of childcare as matching costs, as approved in their budget, may contact the childcare contractor for technical assistance. The criteria for member eligibility are contained in 45 CFR § 2522.250. Also see the FAQs, (http://www.nationalservice.gov/sites/default/files/upload/policy%20FAQs%207.31.14%20final%20working%20hyperlink.pdf) for more detailed information on administering childcare and healthcare benefits.

F. **Notice to Childcare Providers.** The recipient must notify CNCS’s designated agents in writing within five business days after a member’s status changes in a manner that affects the member’s eligibility for childcare. After five days, the recipient will be liable for any erroneous payments made to a childcare provider for an AmeriCorps member ineligible to receive AmeriCorps childcare benefits. Examples of changes in status include: changes to a member’s scheduled service so that he/she is no longer serving on a full-time basis, terminating or releasing a member from service, and suspending a member for cause for a lengthy or indefinite time period. Program directors should contact the childcare provider on childcare related changes.

**IX. MEMBER RECORDS AND CONFIDENTIALITY**

A. **Recordkeeping.** The recipient must maintain records, including the position description, sufficient to establish that each member was eligible to participate and that the member successfully completed all program requirements. A program may store member files electronically and use electronic signatures if the program can ensure the validity and integrity of the record and signature is maintained.

The program’s electronic storage procedures and system must provide for the safe-keeping and security of the records, including:

1. Sufficient prevention of unauthorized alterations or erasures of records;
2. Effective security measures to ensure that only authorized persons have access to records;
3. Adequate measures designed to prevent physical damage to records; and
4. A system providing for back-up and recovery of records; and
The electronic storage procedures and system provide for the easy retrieval of records in a timely fashion, including:

1. Storage of the records in a physically accessible location;
2. Clear and accurate labeling of all records; and
3. Storage of the records in a usable, readable format.

B. Verification of Eligibility. Unless an individual’s social security number and citizenship was verified through the My AmeriCorps Portal, the recipient must obtain and maintain documentation as required by 45 CFR § 2522.200(c). CNCS does not require programs to make and retain copies of the actual documents used to confirm age or citizenship eligibility requirements, such as a driver’s license, or birth certificate, as long as the recipient has a consistent practice of identifying the documents that were reviewed and maintaining a record of the review.

Enrolling in the My AmeriCorps portal requires members to certify their high school status. Such certification fulfills the recipient’s verification requirement to obtain and maintain documentation from the member relating to the member’s high school education. If the member is incapable of obtaining a high school diploma or its equivalent, as determined by an independent evaluation, the recipient must retain a copy of the supporting evaluation.

C. Confidential Member Information. The recipient must maintain the confidentiality of information regarding individual members. The recipient must obtain the prior written consent of all members before using their names, photographs and other identifying information for publicity, promotional or other purposes. Recipients may release aggregate and other non-identifying information, and are required to release member information to CNCS and its designated contractors. The recipient must permit a member who submits a written request for access to review records that pertain to the member and were created pursuant to this award.

D. National Service Criminal History Check. The specific requirements of the National Service Criminal History Check, including the timing and recordkeeping requirements, are specified at 45 CFR §§ 2540.200 - .207. See also the final rule and the CNCS website for more information. You must retain a record of the NSOPW search and associated results either by printing the screen(s) or by some other method that retains paper or digital images of the NSOPW checks, inclusive of the date record for when the search was performed. Inability to demonstrate that you conducted an NSOPW or the required criminal history check, as specified in the regulations, may result in sanctions, including disallowance of all or part
of the costs associated with the non-compliance or other remedies that may be legally available (see 2 CFR § 200.338).

X. BUDGET AND PROGRAMMATIC CHANGES

A. Programmatic Changes. The recipient must first obtain the prior written approval of the AmeriCorps Program Office before making any of the following changes (1-3):

1. Changes in the scope, objectives or goals of the program, whether or not they involve budgetary changes;
2. Substantial changes in the level of member supervision;
3. Entering into additional sub awards or contracts for AmeriCorps activities funded by the award, but not identified or included in the approved application and award budget.

Upon notification to the AmeriCorps Program Office, recipients may make programmatic changes due to, or in response to, an officially-declared state or national disaster without written approval from CNCS. As soon as practicable, recipients making disaster-related programmatic changes must discuss the recordkeeping, member activities, performance measure adjustments, and other AmeriCorps award requirements with the AmeriCorps Program Office. While written approval from CNCS is not required before making disaster-related programmatic changes, CNCS reserves the right to limit or deny disaster-related programmatic changes.

B. Program Changes for Formula Programs. State Commissions are responsible for approving the above changes for state formula programs.

C. Budgetary Changes. The recipient must obtain the prior written approval of CNCS’s Office of Grants Management before deviating from the approved budget in any of the following ways:

1. Specific Costs Requiring Prior Approval before Incurrence under OMB Cost Principles 2 CFR Part 200, Subpart E. For certain cost items, the cost principles require approval of the awarding agency for the cost to be allowable. Examples of these costs are overtime pay, rearrangement and alteration costs, and pre-award costs.
2. Purchases of Equipment over $5,000 using award funds, unless specified in the approved application and budget.
3. Unless the CNCS share of the award is $100,000 or less, changes to cumulative and/or aggregate budget line items that amount to 10 per cent or more of the total budget must be approved in writing in advance by CNCS. The total budget includes both the CNCS and
recipient shares. Recipients may transfer funds among approved direct cost categories when the cumulative amount of such transfers does not exceed 10 percent of the total budget.

D. Approvals of Programmatic and Budget Changes. CNCS’s Grants Officers are the only officials who have the authority to alter or change the terms and conditions or requirements of the award. The Grants Officers will execute written amendments, and recipients should not assume approvals have been granted unless documentation from the Grants Office has been received. Programmatic changes also require final approval of CNCS’s Office of Grants Management after written recommendation for approval is received from the Program Office.

E. Exceptions for Fixed Amount Awards. Recipients with Fixed Amount awards are not subject to the requirements in Section C., Budgetary Changes, above.

XI. REPORTING REQUIREMENTS

This section applies only to the recipient. The recipient is responsible for timely submission of periodic financial and progress reports during the project period and a final financial report and for setting submission deadlines for its respective subrecipients that ensure the timely submission of recipient reports.

A. Recipient Progress Reports. The recipient shall complete and submit progress reports in eGrants to report on progress toward achievement of its approved performance targets.

<th>Reporting Period Covered</th>
</tr>
</thead>
<tbody>
<tr>

</tr>
</tbody>
</table>

B. Financial Reports. The recipient shall complete and submit financial reports in eGrants (Financial Status Reports on menu tree) to report the status of all funds. The recipient must submit timely cumulative financial reports in accordance with CNCS guidelines according to the following schedule:

<table>
<thead>
<tr>

</thead>
<tbody>
<tr>
<td>April 30</td>
<td>Start of award through March 31</td>
</tr>
<tr>
<td>October 31</td>
<td>April 1 – September 30</td>
</tr>
</tbody>
</table>

A recipient must set submission deadlines for its respective subrecipients that ensure the timely submission of recipient reports.
Cost reimbursement National Professional Corps recipients submit one financial report per year.

All recipients, including Fixed Amount recipients, must submit the Federal Financial Report (FFR) - Cash Transactions Report on a quarterly basis to the Department of Health and Human Services Payment Management System per the Electronic Funds Transfer Agreement.

C. Reporting Other Federal Funds. The recipient shall report the amount and sources of federal funds, other than those provided by CNCS, claimed as matching funds. This includes other federal funds expended by subrecipients and operating sites and claimed as match. This information shall be reported annually on the financial report due October 31st or at the time the final financial report is submitted if the final report is due prior to October 31st. Fixed Amount recipients are not required to report this information.

D. Requests for Extensions. Each recipient must submit required reports by the given dates. Extensions of reporting deadlines will be granted only when 1) the report cannot be furnished in a timely manner for reasons, in the determination of CNCS, legitimately beyond the control of the recipient, and 2) CNCS receives a written request explaining the need for an extension before the due date of the report.

Extensions of deadlines for financial reports may only be granted by the Office of Grants Management, and extensions of deadlines for progress reports may only be granted by the AmeriCorps Program Office.

E. Final Financial Reports. A recipient must submit, in lieu of the last semi-annual financial report, a final financial report. This final report is due no later than 90 days after the end of the project period.

F. Final Progress Reports. A recipient must submit, in addition to the last semi-annual project report, a final project report. This final report is due no later than 90 days after the end of the project period.

G. Financial Reports for Fixed Amount Awards. Fixed Amount recipients are not required to submit financial reports to CNCS, including the final financial report.

XII. AWARD PERIOD AND INCREMENTAL FUNDING

For the purpose of the award, a project period is the complete length of time the recipient is proposed to be funded to complete approved activities under the award. A project period may contain one or more budget periods. A budget
period is a specific interval of time for which Federal funds are being provided to fund a recipient’s approved activities and budget.

Unless otherwise specified, the award covers a three-year project period. In approving a multi-year project period, CNCS generally makes an initial award for the first year of operation. Additional funding is contingent upon satisfactory performance, a recipient’s demonstrated capacity to manage an award and comply with award requirements, and the availability of Congressional appropriations. CNCS reserves the right to adjust the amount of an award, or elect not to continue funding for subsequent years. The project period and the budget period are noted on the award document.

A planning grant covers a one-year project period.

XIII. PROGRAM INCOME

A. General. Income, including fees for service earned as a direct result of the award-funded program activities during the award period, must be retained by the recipient and used to finance the award’s non-CNCS share.

B. Excess Program Income. Program income earned in excess of the amount needed to finance the recipient share must follow the appropriate requirements of 2 CFR Part 200 and be deducted from total claimed costs. Recipients that earn excess income must specify the amount of the excess in the comment box on the financial report.

C. Fees for Service. When using assistance under this award, the recipient may not enter into a contract for or accept fees for service performed by members when:

1. The service benefits a for-profit entity,
2. The service falls within the other prohibited activities set forth in these award provisions, or

D. Full-Cost and Professional Corps Fixed Amount Awards and Partnership Challenge Awards. The recipient must notify its Grants Officer if it earns program income in excess of the amounts needed to cover all expenditures under the award. The Grants Officer will determine the disposition of the excess program income.

XIV. SAFETY
The recipient must institute safeguards as necessary and appropriate to ensure the safety of members. Members may not participate in projects that pose undue safety risks.

XV. NATIONAL SERVICE CRIMINAL HISTORY CHECK TRAINING

All recipients and subrecipients must complete CNCS NSCHC training every year. The CNCS designated e-course provides a thorough overview of the requirements and can be found at: http://cnctraining.articulate-online.com/4240214797. Each recipient must identify at minimum one relevant staff person to fulfill this requirement on behalf of the program. The program must retain the certificate of completion and assign staff to retake the course annually prior to the expiration of the certificate. Programs should save certificates of completion from each year as part of grant record. For 2016, recipients and subrecipients should complete this requirement and be certified by December 31, 2016.

XVI. FIXED AMOUNT AWARDS

Fixed Amount awards are not subject to the cost principles in 2 CFR, Part 200, Subpart E. Fixed Amount awards must comply with the remaining provisions of 2 CFR Part 200, including Subpart F relating to audit requirements. Fixed Amount awards include Education Award program (EAP) Fixed Amount awards, Professional Corps Fixed Amount awards, Full-Cost Fixed Amount awards, and Partnership Challenge awards.

For Education Award programs (EAP), the fixed federal assistance amount of the award is based on the approved and awarded number of full-time members specified in the award. For full-cost and Professional Corps Fixed Amount awards, the fixed federal assistance amount of the award is based on the approved and awarded numbers of full-time members and the members’ completion of their terms of service.

For EAPs, the final amount of award funds that the recipient may retain is dependent upon the recipient’s notifying CNCS’s National Service Trust of the members that it has enrolled. All EAP members must carry out activities to achieve the specific project objectives as approved by CNCS. At closeout, CNCS will calculate the final amount of the award based on Trust documentation. CNCS will recover any amounts drawn down by the recipient in excess of the final award amount allowed based on member selection documentation in the My AmeriCorps Portal.

For all other Fixed Amount awards, the recipient may draw funds from the HHS Payment Management System based on the number of members who complete a full term of service or if the member leaves before completing service, a pro-rated amount based on hours served.
Full-cost and Professional Corps programs may draw up to 20% of the funds within the first two months to cover start-up costs (recruitment and application, training, criminal history checks, etc.); however, total funds drawn should be based on the number of members on board at the time and the percentage of hours completed. Bi-annually, in some cases quarterly, and at closeout, CNCS will calculate the final amount of the award for the year or entire project period (at closeout) based on the number of successfully completed terms of service (as certified by the program) as well as the hours served that were not certified as successfully completed.

Partnership Challenge programs are awarded only member positions, but not federal funds. Therefore, Partnership Challenge programs will not draw any funds from the HHS Payment Management System.
These Corporation for National & Community Service (CNCS) Grant Terms and Conditions are binding on the recipient. By accepting funds under this award, the recipient agrees to comply with, and include in all awards and subawards, these Grant Terms and Conditions, the program-specific grant terms and conditions, all applicable federal statutes, regulations and guidelines, and any amendments thereto. The recipient agrees to operate the funded program in accordance with the approved grant application and budget, supporting documents, and other representations made in support of the approved grant application. The term recipient is used to connote either recipient or subrecipient, as appropriate, throughout these Terms and Conditions.

I. LEGISLATIVE AUTHORITY

This award is authorized by and subject to The National and Community Service Act of 1990, as amended, (42 U.S.C. 12501 et seq.) (NCSA) and/or the Domestic Volunteer Service Act of 1973, as amended, (42 USC 4950 et seq.) (DVSA) and CNCS’s implementing regulations in 45 CFR Chapter XII and/or XXV. Recipients must comply with the requirements of the NCSA and/or DVSA, as applicable, and CNCS’s implementing regulations.

II. OTHER APPLICABLE TERMS AND CONDITIONS

This award is subject to the Uniform administrative requirements, cost principles, and audit requirements for Federal awards located at 2 CFR Part 200 and CNCS’s implementing regulations at 2 CFR Part 2205.

The recipient must comply with all other applicable statutes, executive orders, regulations, and policies governing the award, including, but not limited to, those cited in these Grant Terms and Conditions, the Grant Assurances and Certifications, and 2 CFR Parts 200 and 2205.

Any inconsistency in the Grant Agreement shall be resolved by giving precedence in the following order (a) applicable Federal statutes, (b) applicable Federal regulations, (c) CNCS Specific Grant Terms and Conditions, (d) CNCS General Grant Terms and Conditions, (e) the Notice of Funding Opportunity, and (f) the approved Grant Application including all assurances, certifications, and attachments.

III. GENERAL TERMS AND CONDITIONS

A. RESPONSIBILITIES UNDER AWARD ADMINISTRATION

1. Accountability of the Recipient. The recipient has full fiscal and programmatic responsibility for managing all aspects of the award and award-supported activities, subject to the oversight of CNCS. The recipient is accountable to CNCS for its operation of the program and the use of CNCS award funds. The recipient must expend award funds in a judicious and reasonable manner, and it must record accurately the service activities and outcomes achieved under the award. Although recipients are encouraged to seek the advice and opinion of CNCS on special problems that may arise, such advice does not diminish the recipient’s responsibility for making sound judgments and does not shift the responsibility for operating decisions to CNCS.

2. Subawards. If authorized by CNCS, a recipient may make subawards in accordance with the requirements set forth in 2 CFR Parts 200 and 2205. The recipient must have and implement a plan for oversight and monitoring to ensure that each sub recipient and/or service site has agreed to comply, and is complying, with award requirements.

3. Notice to CNCS. The recipient will notify the appropriate CNCS Program or Grants Officer immediately of any developments or delays that have a significant impact on funded activities, any significant problems relating to the administrative or financial aspects of the award, or any suspected misconduct or malfeasance related to the award or recipient. The recipient will inform the CNCS official about the corrective action taken or contemplated by the recipient and any assistance needed to resolve the situation.
B. FINANCIAL MANAGEMENT STANDARDS

1. General. The recipient must maintain financial management systems that include standard accounting practices, sufficient internal controls consistent with 2 CFR Parts 200 and 2205, a clear audit trail, and written cost allocation procedures, as necessary. Financial management systems must be capable of distinguishing expenditures attributable to this award from expenditures not attributable to this award. The systems must be able to identify costs by program year and by budget category, and to differentiate between direct and indirect costs. For further details about the recipient’s financial management responsibilities, refer to 2 CFR Chapters I, II, and XXII.

2. Consistency of Treatment. To be allowable under an award, costs must be consistent with policies and procedures that apply uniformly to both federally financed and other activities of the organization. Furthermore, the costs must be accorded consistent treatment in both federally financed and other activities, as well as between activities, supported by different sources of federal funds.

3. Audits. Recipient organizations that expend $750,000 or more in total federal awards in a fiscal year shall have a single or program-specific audit conducted for that year in accordance with the Single Audit Act, as amended, 31 U.S.C. 7501, et seq., and 2 CFR Part 200. If the recipient expends federal awards under only one federal program, it may elect to have a program specific audit, if it is otherwise eligible. A recipient that does not expend $750,000 in Federal awards is exempt from the single audit requirements of 2 CFR Chapters I and II for that year. However, it must continue to conduct financial management reviews of its sub recipients, and records must be available for review and audit.

A recipient of a Federal award that is a pass-through entity has certain obligations to its sub recipients. Those requirements are located at 2 CFR § 200.331.

Reimbursement for indirect costs, general and administrative costs, overhead, or any similar cost rate type agreement, will be at the rate(s) and on the base(s) specified in the approved award budget.

5. Payments under the Grant Agreement. Payments under this grant agreement are subject to 2 CFR § 200.305.

C. THE OFFICE OF INSPECTOR GENERAL

CNCS’s Office of Inspector General (OIG) conducts and supervises independent and objective audits, evaluations, and investigations of CNCS’s programs and operations. Based on the results of these audits, reviews, and investigations, the OIG recommends policies to promote economy and efficiency and to prevent and detect fraud, waste, and abuse in CNCS’s programs and operations.
The OIG conducts and supervises audits of CNCS recipients, as well as legislatively mandated audits and reviews. The legislatively mandated audits include the annual financial statement audit, and fulfilling the requirements of the Government Information Security Reform Act and its successor, the Federal Information Security Management Act. A risk-based approach, along with input received from CNCS management, is used to select recipients and awards for audit. The OIG hires audit firms to conduct some of its audits. The OIG audit staff is available to discuss its audit function, and can be reached at (202) 606-9390.

The OIG is available to offer assistance to CNCS recipients that become aware of suspected criminal activity or fraud, waste, and abuse in connection with the CNCS-funded program. The OIG investigative staff is available to provide guidance and ensure that the appropriate law enforcement agency is notified, if required. The OIG may be reached by email at hotline@cnscsig.gov or by telephone at (800) 452-8210. Upon request, OIG will take appropriate measures to protect the identity of any individual who reports misconduct, as authorized by the Inspector General Act of 1978, as amended. Reports to OIG may also be made anonymously.

Recipients must cooperate fully with OIG inquiries by disclosing complete and accurate information pertaining to matters under investigation or review, and by not concealing information or obstructing audits, inspections, investigations, or other official inquiries.

D. REPORTING OF FRAUD, WASTE, AND ABUSE

Recipients must immediately contact the OIG and their program officer when they first suspect that:

1. A criminal violation has occurred (see 18 U.S.C. Part I for more information on criminal conduct. http://www.gpo.gov/fdsys/pkg/USCODE-2012-title18/html/USCODE-2012-title18-partI.htm), such as:
   a. Criminal fraud.
   b. Theft or embezzlement.
   c. Forgery.
   d. Corruption, bribery, kickbacks, or acceptance of illegal gratuities or extortion.

2. Actual or suspected fraud, waste, or abuse has occurred.
   a. Fraud involves obtaining something of value through willful misrepresentation.
   b. Waste involves the taxpayers not receiving reasonable value for money in connection with any government funded activities due to an inappropriate act or omission by players with control over or access to government resources.
   c. Abuse involves behavior that is deficient or improper when compared with behavior that a prudent person would consider reasonable and necessary business practice given the facts and circumstances. Abuse also includes misuse of authority or position for personal financial interests or those of an immediate or close family member or business associate.

E. WHISTLEBLOWER PROTECTION

1. This award and employees working on this award will be subject to the whistleblower rights and remedies in the pilot program on Contractor employee whistleblower
2. Under this pilot program, an employee of a recipient may not be discharged, demoted, or otherwise discriminated against as a reprisal for disclosing information that the employee reasonably believes is evidence of gross mismanagement of a Federal contract or award, a gross waste of Federal funds, an abuse of authority (an arbitrary and capricious exercise of authority that is inconsistent with the mission of CNCS or the successful performance of a contract or award of CNCS) relating to a Federal contract or award, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a Federal contract (including the competition for or negotiation of a contract) or award.

3. The recipient shall inform its employees in writing, in the predominant language of the workforce or organization, of employee whistleblower rights and protections under 41 U.S.C. 4712, as described above and at http://www.cncsoig.gov/contractor-whistleblower-protection-0#node-1001.

F. LIABILITY AND SAFETY ISSUES

The recipient must institute safeguards as necessary and appropriate to ensure the safety of members and volunteers. Members and volunteers may not participate in projects that pose undue safety risks.

G. SITE VISITS

CNCS reserves the right to make site visits to review and evaluate recipient records, accomplishments, organizational procedures and financial control systems, to conduct interviews, and to provide technical assistance as necessary.

H. NON-DISCRIMINATION PUBLIC NOTICE AND RECORDS COMPLIANCE

1. Public Notice of Non-discrimination. The recipient must notify members, community beneficiaries, applicants, program staff, and the public, including those with impaired vision or hearing, that it operates its program or activity subject to the non-discrimination requirements of the applicable statutes. The notice must summarize the requirements, note the availability of compliance information from the recipient and CNCS, and briefly explain procedures for filing discrimination complaints with CNCS.

Sample language is:

VI. ATTACHMENTS

Grant Program Civil Rights and Non-Harassment Policy

The Corporation for National and Community Service (CNCS) has zero tolerance for the harassment of any individual or group of individuals for any reason. CNCS is committed to treating all persons with dignity and respect. CNCS prohibits all forms of discrimination based upon race, color, national origin, gender, age, religion, sexual orientation, disability, gender identity or expression, political affiliation, marital or parental status, or military service. All programs administered by, or receiving Federal financial assistance from CNCS, must be free from all forms of harassment. Whether in CNCS offices or campuses, in other service-related settings such as training sessions or service sites, or at service-related social events, such harassment is unacceptable. Any such harassment, if found, will result in immediate corrective action, up to and including removal or termination of any CNCS employee or volunteer. Recipients of Federal financial assistance, be they individuals, organizations, programs and/or projects are also subject to this zero tolerance policy. Where a violation is found, and subject to regulatory procedures, appropriate corrective action will be taken, up to and including termination of Federal financial assistance from all Federal sources.

Slurs and other verbal or physical conduct relating to an individual’s gender, race, ethnicity, religion, sexual orientation or any other basis constitute harassment when it has the purpose or effect of interfering with service performance or creating an intimidating, hostile, or offensive service environment. Harassment includes, but is not limited to: explicit or implicit demands for sexual favors; pressure for dates; deliberate touching, leaning over, or cornering; offensive teasing, jokes, remarks, or questions; letters, phone calls, or distribution or display of offensive materials; offensive looks or gestures; gender, racial, ethnic, or religious baiting; physical assaults or other threatening behavior; or demeaning, debasing or abusive comments or actions that intimidate.

CNCS does not tolerate harassment by anyone including persons of the same or different races, sexes, religions, or ethnic origins; or from a CNCS employee or supervisor; a project, or site employee or supervisor; a non-employee (e.g., client); a co-worker or service member.

I expect supervisors and managers of CNCS programs and projects, when made aware of alleged harassment by employees, service participants, or other individuals, to immediately take swift and appropriate action. CNCS will not tolerate retaliation against a person who raises harassment concerns in good faith. Any CNCS employee who violates this policy will be subject to discipline, up to and including termination, and any grantee that permits harassment in violation of this policy will be subject to a finding of non-compliance and administrative procedures that may result in termination of Federal financial assistance from CNCS and all other Federal agencies.

Any person who believes that he or she has been discriminated against in violation of civil rights laws, regulations, or this policy, or in retaliation for opposition to discrimination or participation in discrimination complaint proceedings (e.g., as a complainant or witness) in any CNCS program or project, may raise his or her concerns with our Office of Civil Rights and Inclusiveness (OCRI). Discrimination claims not brought to the attention of OCRI within 45 days of their occurrence may not be accepted in a formal complaint of discrimination. No one can be required to use a program, project or sponsor dispute resolution procedure before contacting OCRI. If another procedure is used, it does not affect the 45-day time limit. OCRI may be reached at (202) 606-7503 (voice), (202) 606-3472 (TTY), eo@cns.gov, or through www.nationalservice.gov.

I. CHANGES FROM THE 2014 AMERICORPS GRANT PROVISIONS

For your convenience, we have identified changes from last year’s AmeriCorps State and National grant provisions. The list below is general and informational in nature, not comprehensive. We reiterate the importance of reviewing all award terms and conditions, because recipients are responsible for knowing, understanding, and complying with all award terms and conditions.

The following revisions were made to the original 2015 AmeriCorps Program Specific Terms and Conditions:
   1. Section XV – Corrected the cost principles citation.

The changes listed below were the original changes noted as changes to the 2014 AmeriCorps Grant Provisions:
   1. Changed the name of the AmeriCorps State and National Grant Provisions to Terms and Conditions for AmeriCorps State and National Grants.
   2. Moved the General Provisions included in these terms and conditions to the General Terms and Conditions.
   3. Updated citations throughout these specific terms and conditions.
   4. Section II. – Added definitions related to planning grants and the NCSA.
   5. Section XII. – Added award period information for planning grants.
   6. Section XV. – Updated the frequency of CNCS review of the amount of hours members serve in fixed amount awards.

II. DEFINITIONS

A. Recipient, for the purposes of this agreement, means the direct recipient of this award. The recipient is legally accountable to CNCS for the use of award funds, or member positions, and is bound by the provisions of the award. The recipient is responsible for ensuring that subrecipients or other organizations carrying out activities under this award comply with all applicable Federal requirements, including the CNCS General Terms and Conditions, these specific terms and conditions, regulations incorporated by reference, and the NCSA.

B. Planning Grant, for the purposes of this agreement, is an award or subaward provided to a qualified applicant that submits an application for the planning of a national service program. State Service Commissions may award planning grants as part of their Formula Cost Reimbursement prime award. Planning grants do not include member positions. Planning grants may not exceed an amount greater than $75,000 per program.

C. Subrecipient refers to an organization receiving AmeriCorps award funds or member positions from a recipient of CNCS. See 2 CFR § 200.93.
D. **Operating site** means the organization that manages the AmeriCorps program and places members into service locations. State subrecipients (programs) are operating sites. National recipients must identify at least one operating site to which they can assign service locations in the state where they are placing members.

E. **Program** refers to the activities supported under the award.

F. **Service Location** means the organization where or with which a member actually provides his or her service in the community. Typical service locations are schools, food banks, health clinics, community parks, etc. The service location may be the same as the operating site, but only if the member actually serves at or with the operating site organization. A member may serve at multiple service locations, all of which must be listed in the portal, although the program must select only one for the member’s primary assignment.

G. **Member or participant** means an individual:
1. Who has been selected by a recipient or subrecipient to serve in an approved national service position;
2. Who is a U.S. citizen, U.S. national, or lawful permanent resident alien of the United States;
3. Who is at least 17 years of age at the commencement of service unless the member is out of school and enrolled in a full-time, year-round youth corps or full-time summer program as defined in the NCSA (42 U.S.C. § 12572 (a)3(B)(x)), in which case he or she must be between the ages of 16 and 25, inclusive, and
4. Who has received a high school diploma or its equivalent, agrees to obtain a high school diploma or its equivalent (unless this requirement is waived based on an individual education assessment conducted by the program) and the individual did not drop out of an elementary or secondary school to enroll in the program, or is enrolled in an institution of higher education on an ability to benefit basis and is considered eligible for funds under 20 U.S.C. § 1091 (See Section IX. B.).

III. **AFFILIATION WITH THE AMERICORPS NATIONAL SERVICE PROGRAM**

A. **Identification as an AmeriCorps Program or Member.** The recipient shall identify the program as an AmeriCorps program and members as AmeriCorps members. All agreements with subrecipients, operating sites, or service locations, related to the AmeriCorps program must explicitly
state that the program is an AmeriCorps program and AmeriCorps members are the resource being provided.

B. **The AmeriCorps Name and Logo.** AmeriCorps is a registered service mark of CNCS. CNCS provides a camera-ready logo. All recipient and subrecipient websites shall clearly state that they are an AmeriCorps recipient and shall prominently display the AmeriCorps logo. Recipients and subrecipients shall use the AmeriCorps name and logo on service gear and public materials such as stationery, application forms, recruitment brochures, on-line position postings or other recruitment materials, orientation materials, member curriculum materials, signs, banners, press releases and publications related to their AmeriCorps program in accordance with CNCS requirements.

To publicize the relationship between the program and AmeriCorps, the recipient shall describe their program as “an AmeriCorps program.” Recipients shall provide information or training to their AmeriCorps members about how their program is part of the national AmeriCorps program and about the other national service programs of CNCS. Recipients are strongly encouraged to place signs that include the AmeriCorps name and logo at their service sites and may use the slogan “AmeriCorps Serving Here.” AmeriCorps members should state that they are AmeriCorps members during public speaking opportunities.

The recipient may not alter the AmeriCorps logo, and must obtain written permission from CNCS before using the AmeriCorps name or logo on materials that will be sold, or permitting donors to use the AmeriCorps name or logo in promotional materials. The recipient may not use or display the AmeriCorps name or logo in connection with any activity prohibited by statute, regulation, or CNCS General Terms and Conditions, and these specific award terms and conditions.

**IV. MEMBER RECRUITMENT, SELECTION, AND EXIT**

Member recruitment and selection requirements are in CNCS’s regulations at 45 CFR §§ 2522.210 and Part 2540, subpart B. In addition, the recipient must ensure that the following procedures are followed:

A. **Notice to CNCS’s National Service Trust.** The recipient must notify CNCS’s National Service Trust, via the MyAmeriCorps Portal, within 30 days of a member’s start of, completion of, suspension from, or release from, a term of service. Suspension of service is defined as an extended period during which the member is not serving, nor accumulating service hours or receiving AmeriCorps benefits.

The recipient also must notify the Trust, via the My AmeriCorps Portal, when a change in a member’s term of service is approved and changed
(i.e. from full-time to less than full-time or vice versa). Failure to report such changes within 30 days may result in sanctions to the recipient, up to and including, suspension or termination of the award. Recipients or subrecipients meet notification requirements by using the appropriate electronic system to inform CNCS of changes within the required time frames. Any questions regarding the Trust should be directed to the Trust Office (800) 942-2677.

B. **Parental Consent.** Parental or legal guardian consent must be obtained for members under 18 years of age before members begin a term of service. Recipients may also include an informed consent form of their own design as part of the member service agreement materials.

C. **Reasonable Accommodation.** Programs and activities must be accessible to persons with disabilities, and the recipient must provide reasonable accommodation to the known mental or physical disabilities of otherwise qualified members, service recipients, applicants, and staff. All selections and project assignments must be made without regard to the need to provide reasonable accommodation. See the FAQ for more information: (http://www.nationalservice.gov/sites/default/files/documents/AmeriCorps_State_National_Policy_FAQs.pdf).

D. **Assigning Members to Service Locations.** The recipient is required to ensure that all operating sites and all service locations are entered in the My AmeriCorps portal for all members within 30 days of members’ starting a term of service. The recipient is required to include the name of the organization, and the full address or zip-plus-four of the service locations where each member will be serving. If a member is serving at multiple service locations, the program must select the one where the member serves a majority of his or her hours for the member’s assignment, however, all service locations must be listed in the portal.

E. **Completion of Terms of Service.** The recipient must ensure that each member has sufficient opportunity to complete the required number of hours of service to qualify for the education award. Members must be exited within 30 days of the end of their term of service. If this award expires or is not renewed, a member who was scheduled to continue in a term of service may either be placed in another program, where feasible, or if the member has completed at least 15% of the service hour requirement, the member may receive a pro-rated education award.

F. **Member Exit.** In order for a member to receive an education award from the National Service Trust, the recipient must certify to the National Service Trust that the member satisfactorily and successfully completed the term of service, and is eligible to receive the education benefit. The recipient (and any individual or entity acting on behalf of the recipient) is
responsible for the accuracy of the information certified on the end-of-term certification.

G. **Penalties for false information:** Any individual who makes a materially false statement or representation in connection with the approval or disbursement of an education award or other payment from the National Service Trust may be liable for the recovery of funds and subject to civil and criminal sanctions.

V. **SUPERVISION AND SUPPORT**

A. **Planning for the Term of Service.** The recipient must develop member positions that provide for meaningful service activities and performance criteria that are appropriate to the skill level of members. The recipient is responsible for ensuring that the positions do not include or put the AmeriCorps member in a situation in which the member is at risk for engaging in any prohibited activity (see 45 CFR § 2520.65), activity that would violate the non-duplication and non-displacement requirements (see 45 CFR § 2540.100), or exceeding the limitations on allowable fundraising activity (see 45 CFR §§ 2520.40-.45). The recipient must accurately and completely describe the activities to be performed by each member in a position description. Position descriptions must be provided to CNCS upon request. The recipient must ensure that each member has sufficient opportunity to complete the required number of hours to qualify for an education award. In planning for the member’s term of service, the recipient must account for holidays and other time off, and must provide each member with sufficient opportunity to make up missed hours.

B. **Member Service Agreements.** The recipient must require that each member sign a member service agreement that includes, at minimum, the following:

1. Member position description;
2. The minimum number of service hours (as required by statute) and other requirements (as developed by the recipient) necessary to successfully complete the term of service and to be eligible for the education award;
3. The amount of the education award being offered for successful completion of the terms of service in which the individual is enrolling;
4. Standards of conduct, as developed by the recipient or sub recipient;
5. The list of prohibited activities, including those specified in the regulations at 45 CFR § 2520.65 (see paragraph C, below);
6. The text of 45 CFR §§ 2540.100(e)-(f), which relates to Non-duplication and Nondisplacement;
The text of 45 CFR §§ 2520.40-.45, which relates to fundraising by members;

Requirements under the Drug-Free Workplace Act (41 U.S.C. § 701 et seq.);

Civil rights requirements, complaint procedures, and rights of beneficiaries;

Suspension and termination rules;

The specific circumstances under which a member may be released for cause;

Grievance procedures; and

Other requirements established by the recipient.

The recipient should ensure that the service agreement is signed before commencement of service so that members are fully aware of their rights and responsibilities.

C. Prohibited Activities. While charging time to the AmeriCorps program, accumulating service or training hours, or otherwise performing activities supported by the AmeriCorps program or CNCS, staff and members may not engage in the following activities (see 45 CFR § 2520.65):

1. Attempting to influence legislation;
2. Organizing or engaging in protests, petitions, boycotts, or strikes;
3. Assisting, promoting, or deterring union organizing;
4. Impairing existing contracts for services or collective bargaining agreements;
5. Engaging in partisan political activities, or other activities designed to influence the outcome of an election to any public office;
6. Participating in, or endorsing, events or activities that are likely to include advocacy for or against political parties, political platforms, political candidates, proposed legislation, or elected officials;
7. Engaging in religious instruction, conducting worship services, providing instruction as part of a program that includes mandatory religious instruction or worship, constructing or operating facilities devoted to religious instruction or worship, maintaining facilities primarily or inherently devoted to religious instruction or worship, or engaging in any form of religious proselytization;
8. Providing a direct benefit to—
   a. A business organized for profit;
   b. A labor union;
   c. A partisan political organization;
   d. A nonprofit organization that fails to comply with the restrictions contained in section 501(c)(3) of the Internal Revenue Code of 1986 related to engaging in political activities or substantial amount of lobbying except that
nothing in these provisions shall be construed to prevent participants from engaging in advocacy activities undertaken at their own initiative; and

e. An organization engaged in the religious activities described in paragraph C. 7. above, unless CNCS assistance is not used to support those religious activities;

9. Conducting a voter registration drive or using CNCS funds to conduct a voter registration drive;

10. Providing abortion services or referrals for receipt of such services; and

11. Such other activities as CNCS may prohibit.

AmeriCorps members may not engage in the above activities directly or indirectly by recruiting, training, or managing others for the primary purpose of engaging in one of the activities listed above. Individuals may exercise their rights as private citizens and may participate in the activities listed above on their initiative, on non-AmeriCorps time, and using non-CNCS funds. Individuals should not wear the AmeriCorps logo while doing so.

D. Supervision. The recipient must provide members with adequate supervision by qualified supervisors consistent with the approved award application. The recipient must conduct an orientation for members, including training on what activities are prohibited during AmeriCorps service hours, and comply with any pre-service orientation or training required by CNCS. The recipient must ensure that it does not exceed the limitation on member service hours spent in education and training set forth in 45 CFR § 2520.50.

E. Performance Reviews. The recipient must conduct and keep a record of at least a midterm and an end-of-term written evaluation of each member’s performance for Full and Half-Time members and an end-of-term written evaluation for less than Half-time members. The end-of-term evaluation should address, at a minimum, the following factors:

1. Whether the member has completed the required number of hours;
2. Whether the member has satisfactorily completed assignments; and
3. Whether the member has met other performance criteria that were clearly communicated at the beginning of the term of service.

F. Timekeeping. The recipient is required to ensure that time and attendance recordkeeping is conducted by the AmeriCorps member’s supervisor. This time and attendance record is used to document member eligibility for in-service and post-service benefits. Time and attendance records must be signed and dated both by the member and his/her supervisor.
If a Professional Corps program wants to follow the timekeeping practices of its profession and certify that members have completed the minimum required hours, excluding sick and vacation days, it must get advance written approval from CNCS.

G. **Member Death or Injury.** The recipient must immediately report any member deaths or serious injuries to the designated CNCS Program Officer.

VI. **CHANGES IN MEMBER TERMS OF SERVICE OR PROGRAM SLOTS**

A. **Changes that Require CNCS Approval.** Circumstances may arise within a program that necessitate changing the type of unfilled AmeriCorps member positions awarded to a recipient or subrecipient, or changing the term of service of a currently enrolled member. Note that once a member is exited with a partial education award, the remaining portion of that education award is not available for use. The following changes require written approval from CNCS’s Office of Grants Management as well as written approval and concurrence from the State Commission or National Direct recipient:

1. A change in the number of member service year (MSY) positions in the award; and/or
2. A change in the funding level of the award.

B. **Changing Slot Types (unfilled positions).** Recipients or subrecipients may change the type of slots awarded to their program if:

1. The change does not increase the total MSYs authorized in the Notice of Grant Award (e.g. one half-time position cannot be changed to one full-time position); and
2. The change does not increase the value of the education award; and,
3. If the award is a Full-cost Fixed Amount or Professional Corps Fixed Amount award, the slot will be filled by a member serving in a full-time capacity.

All changes to slot type are subject to availability of funds in the Trust, must be Trust neutral, and must comply with all assumptions on which Trust prudence and continued solvency are predicted. Changes in slot type may be made by the recipient directly in the My AmeriCorps Portal.

C. **Changing a Term of Service (currently enrolled positions).** Changes in terms of service may not result in an increased number of MSYs for the program. With the exception of Education Award only awards, recipients with Fixed Amount awards may not convert members to less-than-full-time slots.
1. **Full-time.** State Commissions and National Direct Organizations may authorize or approve occasional changes of currently enrolled full-time members to less than full-time members. Impact on program quality should be factored into approval of such requests. CNCS will not cover health care or childcare costs for less than full-time members. It is not allowable to transfer currently enrolled full-time members to a less than full-time status simply to provide a less than full-time education award.

2. **Less than Full-time.** CNCS discourages changing less than full-time members to full-time because it is very difficult to manage, unless done very early in the member’s term of service. State Commissions and National Direct Parent Organizations may authorize or approve such changes so long as their current budget can accommodate such changes. Programs must keep in mind that a member’s minimum 1700 hours must be completed within 12 months of the member’s original start date.

3. **Refilling Slots.** With the exception of recipients whose awards have special award conditions under 2 CFR §§ 200.207 or 200.338, AmeriCorps State and National programs that have fully enrolled their awarded member slots are allowed to replace any member who terminates service before completing 30 percent of his/her term provided that the member who is terminated is not eligible for and does not receive a pro-rated education award. Programs may not refill the same slot more than once.

As a fail-safe mechanism to ensure that resources are available in the National Service Trust to finance all earned education awards, CNCS will suspend refilling if either:

a. Total AmeriCorps enrollment reaches 97 percent of awarded slots; or
b. The number of refills reaches five percent of awarded slots.

4. Direct recipients may transfer refill slots between operating sites as long as they can ensure and document that the same slot is not refilled more than once. Refill slot transfers between operating sites require CNCS Program Officer assistance. Refill slots may not be combined with unfilled slots.

D. **Formula and State Competitive Award Slot Transfers.** State commissions are allowed to transfer slots among their state formula and competitive subrecipients in order to maximize enrollment and cost effectiveness without prior approval. State commissions may not transfer slots between competitive and formula subrecipients, or vice-versa. State commissions may not transfer funds among their competitive subrecipients.
E. **Notice to Childcare and Healthcare Providers.** The recipient must immediately notify CNCS’s designated agents, in writing, when a member’s status changes in a manner that affects eligibility for childcare or healthcare. See Section VIII.D.

VII. **RELEASE FROM PARTICIPATION**

Recipients may release members from participation for two reasons: (a) for compelling personal circumstances; and (b) for cause. See 45 CFR § 2522.230 for requirements. Whether the reason for the release amounts to circumstances beyond the member’s control is determined by the recipient, consistent with the criteria listed in 45 CFR § 2522.230(a). Failure to follow the requirements set forth in regulation (e.g., releasing an individual for a non-compelling personal circumstance, such as when the individual is leaving to go to school) is considered non-compliance with award requirements and may result in disallowed costs and other remedies for non-compliance. In addition to the regulations, the following applies:

**No Automatic Disqualification if Released for Cause:** A release for cause covers all circumstances in which a member does not successfully complete his/her term of service for reasons other than compelling personal circumstances. Therefore, it is possible for a member to receive a satisfactory performance review and be released for cause. For example, a member who is released for cause from a first term—e.g. the individual has decided to take a job offer—but who, otherwise, performed well, would not be disqualified from enrolling for a subsequent term as long as the individual received a satisfactory performance evaluation for the first period of service.

VIII. **LIVING ALLOWANCES, OTHER IN-SERVICE BENEFITS, AND TAXES**

Requirements related to member living allowances and benefits are in 45 CFR §§ 2522.240 and 2522.250. In addition, recipients must ensure that the following procedures are followed:

A. **Living Allowance Distribution.** A living allowance is not a wage. Recipients must not pay a living allowance on an hourly basis. Recipients should pay the living allowance in regular increments, such as weekly or bi-weekly, paying an increased increment only on the basis of increased living expenses such as food, housing, or transportation. Payments should not fluctuate based on the number of hours served in a particular time period, and must cease when the member’s service ceases.

If a member serves all required hours and is permitted to conclude his or her term of service before the originally agreed upon end of term, the recipient may not provide a lump sum payment to the member. Similarly, if a member is selected after the program’s start date, the recipient must provide regular living allowance payments from the member’s start date
and may not increase the member’s living allowance incremental payment or provide a lump sum to make up any missed payments.

Education Award Program Fixed Amount awards (EAPs) and Partnership Challenge awards may provide a living allowance or other in-service benefits to their members, but are not required to do so. Full-cost and other Fixed Amount recipients must provide a living allowance to their members.

B. **Waiving the Living Allowance.** If a living allowance is paid, a member may waive all or part of the payment of a living allowance if he or she believes his or her public assistance may be lost or decreased because of the living allowance. Even if a member waives his or her right to receive the living allowance, it is possible—depending on the specific public assistance program rules—that the amount of the living allowance that the member is eligible to receive will be deemed available. A member who has waived the living allowance may revoke the waiver at any time and may begin receiving the living allowance going forward from the date the individual revoked the waiver. A member may not receive any portion of the living allowance for the period of time the living allowance was waived.

C. **Taxes and Insurance.**

1. **Liability Insurance Coverage.** The recipient is responsible for ensuring adequate general liability coverage for the organization, employees and members, including coverage of members engaged in on- and off-site project activities.
2. **FICA (Social Security and Medicare taxes).** Unless the recipient obtains a ruling from the Social Security Administration or the Internal Revenue Service that specifically exempts its AmeriCorps members from FICA requirements, the recipient must pay FICA for any member receiving a living allowance. The recipient also must withhold 7.65% from the member’s living allowance.
3. **Income Taxes.** The recipient must withhold Federal personal income taxes from member living allowances, requiring each member to complete a W-4 form at the beginning of the term of service and providing a W-2 form at the close of the tax year. The recipient must comply with any applicable state or local tax requirements.
4. **Worker’s Compensation.** Some states require worker’s compensation for AmeriCorps members. Recipients must check with State Departments of Labor or state commissions to determine worker’s compensation requirements. If worker’s compensation is not required, recipients must obtain Occupational,
Accidental, and Death and Dismemberment coverage for members to cover in-service injury or incidents.

D. **Healthcare Coverage.** Except for EAPs, Professional Corps, Partnership Challenge awards, or members covered under a collective bargaining agreement, the recipient must provide, or make available, healthcare insurance to those members serving a 1700-hour full-time term who are not otherwise covered by a healthcare policy at the time the member begins his/her term of service. The recipient must also provide, or make available, healthcare insurance to members serving a 1700-hour full-time term who lose coverage during their term of service as a result of service or through no deliberate act of their own. CNCS will not cover healthcare costs for dependent coverage.

Less-than-full-time members who are serving in a full-time capacity for a sustained period of time (e.g. a full-time summer project) are eligible for healthcare benefits. Programs may provide health insurance to less-than-full-time members serving in a full-time capacity, but they are not required to do so. For purposes of this provision, a member is serving in a full-time capacity when his/her regular term of service will involve performing service on a normal full-time schedule for a period of six weeks or more. A member may be serving in a full-time capacity without regard to whether his/her regular term of service will result in a full-time Segal AmeriCorps Education Award.

Any of the following health insurance options will satisfy the requirement for health insurance for full-time AmeriCorps members (or less than full-time members serving in a full-time capacity): staying on parents’ or spouse plan; insurance obtained through the Federal Health Insurance Marketplace of at least the Bronze level plan; insurance obtained through private insurance broker; Medicaid, Medicare or military benefits. AmeriCorps programs purchasing their own health insurance for members must ensure plans are MEC and meet the requirements of the Affordable Care Act.

Per a May 14, 2014 notice, the Department of Health and Human Services (HHS) issued guidance that created a special healthcare enrollment period for all AmeriCorps State and National members.

Starting Service: If members begin service after the open enrollment period which ended on March 30, 2014, they have 60 days from the service start date to sign-up for healthcare coverage through the federal healthcare marketplace.

Ending Service: At the conclusion of service, members will also be able to purchase a qualified health plan from the federal healthcare marketplace outside of the annual open enrollment period. Members have 60 days
from the service end date to sign-up for healthcare coverage.

If coverage is being provided via the Healthcare Marketplace, and thus third party payment is not an option, programs must develop a process to reimburse members for monthly premiums. Reimbursements for health insurance premiums are considered taxable income for the member, and programs must have a way to document such reimbursements.

E. **Administration of Childcare Payments.** In general, CNCS will provide for childcare payments, which will be administered through an outside contractor. Requirements and eligibility criteria are in the AmeriCorps regulations, 45 CFR § 2522.250. Members serving in EAPs or Partnership Challenge programs are not eligible for the childcare benefit. CNCS will not cover childcare costs for members who served on a less than full-time basis, or who have ceased serving. Programs may provide childcare to less-than-full-time members serving in a full-time capacity, but they are not required to do so. Recipients that choose to provide childcare and will claim the costs of childcare as matching costs, as approved in their budget, may contact the childcare contractor for technical assistance. Recipients can contact the AmeriCorps hotline at 1-800-942-2677 with questions regarding childcare. The criteria for member eligibility are contained in 45 CFR § 2522.250. Also see the FAQs, (http://www.nationalservice.gov/sites/default/files/documents/AmeriCorps_State_National_Policy_FAQs.pdf) for more detailed information on administering childcare and healthcare benefits.

F. **Notice to Childcare Providers.** The recipient must immediately notify CNCS’s designated agents in writing, when a member’s status changes in a manner that affects the member’s eligibility for childcare. Examples of changes in status include: changes to a member's scheduled service so that he/she is no longer serving on a full-time basis, terminating or releasing a member from service, and suspending a member for cause for a lengthy or indefinite time period. Program directors should contact the childcare provider on childcare related changes.

**IX. MEMBER RECORDS AND CONFIDENTIALITY**

A. **Recordkeeping.** The recipient must maintain records, including the position description, sufficient to establish that each member was eligible to participate and that the member successfully completed all program requirements. A program may store member files electronically and use electronic signatures if the program can ensure the validity and integrity of the record and signature is maintained.

The program’s electronic storage procedures and system must provide for the safe-keeping and security of the records, including:
1. Sufficient prevention of unauthorized alterations or erasures of records;
2. Effective security measures to ensure that only authorized persons have access to records;
3. Adequate measures designed to prevent physical damage to records; and
4. A system providing for back-up and recovery of records; and

The electronic storage procedures and system provide for the easy retrieval of records in a timely fashion, including:

1. Storage of the records in a physically accessible location;
2. Clear and accurate labeling of all records; and
3. Storage of the records in a usable, readable format.

B. **Verification of Eligibility.** Unless an individual’s social security number and citizenship was verified through the My AmeriCorps Portal, the recipient must obtain and maintain documentation as required by 45 CFR § 2522.200(c). CNCS does not require programs to make and retain copies of the actual documents used to confirm age or citizenship eligibility requirements, such as a driver’s license, or birth certificate, as long as the recipient has a consistent practice of identifying the documents that were reviewed and maintaining a record of the review.

Enrolling in the My AmeriCorps portal requires members to certify their high school status. Such certification fulfills the recipient’s verification requirement to obtain and maintain documentation from the member relating to the member’s high school education. If the member is incapable of obtaining a high school diploma or its equivalent, as determined by an independent evaluation, the recipient must retain a copy of the supporting evaluation.

C. **Confidential Member Information.** The recipient must maintain the confidentiality of information regarding individual members. The recipient must obtain the prior written consent of all members before using their names, photographs and other identifying information for publicity, promotional or other purposes. Recipients may release aggregate and other non-identifying information, and are required to release member information to CNCS and its designated contractors. The recipient must permit a member who submits a written request for access to review records that pertain to the member and were created pursuant to this award.

D. **National Service Criminal History Check.** The specific requirements of the National Service Criminal History Check, including the timing and recordkeeping requirements, are specified at 45 CFR §§ 2540.200 - .207.
See also the final rule and the CNCS website for more information. You must retain a record of the NSOPW search and associated results either by printing the screen(s) or by some other method that retains paper or digital images of the NSOPW checks, inclusive of the date record for when the search was performed. Inability to demonstrate that you conducted an NSOPW or the required criminal history check, as specified in the regulations, may result in sanctions, including disallowance of all or part of the costs associated with the non-compliance (see 2 CFR § 200.338).

X. BUDGET AND PROGRAMMATIC CHANGES

A. Programmatic Changes. The recipient must first obtain the prior written approval of the AmeriCorps Program Office before making any of the following changes (1-3):

1. Changes in the scope, objectives or goals of the program, whether or not they involve budgetary changes;
2. Substantial changes in the level of member supervision;
3. Entering into additional sub awards or contracts for AmeriCorps activities funded by the award, but not identified or included in the approved application and award budget.

Upon notification to the AmeriCorps Program Office, recipients may make programmatic changes due to, or in response to, an officially-declared state or national disaster without written approval from CNCS. As soon as practicable, recipients making disaster-related programmatic changes must discuss the recordkeeping, member activities, performance measure adjustments, and other AmeriCorps award requirements with the AmeriCorps Program Office. While written approval from CNCS is not required before making disaster-related programmatic changes, CNCS reserves the right to limit or deny disaster-related programmatic changes.

B. Program Changes for Formula Programs. State Commissions are responsible for approving the above changes for state formula programs.

C. Budgetary Changes. The recipient must obtain the prior written approval of CNCS’s Office of Grants Management before deviating from the approved budget in any of the following ways:

1. Specific Costs Requiring Prior Approval before Incurrence under OMB Cost Principles 2 CFR Part 200, Subpart E. For certain cost items, the cost principles require approval of the awarding agency for the cost to be allowable. Examples of these costs are overtime pay, rearrangement and alteration costs, and pre-award costs.
2. Purchases of Equipment over $5,000 using award funds, unless specified in the approved application and budget.

3. Unless the CNCS share of the award is $100,000 or less, changes to cumulative and/or aggregate budget line items that amount to 10 per cent or more of the total budget must be approved in writing in advance by CNCS. The total budget includes both the CNCS and recipient shares. Recipients may transfer funds among approved direct cost categories when the cumulative amount of such transfers does not exceed 10 percent of the total budget.

D. **Approvals of Programmatic and Budget Changes.** CNCS’s Grants Officers are the only officials who have the authority to alter or change the terms and conditions or requirements of the award. The Grants Officers will execute written amendments, and recipients should not assume approvals have been granted unless documentation from the Grants Office has been received. Programmatic changes also require final approval of CNCS’s Office of Grants Management after written recommendation for approval is received from the Program Office.

E. **Exceptions for Fixed Amount Awards.** Recipients with Fixed Amount awards are not subject to the requirements in Section C., Budgetary Changes, above.

**XI. REPORTING REQUIREMENTS**

This section applies only to the recipient. The recipient is responsible for timely submission of periodic financial and progress reports during the project period and a final financial report and for setting submission deadlines for its respective subrecipients that ensure the timely submission of recipient reports.

A. **Recipient Progress Reports.** The recipient shall complete and submit progress reports in eGrants to report on progress toward achievement of its approved performance targets.

<table>
<thead>
<tr>
<th>Due Date</th>
<th>Reporting Period Covered</th>
</tr>
</thead>
<tbody>
<tr>
<td>April 30</td>
<td>Start of award through March 31</td>
</tr>
<tr>
<td>October 31</td>
<td>Start of award year through end of award year or September 30, whichever is sooner</td>
</tr>
</tbody>
</table>

B. **Financial Reports.** The recipient shall complete and submit financial reports in eGrants (Financial Status Reports on menu tree) to report the status of all funds. The recipient must submit timely cumulative financial reports in accordance with CNCS guidelines according to the following schedule:
<table>
<thead>
<tr>
<th>Due Date</th>
<th>Reporting Period Covered</th>
</tr>
</thead>
<tbody>
<tr>
<td>April 30</td>
<td>Start of award through March 31</td>
</tr>
<tr>
<td>October 31</td>
<td>April 1 – September 30</td>
</tr>
</tbody>
</table>

A recipient must set submission deadlines for its respective subrecipients that ensure the timely submission of recipient reports.

Cost reimbursement National Professional Corps recipients submit one financial report per year.

All recipients, including Fixed Amount recipients, must submit the Federal Financial Report (FFR) - Cash Transactions Report on a quarterly basis to the Department of Health and Human Services Payment Management System per the Electronic Funds Transfer Agreement.

C. **Reporting Other Federal Funds.** The recipient shall report the amount and sources of federal funds, other than those provided by CNCS, claimed as matching funds. This includes other federal funds expended by subrecipients and operating sites and claimed as match. This information shall be reported annually on the financial report due October 31\textsuperscript{st} or at the time the final financial report is submitted if the final report is due prior to October 31\textsuperscript{st}. Fixed Amount recipients are not required to report this information.

D. **Requests for Extensions.** Each recipient must submit required reports by the given dates. Extensions of reporting deadlines will be granted only when 1) the report cannot be furnished in a timely manner for reasons, in the determination of CNCS, legitimately beyond the control of the recipient, and 2) CNCS receives a written request explaining the need for an extension before the due date of the report.

Extensions of deadlines for financial reports may only be granted by the Office of Grants Management, and extensions of deadlines for progress reports may only be granted by the AmeriCorps Program Office.

E. **Final Financial Reports.** A recipient must submit, in lieu of the last semi-annual financial report, a final financial report. This final report is due no later than 90 days after the end of the project period.

F. **Final Progress Reports.** A recipient must submit, in addition to the last semi-annual project report, a final project report. This final report is due no later than 90 days after the end of the project period.

G. **Financial Reports for Fixed Amount Awards.** Fixed Amount recipients are not required to submit financial reports to CNCS, including the final financial report.
XII. AWARD PERIOD AND INCREMENTAL FUNDING

For the purpose of the award, a project period is the complete length of time the recipient is proposed to be funded to complete approved activities under the award. A project period may contain one or more budget periods. A budget period is a specific interval of time for which Federal funds are being provided to fund a recipient’s approved activities and budget.

Unless otherwise specified, the award covers a three-year project period. In approving a multi-year project period, CNCS generally makes an initial award for the first year of operation. Additional funding is contingent upon satisfactory performance, a recipient’s demonstrated capacity to manage an award and comply with award requirements, and the availability of Congressional appropriations. CNCS reserves the right to adjust the amount of an award, or elect not to continue funding for subsequent years. The project period and the budget period are noted on the award document.

A planning grant covers a one-year project period.

XIII. PROGRAM INCOME

A. General. Income, including fees for service earned as a direct result of the award-funded program activities during the award period, must be retained by the recipient and used to finance the award’s non-CNCS share.

B. Excess Program Income. Program income earned in excess of the amount needed to finance the recipient share must follow the appropriate requirements of 2 CFR Part 220 and be deducted from total claimed costs. Recipients that earn excess income must specify the amount of the excess in the comment box on the financial report.

C. Fees for Service. When using assistance under this award, the recipient may not enter into a contract for or accept fees for service performed by members when:

1. The service benefits a for-profit entity,
2. The service falls within the other prohibited activities set forth in these award provisions, or

D. Full-Cost and Professional Corps Fixed Amount Awards and Partnership Challenge Awards. The recipient must notify its Grants Officer if it earns program income in excess of the amounts needed to cover all expenditures under the award. The Grants Officer will determine the disposition of the excess program income.
XIV. SAFETY

The recipient must institute safeguards as necessary and appropriate to ensure the safety of members. Members may not participate in projects that pose undue safety risks.

XV. FIXED AMOUNT AWARDS

Fixed Amount awards are not subject to the cost principles in 2 CFR, Part 200, Subpart E. Fixed Amount awards must comply with the remaining provisions of 2 CFR Part 200, including Subpart F relating to audit requirements. Fixed Amount awards include Education Award program (EAP) Fixed Amount awards, Professional Corps Fixed Amount awards, Full-Cost Fixed Amount awards, and Partnership Challenge awards.

For Education Award programs (EAP), the fixed federal assistance amount of the award is based on the approved and awarded number of full-time members specified in the award. For full-cost and Professional Corps Fixed Amount awards, the fixed federal assistance amount of the award is based on the approved and awarded numbers of full-time members and the members’ completion of their terms of service.

For EAPs, the final amount of award funds that the recipient may retain is dependent upon the recipient’s notifying CNCS’s National Service Trust of the members that it has enrolled. All EAP members must carry out activities to achieve the specific project objectives as approved by CNCS. At closeout, CNCS will calculate the final amount of the award based on Trust documentation. CNCS will recover any amounts drawn down by the recipient in excess of the final award amount allowed based on member selection documentation in the My AmeriCorps Portal.

For all other Fixed Amount awards, the recipient may draw funds from the HHS Payment Management System based on the number of members who complete a full term of service or if the member leaves before completing service, a pro-rated amount based on hours served.

Full-cost and Professional Corps programs may draw up to 20% of the funds within the first two months to cover start-up costs (recruitment and application, training, criminal history checks, etc.); however, total funds drawn should be based on the number of members on board at the time and the percentage of hours completed. Bi-annually, in some cases quarterly, and at closeout, CNCS will calculate the final amount of the award for the year or entire project period (at closeout) based on the number of successfully completed terms of service (as certified by the program) as well as the hours served that were not certified as successfully completed.
Partnership Challenge programs are awarded only member positions, but not federal funds. Therefore, Partnership Challenge programs will not draw any funds from the HHS Payment Management System.

It is intended as a resource to help state commissions, state programs, national parent organizations, and national sites establish and maintain sound operations in compliance with federal and state statutes, regulations, provisions, and policies.

Where to Find Information Resources
The AmeriCorps statute, the National and Community Service Act (NCSA), the AmeriCorps regulations, and the AmeriCorps State and National grant provisions are available in keyword searchable format here: http://www.nationalservice.gov/build-your-capacity/grants/managing-americorps-grants.

Relevant information on policy matters are communicated via e-mail and posted on the Communications Center. You can subscribe to the Communications Center and receive an e-mail message informing you of new material posted there. If you have questions about these Policies and Policy FAQs, please address them to PolicyQuestions@cns.gov or call (202) 606-6930.

For the purposes of these FAQs, “AmeriCorps” refers to AmeriCorps State and National grantees only. The term grantee is used to connote either grantee or subgrantee, as appropriate, throughout these FAQs.
A. ORGANIZATIONAL ELIGIBILITY AND GRANT APPLICATION

A. 1. How do I request a copy of an AmeriCorps grant application?
All funded AmeriCorps State and National grant applications are now posted on our Funding Opportunities page, here: http://www.nationalservice.gov/build-your-capacity/grants/funding-opportunities.

A. 2. Is a 501(c)(6) organization eligible to apply for and receive an AmeriCorps grant?
As long as the 501(c)(6) organization does not engage in lobbying activities (as defined under the Lobbying Disclosure Act of 1995), it may apply for and is eligible to receive federal grant funds. If it does engage in lobbying activities, it is ineligible to receive federal grant funds.

A. 3. Is a 501(c)(4) organization eligible to apply for and receive an AmeriCorps grant?
As long as the 501(c)(4) organization does not engage in lobbying activities (as defined under the Lobbying Disclosure Act of 1995), it may apply for and is eligible to receive federal grant funds. If it does engage in lobbying activities, it is ineligible to receive federal grant funds.

A. 4. Must an organization have 501(c)(3) status to be granted funds by the Corporation?
May an organization receive AmeriCorps funds even though its application for 501(c)(3) status has not been approved? And, is there a one-year waiting period after approval of 501(c)(3) status before an award can be made?
The Corporation does not require 501(c)(3) approval as long as your organization is recognized as a nonprofit organization by your state. Hence, the status of any federal application for 501(c)(3) status is immaterial, and there is no one-year waiting period.

A. 5. May a for-profit entity apply for an AmeriCorps grant, or serve as a service site?
A for-profit entity is not eligible to apply for an AmeriCorps grant or serve as a service site. An AmeriCorps member may not provide a direct benefit to a for-profit entity. If the grantee can establish that the AmeriCorps member will actually be providing a direct benefit to someone other than the for-profit entity—for example, to the community, children, or parents—and that the for-profit entity is only a secondary beneficiary of the service, then service at a for-profit site may be allowable. The grantee must also ensure that the members do not displace employees.

A. 6. May the Corporation make grants to other federal agencies?
The Serve America Act amends the NCSA to explicitly prohibit grantmaking to other federal agencies in Subtitle C Section 1301. However the Act states that “The Corporation may enter into an interagency agreement (other than a grant agreement) with another federal agency to support a national service program carried out or otherwise supported by the agency. The Corporation, in entering into the interagency agreement

may approve positions as approved national service positions for a program carried out or otherwise supported by the agency.”

A. 7. May an organization use grant funds for the sole purpose of providing individuals with referrals to other federal or state assistance programs funded in part by the federal government?
No. The Serve America Act amends the NCSA to prohibit an organization from using grant funds for the sole purpose of providing individuals with referrals to other federal or state assistance programs funded in part by the federal government.

A. 8. May an organization that has violated a federal statute apply for funding under Subtitle C?
No. The Serve America Act amends the NCSA to disqualify any organization that has violated a federal statute from receiving assistance under Subtitle C.

A. 9. Must a service sponsor submit a written concurrence from a labor union if there are employees in the area performing the same or similar work as that proposed to be carried out by AmeriCorps members?
Under Sec. 130(g), if employees of the service sponsor are (i) “engaged in the same or substantially similar work” as that proposed to be carried out by AmeriCorps members, and (ii) represented by a labor union, then the service sponsor must obtain a written concurrence from the labor union and submit that concurrence along with the application.

Under Sec. 131(c), if there are (i) “employees in the area who are engaged in the same or similar work as that proposed to be carried out” by the AmeriCorps members, and (ii) those employees are represented by a labor union, then the program applicant must provide an assurance on its application that it will consult with that labor union prior to placing the AmeriCorps members. At some point before the program places the AmeriCorps members (not necessarily before the program applies for a grant), the applicant must have a conversation with the labor union and let them know what the program will be doing. The program doesn’t need to get the union’s concurrence, or consent, unless the labor union is representing the applicant’s own employees, and those employees are performing “the same or substantially similar” work as the AmeriCorps members.

B. Recruiting and Selecting Members

B. 1 May an AmeriCorps program director recruit family members to become AmeriCorps members?
There is nothing in the Corporation’s statute, regulations, or provisions related to the recruitment of family members. However, there may be state laws that cover this issue. If a grantee wants to disallow the recruitment of family members, it may impose requirements that are more stringent than Corporation requirements. Grantees should consult local counsel or the State Attorney General for more information.
B. 2. May I charge an application fee to cover the administrative overhead of recruiting?
Charging an application fee to a prospective member to apply to serve as an AmeriCorps member is not allowed. Programs may charge application fees to prospective members who are applying to their educational institution or participating in their academic program if such fees are required of all applicants, but not for applying to serve as an AmeriCorps member. This policy is in alignment with federal policy on student aid.

B. 3. What are the requirements for a person to be eligible to serve as an AmeriCorps member?
The National and Community Service Act and our regulations establish eligibility requirements for AmeriCorps members. See 42 U.S.C. § 12591; 45 CFR § 2522.200. To confirm citizenship status, applicants must produce the original of one of the forms of primary documentation listed in the regulations. Please note that the Form I-9, used to document eligibility for employment, is not sufficient to document citizenship.

The Corporation does not require programs to make and retain copies of the actual documents used to confirm eligibility as long as the program has a consistent practice of identifying the documents that were reviewed and maintains a record of the review.

A consistent practice for documenting eligibility should:
- Identify the specific original document reviewed.
- Identify the eligibility criterion or criteria that the document confirms.
- Include any identification number for the document reviewed.
- Include the signature of the reviewer confirming the review and the date of the review.

Birth certificates, driver’s licenses, and passports are examples of documents that confirm a member is old enough to serve. In some cases, the same document, such as a birth certificate issued by one of the states, can be used to confirm both age and citizenship.

B. 4. How does a grantee obtain approval for an alternative form of documentation of citizenship status?
The Corporation’s regulations at 45 CFR 2522.200 (c) and (d) include a list of documents that programs may consider to determine citizenship, lawful permanent resident alien, or national status. If a member wishes to use a document that is not on the list, the grantee must seek written approval from the Corporation to do so. The Office of Grants Management is responsible for determining grants compliance questions, including member eligibility issues.

B. 5. Is an individual granted asylum or refugee status eligible to serve in AmeriCorps?
No. In order to be eligible to serve as an AmeriCorps member, individuals must be citizens or lawful permanent residents with the appropriate documentation.
B. 6. Must an individual be a U.S. citizen, U.S. national, or lawful permanent resident alien at the time of enrollment in order to be eligible to participate in AmeriCorps?
Yes, an individual must be a U.S. citizen, U.S. national, or lawful permanent resident alien at the time of enrollment in order to become an AmeriCorps member. It is not sufficient that the individual’s application for citizenship status is pending at the time of enrollment. If a member’s lawful permanent resident alien status expires during the member’s term of service, you must obtain proof of renewal from the member.

B. 7. Is a Certificate of Indian Blood sufficient to establish citizenship for the purpose of eligibility to serve as an AmeriCorps member?
No. A Certificate of Indian Blood is not sufficient to establish U.S. citizenship for the purpose of eligibility to serve as an AmeriCorps member.

B. 8. Is it allowable to use an expired U.S. passport as one of the eligibility documents checked in member’s files?
Yes. Consistent with policy adopted by the Department of Homeland Security, Office of Citizenship and Immigration Services, a U.S. passport establishing citizenship status may be expired or unexpired.

B. 9. Does a hospital birth certificate suffice for acceptable eligibility documentation or does it have to be a state vital records birth certificate?
When the regulations refer to a birth certificate they refer to a legal document certified by and registered with a State’s office of vital statistics (often through local vital statistic branches). Although the official document that states the child’s name, place of birth, parents’ names, and so forth is often filled in at the hospital, it should not be confused with documents distributed by some hospitals that have no legal significance.

B. 10. May an AmeriCorps grantee use AmeriCorps grant funds to pay for copies of birth certificates for potential members?
Yes. Because the eligibility documentation requirements to be an AmeriCorps member arise from the program requirements, the cost is allocable and typically would be deemed necessary, reasonable, and allowable especially if members are low-income and purchasing a copy of a birth certificate is a barrier to participation.

B. 11. How does a grantee determine and document educational attainment eligibility for membership in AmeriCorps?
Programs may accept a self-certification from the potential member as proof of high school graduation. Applicants do not have to produce a high school diploma or an equivalency certificate nor are programs required to retain a copy of the high school diploma or other documents confirming education level, such as an official transcript. However, a self-certification must include the person’s signature, under penalty of law, specifically certifying that he or she has completed high school or its equivalent or will obtain a high school diploma. Additionally, the individual may not have dropped out of elementary or secondary school to enroll in the program. For individuals who are
incapable of obtaining a high school diploma or its equivalent based on an individual education assessment, see FAQ B.14 and see also 42 U.S.C. §12591(a)(4).

B. 12. Are members required to acquire a high school diploma or equivalent by the time they want to use the education award or by the time they finish their term of service?
No. While an individual must meet the eligibility criteria in 42 U.S.C. §12591(a)(4) in order to serve in AmeriCorps State and National (which is generally met when the individual has, or agrees to obtain, a high school diploma or its equivalent), a high school diploma or its equivalent is no longer required in order to receive an Education Award from the National Service Trust. This was a statutory change made in 2009. Regulation 45 C.F.R. 2526.10(b) is no longer valid and will be removed from the CFR. A member must have completed a term of service certified by the program before an Education Award is available for use. See 42 U.S.C. §12602(a) and see http://www.nationalservice.gov/programs/ameri corps/segal-ameri corps-education-award

B. 13. May a 16-year-old serve with a summer AmeriCorps program between his junior and senior years in high school?
No. The National and Community Service Act require that an AmeriCorps member be 17 years old when the term of service begins. The statute provides an exception for 16-year-olds if the 16 year old is an out-of-school youth and serving in an AmeriCorps youth corps program. An out-of-school youth is a youth who has dropped out of high-school. The definition does not include someone on summer break who is still enrolled in high school.
Reference: 42 U.S.C. 12591; 42 U.S.C. 12511(16); 45 CFR. § 2510.20; 45 CFR. § 2522.200(a)

B. 14. The AmeriCorps grant provisions state that in order for an individual who cannot meet the educational attainment requirements to serve as an AmeriCorps member, he or she must be “determined through an independent assessment conducted by the Program to be incapable of obtaining a high school diploma or its equivalent.” How is this independent assessment conducted?
It is up to the sub-grantee of a state commission or the National Direct parent organization to identify the independent expert who will make the assessment. The expert(s) conducting the assessment must have legitimate expertise to make a reliable and independent determination of why an individual cannot get a high school diploma or a high school equivalency. Examples of such individuals include education specialists, psychologists, and doctors. The expert’s independent assessment must identify valid reason(s), such as a learning disability, that explains why the individual cannot obtain a high school diploma or high school equivalency.

B. 15. How can an AmeriCorps program document that an applicant satisfies the member eligibility requirements related to educational attainment if the applicant has been homeschooled?
The AmeriCorps regulations (45 CFR § 2522.200) state that self-certification of high school diploma or its equivalent is sufficient. The program need not require any further
documentation as long as the member certifies under penalty of law that he or she has a high school diploma or its equivalent, or agrees to obtain their high school diploma or otherwise meets the requirements of 42 U.S.C. §12591(a)(4).

B. 16. If an applicant for a position as an AmeriCorps member was adjudicated or held responsible as a juvenile offender of a criminal offense under a state law, but the state expunged the juvenile’s record so that it was as if it never happened, can the applicant mark “No” on an application which asks if the applicant has ever been adjudicated or held responsible as a juvenile offender of any criminal offense by a civilian court or by authorities? If under state law, the expungement of the record means that it’s as if the offense never happened, and the applicant could under state law answer “No,” then the applicant may answer “No” on the AmeriCorps application.

B. 17. May an individual convicted of murder serve as an AmeriCorps member? No. The Serve America Act amends the NCSA to prohibit an individual convicted of first-degree murder from serving as an AmeriCorps member or employment by a grant-funded program.

B. 18. May an AmeriCorps program choose only to enroll as members individuals with disabilities? This is not a viable program design, as it would entail asking questions in the member selection process to determine whether or not applicants have a disability. Such questions are not permitted.

Programs are allowed to ask all applicants what, if any, experience they have had serving or working with those with disabilities, and/or what, if any, training or experience they have in identifying and planning for the needs of the disabled or elderly. Even if the program uses these kinds of questions, they may find equally or better-qualified applicants who don’t necessarily have or disclose a disability. A program may also focus their recruiting on organizations that serve those with disabilities, state that the program will be working with a specific population, and show persons with disabilities in their outreach materials.

B. 19. If an applicant for an AmeriCorps position lies on the application and the program does not select him or her on that basis, what can the program do to notify other programs about this applicant? No formal mechanism exists for a program to inform other programs about this potential applicant. If the program believes the applicant committed fraud, the program may refer the matter to the Corporation’s Office of Inspector General by calling the IG Hotline (800) 452-8210 or e-mailing hotline@cnsoig.gov.

B. 20. Where can I find FAQs on Criminal Background Checks? These FAQs can be found here:
C. Supervising Members

C. 1. Are AmeriCorps members employees?
AmeriCorps members are not employees of the AmeriCorps program or of the federal government. The definition of “participant” in the National and Community Service Act of 1990 as amended applies to AmeriCorps members. As such, “a participant (member) shall not be considered to be an employee of the organization receiving assistance under the national service laws through which the participant (member) is engaged in service” (42 U.S.C. 12511(30)(B)). Moreover, members are not allowed to perform an employee’s duties or otherwise displace employees.

For the limited purposes of the Family and Medical Leave Act of 1993, the member may be considered an eligible employee of the project sponsor. The Family and Medical Leave Act’s requirements as they apply to AmeriCorps Programs are contained in 45 CFR 2540.220(b).

C. 2. Must a grantee conduct a member orientation, and if so what should be included?
The grantee must conduct an orientation for members. This orientation should be designed to enhance member security and sensitivity to the community. Orientation should cover member rights and responsibilities, including the Program's code of conduct, prohibited activities (including those specified in the regulations), requirements under the Drug-Free Workplace Act (41 U.S.C. 701 et seq.), suspension and termination from service, grievance procedures, sexual harassment, other non-discrimination issues, and other topics as necessary.

C. 3. Should the grantee encourage members to register and vote?
The grantee should encourage all eligible members to register and vote. However, the grantee is prohibited from requiring members to register or to vote, and from attempting to influence how members vote. Members who are unable to vote before or after service hours should be allowed to do so during their service time without incurring any penalties. The site supervisor should determine the length of absence.

C. 4. May an AmeriCorps member serve on jury duty?
The grantee must allow AmeriCorps members to serve on a jury without being penalized for doing so. During the time AmeriCorps members serve as jurors, they should continue to receive credit for their normal service hours, a living allowance, health care coverage and, if applicable, child care coverage regardless of any reimbursements for incidental expenses received from the court.

C. 5. May an AmeriCorps member provide abortion services and/or referrals?
No. Beginning on October 1, 2009 members—including members who enrolled prior to that date—may not provide abortion services or make referrals for such services.
C. 6. What must a program do to enable members to complete their terms of service?
A program should make every effort to enroll members so that each member has a reasonable expectation of completing his/her term of service by the end of the program’s project period. Should a program not be renewed, a member who was scheduled to continue in a term of service may either be placed in another program where feasible, or a member may receive a prorated education award if the member has completed at least 15% of the service hour requirement. Serving less than 15% of a full term of service does not count as a term of service.

C. 7. What is the policy on electronic storage of member files?
Typically, programs store member eligibility documentation, timesheets, and other relevant documents in paper files which become cumbersome to maintain and store. Sections 1703 and 1705 of the Government Paperwork Elimination Act state that electronic records are not to be denied legal effect, validity, or enforceability merely because they are in electronic form.

This policy allows AmeriCorps State and National grantees the option of storing member files in electronic formats, when practicable. It also provides minimum standards that such systems must meet.

MINIMUM STANDARD FOR ELECTRONIC DOCUMENT STORAGE:
A program may store member files electronically if the program can ensure that the validity and integrity of the record is not compromised. The Corporation will recognize electronically stored files where the electronic storage procedures and system provide for the safe-keeping and security of the records, including:
- Sufficient prevention of unauthorized alterations or erasures of records;
- Effective security measures to ensure that only authorized persons have access to records;
- Adequate measures designed to prevent physical damage to records;
- A system providing for back-up and recovery of records; and

The electronic storage procedures and system provide for the easy retrieval of records in a timely fashion, including:
- Storage of the records in a physically accessible location;
- Clear and accurate labeling of all records; and
- Storage of the records in a usable, readable format.

NOTE: All current grant provisions regarding access restrictions, security, privacy, and retention of paper records, also apply to electronic records.

C. 8. May I use an electronic timekeeping system as my system of record?
The Government Paperwork Elimination Act of 1998 (GPEA) states that electronic records and related electronic signatures are not to be denied legal effect, validity, or enforceability merely because they are in electronic form. (Pub. L. 105-277, Title XVII).
CNCS policy allows AmeriCorps State and National grantees to use electronic timekeeping systems as the system of record. It also provides minimum standards that such systems must meet.

**MINIMUM STANDARD FOR ELECTRONIC TIMEKEEPING SYSTEMS:**
Electronic timekeeping systems are allowed as the system of record when three conditions are met:

1. A written policy is in effect establishing the use of electronic timekeeping system as your system of record; and,
2. A secure, verifiable electronic signature system (a) identifies and authenticates a particular person as the source of the electronic signature; and (b) indicates such person’s approval of the information contained in the electronic message.
3. Once appropriate electronic signatures have been applied, no changes may be made unless there is a clear, auditable record of the revision.

All current grant provisions including access restrictions, security, privacy, and retention of paper records, also apply to records maintained in an electronic timekeeping system.

The use of regular e-mail to communicate approval is not a secure, verifiable electronic signature system.

**C. 9. What are the requirements for time and attendance reporting for Professional Corps?**
A Professional Corps operating site will not be required to maintain the member timesheets that are required of AmeriCorps grantees, if the Corporation approves the Professional Corps use of an alternative professional timekeeping system that is consistent with the requirements under the applicable OMB cost principles.

A Professional Corps legal applicant has the option, at the start of each grant cycle, to request a special condition that will release the program from maintaining separate weekly timesheets for their Professional Corps AmeriCorps members. This does not release them from accounting for time and attendance through the normal process in place at the service site for other professionals.

In order to qualify, the legal applicant must demonstrate and document that its members will meet the minimum number of hours required to earn the appropriate education award by fulfilling the normal duties of the profession, or by a combination of normal duties and other professional opportunities sponsored by the program. The legal applicant must also describe how its service sites will account for time and attendance, and how they will certify total hours served at the completion of each member’s term. The procedures must include certification by both the member and the member’s supervisor.

The Professional Corps program must submit its request for this special condition to the designated Corporation program officer. If recommended by the deputy director of AmeriCorps, the Office of Grants Management will determine if the Professional Corps request adequately documents that the program design and the planned professional
activities will result in sufficient hours to earn the appropriate education award, and describes the method of certification. Upon approval, the Office of Grants Management will add the special condition to the grant award.

If the request for this special condition is approved, the Professional Corps program will require that its members follow the time and attendance practices as approved in the request. At the end of each member’s term of service, the program must certify that the member has completed all professional obligations and has served at least the minimum required number of hours to earn the appropriate education award.

Once a Professional Corps grantees is approved for the special condition, the grantees does not have to apply again when recompeting for funds if the grantees plans to continue to use the same procedures that were previously approved. Upon approval for funding, the grantees is required to send a request to their Program Officer and Grants Officer in the format to continue operation under the special condition:

[Name of grantees] requests that the Professional Corps timekeeping special condition be added to the new Grant Award [number of grant award]. [Name of grantees] will continue to follow the timekeeping procedure that was previously approved and will certify that members have completed the minimum required hours excluding sick and vacation days as approved in Grant Award [number of grant award originally special conditioned].

Professional Corps grantees that do not apply for the special condition, or that apply and are not approved, will be required to meet the timekeeping requirements in the grant provisions applicable to grantees that do not qualify for the special condition.

C. 10. We pay our living allowances on a monthly basis. How should we handle situations in which members come on board late in the month or exit early in the month at the end of their term?
You should establish a written policy that is reasonable. For example, if a member comes on board within the first two weeks of the month, you might set policy that gives them the entire living allowance. If they start service later than that, you could prorate the amount based on the number of days in the month they will serve. The same would hold true for the end of service. If they leave within the first two weeks of the month, their living allowance could be based on the number of days in the month they served. If they serve over the 2-week cut-off, they could get the full living allowance. You can establish different cut-off points as long as they are reasonable, documented in policy, and followed consistently.

C. 11. May a grantee use funds from another federal agency to pay for member living allowances?
Yes. The single match requirement does not include a prohibition against using other federal funds to support living allowance costs. However, grantees should ensure that the other federal agency is aware that its funds will be used to support the AmeriCorps living allowance.
C. 12. If a grantee uses funds other than the Corporation’s to pay the living allowance, is the grantee still required to follow the Corporation’s regulations and provisions regarding living allowances?
Yes. If the living allowance is part of the grant, the fact that the living allowance is paid out of Corporation funds or match does not change the grantee’s duty to abide by the regulations and provisions regarding living allowances.

C. 13. Can a program use a debit card to pay a members living allowance?
The Corporation has two priorities regarding member payment: (1) that the programs are following their own accounting policies and procedures and (2) that the members have access to their funds with the ease of a regular checking account to meet their financial obligations. The Corporation does not prohibit or oppose program use of debit cards for member payment.

C. 14. What are the definitions of the various terms of service?

FAQ NUMBER: 07 PROV. IV. E. 1 REV 11.8.2011

Each Program must, at the start of the term of service, establish the guidelines and definitions for the successful completion of the program year, ensuring that these program requirements meet the Corporation’s service hour requirements as defined below:

- Full-time members. Members must serve at least 1700 hours during a period of not more than one year.

- Half-time members. Half-time members must serve at least 900 hours during a period of one or two years as indicated in the approved budget.

- Reduced half-time members. Reduced half-time members must serve at least 675 hours during a period of not more than one year.

- Quarter-time members. Quarter-time members must serve at least 450 hours during a period of not more than one year.

- Minimum-time members. Minimum time members must serve at least 300 hours during a period of not more than one year.

C. 15. If a member receives a Federal Work Study award does this affect their AmeriCorps living allowance?
A program with a member who receives a federal Work-Study award is required by the SAA to reduce the member’s living allowance by the amount of the work-study award.
C. 16. A program includes work-study students who are compensated at different rates for their work-study hours. Is it permissible to provide different living allowance amounts to members within the same program?
To ensure equitable treatment of members, the Corporation discourages grantees from providing different living allowance amounts to AmeriCorps members with the same position description serving in the same program. However, a uniform living allowance amount for each and every member in a program is not absolutely required. Grantees should discuss the specifics of their proposed member support framework with their program and grants officers at the Corporation.

C. 17. Does federal law exclude AmeriCorps living allowance payments from state pension plan contribution requirements?
The Corporation’s position is that mandatory contributions from the living allowance to a retirement system conflicts with the federal statutory requirement that AmeriCorps members receive a specific living allowance amount. The national service laws specify how much an AmeriCorps member is entitled to receive as a living allowance when serving in AmeriCorps. The laws also specify what must and what may be deducted from the living allowance. State pension plan contributions are not among the deductions that may be made from the living allowance. The member’s living allowance is a federal benefit, as opposed to a wage. Consequently, deductions from the living allowance prior to the member receiving it are not permitted. In addition, a member is not considered to be an employee of the program in which the member is enrolled, and thus generally not subject to employment laws, unless specifically authorized by statute. 42 U.S.C. § 12511(17)(B).

In short, while there is no specific exemption in the national service laws for state pension plan contributions, the statute’s failure to specify that such contributions may or must be made from the living allowance means that the living allowance is not available for that purpose.

C. 18. May a program temporarily withhold a member’s living allowance if the member has failed to submit his or her timesheets for two or more weeks?
A program may temporarily withhold a member’s living allowance if the member has failed to submit timesheets. The member agreement must clearly state the policy, and the withholding must be temporary, and not result in the program docking the member’s living allowance.
Reference: 2007 AmeriCorps grant provisions IV. H.

C. 19. Can a member living allowance be garnished by law?
Any type of garnishment of the federal portion of a member’s living allowance is not permitted due to issues of sovereign immunity. Sovereign immunity protects the property interests of the United States from suits to which it has not consented. The federal government has a continuing property interest in AmeriCorps grant funds until they are expended in accordance with the grant’s terms. With respect to the living allowance, the Corporation has a property interest in the federal share of the member’s living allowance,
until the AmeriCorps member actually receives it, and this property interest is protected by sovereign immunity. Only Congress may waive this immunity.

Whether or not the non-federal portion of the living allowance—i.e. the funds provided as match at the program level—is subject to garnishment is a state law issue. Because the Corporation is not a party to this action, and because it involves application of state law, programs should consult their own local counsel.

C. 20. Section 2522.240(b) of the Corporation’s regulations state that any individual who participates full-time in an AmeriCorps subtitle C program, including in a program that receives “education awards only,” must receive a living allowance. Does this mean full-time Education Award Programs (EAPs) must provide a living allowance?
No. The Corporation’s annual appropriation contains statutory language that overrides the regulations. The regulation applied when the EAP program was funded under subtitle H and, thus, subject to different rules than subtitle C programs. When Congress directed the Corporation to fund the EAP program out of subtitle C, it included language in the appropriation to continue exempting the EAP program from living allowance and match requirements.

C. 21. If an EAP chooses to pay a living allowance, are they held to the statutory minimum and maximum?
The minimum does not apply. Congress explicitly exempted EAPs from living allowance requirements in appropriations language. Therefore if EAPs are exempted from paying a living allowance at all, the “minimum” that they have to provide is $0. However, EAPs that do provide living allowances (other than Professional Corps) are required to comply with the maximum.

C. 22. May a Professional Corps provide a living allowance to its members in excess of the statutory maximum living allowance for most AmeriCorps programs?
The NCSA provides an exception to the maximum living allowance for certain Professional Corps programs. Under the NCSA, a Professional Corps program is one that recruits and places qualified participants in positions “as teachers, nurses, and other health care providers, police officers, early childhood development staff, engineers, or other professionals providing service to meet educational, human, environmental, or public safety needs in communities with an inadequate number of such professionals;” and “that are sponsored by public or private nonprofit employers who agree to pay 100 percent of the salaries and benefits of the participants.”

Professional corps programs that meet this definition may provide a living allowance (or salary) in excess of the maximum statutory living allowance.

C. 23. Is the grantee required to provide unemployment insurance?
The U.S. Department of Labor ruled on April 20, 1995 that federal unemployment compensation law does not require coverage for members because no employer-employee relationship exists. The grantee may not charge the cost of unemployment insurance taxes to the grant unless mandated by state law. Programs are responsible for determining the requirements of state law by consulting their state commission, legal counsel or the applicable state agency. AmeriCorps State and National grantees must coordinate with their state commissions to determine a consistent state treatment of unemployment insurance requirements.

C. 24. What are allowable minor disciplinary actions?
The grantee may temporarily suspend or impose a fine on a member for minor disciplinary reasons, such as chronic tardiness, as outlined in the conditions of the member agreement.

When a member is suspended as a minor disciplinary action, should he or she continue to accrue service hours and collect the living allowance?
The period of suspension does not count toward a member’s required service hours. Further, members who are suspended for minor disciplinary reasons may not receive a living allowance for the suspension period.

How should fines be collected as a minor disciplinary action?
If determined to be necessary for improvements in member performance or attendance, the grantee may impose a reasonable fine on members for minor disciplinary problems consistent with the member agreement. The fines may not be calculated on an hourly basis. For example, a member who is an hour late may not be fined an hour's worth of living allowance. Instead, the grantee should establish a written policy on fines, which is not linked to an hourly rate.

The grantee may deduct fines from that portion of the member’s living allowance that is paid by non-federal funds. Before making any deductions, the grantee should consider how this might affect the status of members under employment laws, including minimum wage and unemployment compensation. Further, a grantee that deducts in this fashion may be required to provide additional matching funds.

C. 25. What happens when an AmeriCorps member is charged with a crime?
An AmeriCorps member who is officially charged with a violent felony, or with the sale or distribution of a controlled substance during a term of service will have his/her service suspended without a living allowance and without receiving credit for hours missed. The member may be reinstated into AmeriCorps service if he/she is found not guilty or if the charge is dismissed. If an AmeriCorps member who has been cleared of such charges is unable to complete his/her term of service within one year, he/she may accept a pro-rated education award as long as he/she has completed at least 15% of his/her service.
An AmeriCorps member who is convicted of a criminal charge as described above must be terminated for cause from the program, and he/she is not eligible for any portion of an education award.

C. 26 How should a program handle a situation when a member serves no hours during a pay period?
Situations in which a member serves zero hours during a pay period should be very rare and the member should be suspended if there are periods in which no service is performed. Otherwise, since the living allowance is to be distributed evenly over the service period, it should be paid regardless of the number of hours. However, a member’s agreement could also stipulate conditions under which the living allowance is paid and what the member should do if a period occurs in which no hours are served. The agreement could also stipulate the minimum number of hours required during each service period.

C. 27. If a member is unable to complete their term due unexpected time demands due to employment, can the member to continue to serve after the dates in the member agreement in order for the member to successfully complete service and receive the education award?
Yes, you may amend the agreement and allow the member to complete his or her term, provided the extension does not exceed the term limits, e.g. one year for full-time.

C. 28. May an AmeriCorps member use AmeriCorps service to satisfy an internship requirement for college?
There is no rule to prohibit this type of arrangement. In fact, the regulations describe, as one type of program eligible for AmeriCorps funds, “campus-based programs” that “provide substantial service in a community during a school term and during summer or other vacation periods.” 45 CFR 2522.100(e). While this type of arrangement is not precluded, programs should consult with their AmeriCorps program officer on a case-by-case basis to ensure that the member is still meeting an unmet need.

C. 29. Is a member who is released for cause eligible to serve a subsequent term?
Grantees may release members from participation for two reasons: (a) for compelling personal circumstances; and (b) for cause. See 45 CFR §2522.230 for requirements. As stated in the AmeriCorps regulations, any individual released for cause who thereafter applies to serve in any AmeriCorps program must disclose the fact that he/she was released for cause to the program to which the individual is applying. Failure to disclose that the individual was released for cause from another AmeriCorps program will make the individual ineligible to receive the AmeriCorps education award.

Eligibility for subsequent term. A participant will only be eligible to serve a second or additional term of service if that individual has received satisfactory performance review(s) for any previous term(s) of service in accordance with the requirements of paragraph (d) of this section. Eligibility for a second or further term of service does not guarantee a participant selection or placement.
C. 30. Can the member who files a grievance following termination receive an education award?
If the grievance process determines in favor of the member, then it would be appropriate for the member to receive his or her education award as part of a settlement.

C. 31. What happens if a program cannot afford the costs of going through the grievance process? If the program has access to non-federal funds to settle the grievance, may the program use them to do so?
The program should contact its state commission or National Direct parent organization for assistance. Programs are expected to be able to implement the grievance procedure within the administrative funding of the grant. If extraordinary expenses are incurred, involving outside expertise, authority to re-budget to pay such expenses should be sought from the Corporation Grants office, which will review any exceptional legal or other expenses related to carrying out a full grievance process and a settlement.

C. 32. May an individual who applies to be an AmeriCorps member but who is not selected file a grievance through a grantee’s grievance process?
By law, any “interested” individual, including participants, labor organizations, and applicants, may file a grievance with a program.

C. 33. An AmeriCorps member was terminated for cause, and the program gave her an unsatisfactory performance rating. She has filed a grievance disputing the termination and the rating. Is the member eligible to serve another term in another program?
Unless and until this grievance results in a rating of “satisfactory” for the member, she is not eligible to serve a term with another program.

C. 34 May a program reimburse a dismissed member for living allowance and time missed if the member’s dismissal is not upheld as a result of the grievance process?
Yes, if this is in the context of a resolved grievance. The costs associated with settling a grievance may be allowable if reasonably necessary for the program to carry out the purposes of the grant. Things like missed hours and living allowance due under a resolved grievance are generally considered “reasonably necessary” because living allowances are already approved, allowable costs.

C. 35. Can members perform service that involves renovating facilities housed entirely within a building used for religious purposes if those facilities are used for non-religious functions as well (e.g. shelters, soup kitchens, etc.)?
The key issue here is whether there is a realistic risk that an objective observer would conclude, based on all the facts, that the federal government, through its support of AmeriCorps members, is endorsing religion. While AmeriCorps members may not construct, renovate, maintain, or operate any facility primarily or inherently devoted to religious instruction or worship, it may—depending on the specific facts—be permissible for them to renovate facilities used solely for non-religious purposes and available to anyone in the community, even if the facilities are physically housed within a building used for religious purposes. However, because each situation turns on its specific facts,
any programs facing this type of question should consult their program officer to obtain guidance.

C. 36. May an AmeriCorps program hold prayer sessions after its AmeriCorps meetings if the members all agree to it?
Members may not earn service hours while engaged in a prayer session. If the program does hold prayer sessions, they must be very clearly optional, held at a different time and/or location from AmeriCorps service activities, and planned in a way so that those who do not wish to participate do not feel compelled to do so. The grantee or program must be able to articulate how they comply with Corporation regulations on prohibited activities related to religious activities.

C. 37. If a member is serving at a location where employees go on strike, may the member cross the picket line and continue to serve there?
The AmeriCorps regulations at 45 CFR § 2520.65 prohibit a member from organizing or engaging in strikes; assisting, promoting or deterring union organizing; or impairing existing collective bargaining agreements. They do not address the issue of whether a member may cross the picket line during a strike. The program must make the decision, on the basis of all the facts, while ensuring (1) that the member is not engaging in any prohibited activities, and (2) the member’s safety. If the program decides against having the member continue his or her planned service activities, the program should work with Corporation program and grants staff to amend its program objectives and performance measures, as necessary.

C. 38. May an AmeriCorps member perform paid work for the grantee or at the member’s service site outside of the member’s service assignment?
The Corporation has a long-standing practice of advising against an AmeriCorps participant being simultaneously employed by the organization with which the participant is serving. AmeriCorps members are, by definition, not employees of the organizations with which they serve. To allow a member, even in the member’s free time, to perform paid work begins to chip away at the wall between “employment” and “service.” The program would be presented with a challenge in distinguishing between time that the individual is a participant, and time that the individual is an employee. This is particularly problematic if the program is operated by a faith-based organization where there may be issues related to prohibited activities.

Although it may be possible to structure a relationship in which an individual, during non-AmeriCorps service hours, performs paid work for the same organization, in which the individual’s duties as a participant are entirely distinct from the individual’s duties as an employee, the Corporation’s general stance is that the risk for confusion is insurmountable.
C. 39. May an AmeriCorps member receive service hour credit for time spent studying for a high school equivalency?
Members may earn service hours for time spent studying for their high school equivalency as part of their education and training hours if this is a component of the program design.

C. 40. How should members account for travel time to statewide events or training events?
Programs must exercise their judgment when allowing time spent traveling as service hours. In most instances, time spent traveling to training or special events is not direct service and cannot be counted as such. Ordinary commuting time is not allowable as a general rule. However, when training or special events require out-of-town or other exceptional travel beyond ordinary commuting, it is reasonable for each program to determine what amount of travel time can be charged to non-direct service hour activities or training. To the degree that out-of-town activities are planned in advance, the program should lay out its expectations in the member agreement.

C. 41. Can travel time between service sites be counted as service time?
Yes. Member travel time between service sites during a service day is counted as service time; the initial trip to a service site that day, and the time going home from the last site, are considered commuting time and are not counted as service hours.

C. 42. Can a program have its members sign an agreement with the program that the member will reimburse the program for costs of attending a conference if the member chooses not to attend without a good reason?
Programs should establish disciplinary policies that can be implemented in an objective, consistent, fair, and equitable way that will result in the desired outcome (i.e., improved behavior and performance by members). In this case, the criteria as to what constitutes a “good reason” would have to be well defined and supportable.

C. 43. What potential liability issues need to be taken into consideration for members who plan to travel out of state for disaster relief activities during their term of service?
If the program has worker’s compensation, the program would need to ensure coverage would extend to accidents that occur out of state. If the program does not have worker’s compensation, they need to be sure the accidental death and dismemberment insurance policy will cover any accidents that occur out of state. The program should also ensure that its liability coverage extends to the out-of-state activities.

C. 44. If a member is suspended, is the program required to reinstate the member once the suspension is over?
No. A member may be reinstated in the program in which he or she was serving, but this is not mandatory.
C. 45. Under what conditions can a program release a member for compelling personal circumstances?
To be released for compelling personal circumstances a member must have performed satisfactorily, completed at least 15% of his or her term, and the program must document that the member who was unable to complete their term of service due to circumstances beyond their control.

C. 46. Who determines whether a personal circumstance is sufficiently compelling to warrant release with partial award?
The grantee is responsible for determining and documenting compelling personal circumstances. The Corporation and its auditors may review these circumstances as part of their oversight and monitoring responsibilities.

C. 47. Can pregnancy or childbirth be considered a compelling personal circumstance for which the member can be released from service with a pro-rated education award?
Pregnancy and/or childbirth could be determined by the grantee to be compelling personal circumstances if they prevent the member from completing a term of service. The member might also qualify under the Family Medical Leave Act, if the member is covered, or the program could suspend the member so that the member can return some time in the future (within 2 years) to complete the term of service.

C. 48. May a program stipulate in its member agreement that a member may be released for cause if she becomes pregnant?
No. This would be an instance of discrimination on the basis of gender in violation of the Corporation’s anti-discrimination. It may also be a violation of Title IX of the Education Amendments of 1972 (20 U.S.C. § 1681 et seq.). A pregnant person would be entitled to the same treatment as someone with a medical condition that might require time away from the term of service.

C. 49. Under what circumstances may a program determine that a compelling personal circumstance exists when a member leaves service to start a job?
In general, a job is not considered a compelling personal circumstance. If a member decides to leave to take a job, the member would be exited for cause and would not be eligible for the education award.

The regulations and provisions contain a narrow exception to this general rule. Compelling personal circumstances may include leaving a program to obtain employment IF the member is moving from welfare to work, or is enrolled in a program “that includes in its approved objectives the promotion of employment among its members.” If a member is a welfare recipient and is able to obtain a job that will get him or her off welfare, the program may deem his or her early departure from a program as a compelling personal circumstance.

Similarly, if a program has an approved objective of promoting employment among its members, the program could consider a member’s early departure from the program to
take a job as a compelling personal circumstance. Without such an approved objective, a member leaving to take a job must be released for cause. In all cases, it is the program’s responsibility to make the determination and to document the decision.

C. 50. How should we handle time off for members serving in the Armed Forces Reserves?
Generally, the Reserves of the U.S. Army, U.S. Navy, U.S. Air Force, U.S. Marine Corps, U.S. Coast Guard, the Army National Guard, and the Air National Guard require reservists to serve one weekend a month plus 12 to 15 days a year (hereafter referred to as the two-week active duty service). To the extent possible, grantees should seek to minimize the disruption in members’ AmeriCorps service as a result of discharging responsibilities related to their reservist duties. If members have a choice of when to fulfill their annual two-week active duty requirement, they should do so when it will not disrupt their AmeriCorps service. In instances where the dates of active duty are inflexible and conflict with AmeriCorps service, members should be granted a leave of absence for the two-week period of active duty service in the Reserves.

Members may not receive time-off for additional Reserves-related service beyond the two-week active duty service. No AmeriCorps service credit is earned for the once-a-month weekend service in the Reserves. Grantees should credit members for AmeriCorps service hours during their two weeks of active duty service in the Reserves if it occurs during their AmeriCorps service. The member would receive credit for the number of hours he or she would have served during that period had there been no interruption. For example, if a full-time member is signed up to serve 30 hours of AmeriCorps service one week and 40 hours of AmeriCorps service on the following week, she or he would receive 70 hours of AmeriCorps service credit for the two weeks of active duty service regardless of the actual number of hours served in the Reserves.

Reservists in the U.S. Armed Forces receive compensation for their mandatory two weeks of active duty service. The compensation regulations governing the Army and Air National Guard may vary by state.

Grantees should continue to pay the living allowance and provide health care and child care coverage for the two-week period of active duty.

C. 51. If a member leaves a program before serving at least 15% of the required service hours, is this member included in determining the program’s retention rate? May the program use Corporation grant funds to support such a member?
Yes, to both questions. The member is included in determining the program’s retention rate, and the program may use Corporation grant funds to cover the costs of the member even though he or she left prior to serving 15% of the required service hours.

C. 52. May an individual who served less than 15% of a first term and completed a second term serve a third term in an AmeriCorps State and National program?
Yes. Serving less than 15% of a term, unless the member leaves due to misconduct, is not counted in ascertaining the number of terms of service.
C. 53. May a less-than-full-time member serve a concurrent term in a different program during the same program year?
Yes, a less-than-full-time member may serve a concurrent term in a different program during the same program year.

C. 54. May a less-than-full-time member serve a consecutive term in a same or different program during the same program year?
Yes, a less-than-full-time member may serve a consecutive term in the same or a different program during the same program year. If you are considering allowing this, please contact your program officer.

C. 55. When and how can a member transfer between programs?
A state commission or National parent organization may grant permission to transfer a member to another AmeriCorps State and National program for compelling personal circumstances. The following procedures are required:

1. Program A must first determine that compelling personal circumstances warrant a transfer.
2. Prior to initiating a transfer, Program A must provide written confirmation to Program B that valid compelling circumstances support the transfer to Program B.
3. The member must apply to and be accepted by Program B, which must have an available slot in the incoming class (this means the program is able to provide an entire term of member support costs and an education award).
4. The member must be able to finish their term of service within twelve months of their original start date.
5. Program B must approve the transfer in writing.
6. No funds can be transferred from Program A to Program B.
7. If Program A has already conducted the mid-term evaluation, they will provide it to Program B. If Program A has not yet conducted the mid-term evaluation, Program B will conduct the mid-term evaluation with consultation with Program A.
8. The transferred member cannot be counted twice for purposes of enrollment and/or retention.
9. The slot that remains with Program A will revert to new, unfilled status regardless of the length of time the member served.

Generally, members may not transfer across different streams of service. For example, a member may not transfer from an AmeriCorps State and National program to an AmeriCorps VISTA position or to AmeriCorps NCCC.

Programs with multiple sites may transfer members to other sites for program management purposes without following the procedures listed above.
C. 56. What are the allowable responsibilities of team leaders in AmeriCorps State and National programs?

The National and Community Service Act, as amended, provides for approved national service positions to include a “position involving service as a crew leader in a youth corps program or a similar position supporting a national service program that receives an approved national service position” 42 U.S.C § 12573(6). This language allows programs, in addition to youth corps, to use AmeriCorps members to provide an additional layer of leadership and support for members under certain conditions. The following is guidance on the use of AmeriCorps members as Team Leaders.

In general, all prohibited activities listed in Section 5 of the AmeriCorps Provisions apply to Team Leaders just as they do to all AmeriCorps members. Team Leaders are not permitted to act in a staff capacity. Supervising members is a staff responsibility. Team Leaders must not be responsible for program development and coordination; however, they may assist by providing information and resources on best practices or by helping to develop portions of the program such as the training curriculum. In essence, under no circumstances should an AmeriCorps member serving as a Team Leader be the individual legally responsible for the program or other members. The Team Leader position description should emphasize activities that involve them in performing direct service or providing support to members engaged in direct service.

Examples of Team Leader activities: working alongside members performing direct service to serve as a model and to provide on the spot assistance; training members; providing guidance and support to members, including reflection exercises, conflict resolution, advice for transitioning out of AmeriCorps, etc.; arranging member development activities; building a sense of esprit de corps and general team cohesion among members; leading monthly/weekly meeting of members; leading and facilitating team service projects; working with the community to develop partnerships, including community volunteers, that will support the members’ projects; and communicating with program staff, site supervisors, and other members to ensure the execution of a quality program that is consistent with the AmeriCorps provisions.

Examples of unallowable Team Leader activities: signing member timesheets; evaluating member performance; disciplining AmeriCorps members; enrolling/dismissing AmeriCorps members; writing and/or signing program reports; managing the program’s payroll and budget.

While Team Leaders are not to serve as the program’s administrative staff, they may be engaged, on a limited basis, in activities that support the administration of the AmeriCorps program. These include: raising funds or in-kind contributions in direct support of specific AmeriCorps projects, such as team service projects.
C. 57. What is the impact on the living allowance for residential programs, or programs that provide housing?
Residential programs, or programs that otherwise provide housing, should ensure that the living allowance that they are providing, in addition to the value of the housing, does not equal more than the maximum living allowance.

C. 58. What is the guidance regarding members serving on-call hours?
The Corporation is not issuing formal policy on serving on-call hours, and suggests that grantees and state commissions check to see if their state has policy in this respect. If your state does not have a policy, the Corporation suggests that you establish your own policy. Common policy practice includes a provision that a member can count service hours only hours served on call on-site. On-call hours during overnight hours are often not allowable.

C. 59. Are AmeriCorps members covered under the Volunteer Protection Act of 1997?
The federal Volunteer Protection Act of 1997 generally protects volunteers from civil liability. However, the definition of volunteer excludes anyone who receives compensation (other than reimbursement for expenses) or anything of value in lieu of compensation in excess of $500 per year. AmeriCorps members who receive a living allowance or education award are not protected under the law.

C. 60. A grantee has a member who is a retired civil servant receiving a federal civil service pension. Does the grantee or CNCS need a waiver for her to participate as an AmeriCorps member as the U.S. Office of Personnel Management requires for those who participate as AmeriCorps VISTAs?
If a retiree from federal civil service returns to work for the federal government, his or her retirement benefits and/or new salary may be affected. However, AmeriCorps State and National members are not employees of the federal government or of the program for which they serve. The AmeriCorps State and National living allowance is not need-based and is not impacted by any other income a person may receive from other sources. There is no apparent conflict of interest in a retiree from federal civil service serving with AmeriCorps State and National.

C. 61. What are the program responsibilities and requirements in administering child care?
1. Informing the AmeriCorps Childcare Provider. In addition to determining a member’s eligibility at the start of the term of service, Program directors are required to notify the AmeriCorps Childcare Provider immediately in writing when:
   • A member is no longer eligible for child care benefits due to a change in the member’s eligibility status (e.g., family income exceeds the limit, the child turns 13, a full-time member becomes a less than full-time member, or a member leaves);
   • New or existing members become eligible for child care benefits;
   • A member wishes to change child care providers or a child care provider will no longer provide child care services; or
A member is absent for excessive periods of time (five or more days in a month).

Costs incurred due to the grantee’s failure to keep the AmeriCorps child care provider immediately informed of changes in a member’s status may be charged to the grantee’s organization.

2. Less-than-Full-time Members. Although no portion of child care expenses for less-than-full-time members may be paid from Corporation funds, Programs may choose to provide child care to half-time members from other sources.

3. Payments. Payments or reimbursement for child care benefits will be made for eligible members to qualified providers from the date child care need was established after service began. The amount of child care allowance may not exceed the applicable payment rate established by the State where the member is serving for child care funded under the Child Care and Development Block Grant Act of 1990. No payments and reimbursements will be made in the event the AmeriCorps member was ineligible, or if the provider was not qualified under the state guidelines.

4. Less Than Full-Time Members Serving in a Full-Time Capacity. Less than full-time members who are serving in a full-time capacity for a sustained period of time (such as a full-time summer project) may be eligible for child care and health care benefits supported with Corporation funds.

C. 62. If the AmeriCorps child care provider does not cover all of a member’s child care expenses, is it allowable for the program to use other CNCS grant funds to cover the remaining unpaid balance? Can they use grantee funds for this expense and report this as match?
Yes. They can use CNCS funds or grantee funds and count them as match as long as it does not exceed the allowance rate as set forth in 45 CFR §2522.250 (a)(3).

C. 63. Is an AmeriCorps member eligible for state unemployment insurance if he or she is released from service?
An AmeriCorps member’s eligibility for state unemployment insurance is a matter of state law that is determined on a state-by-state basis. AmeriCorps grantees should consult their own state unemployment agency to determine the eligibility of members in their state for unemployment insurance. Payment into unemployment systems is not an allowable cost unless required by state law.

C. 64. If an AmeriCorps member loses a job outside of service in AmeriCorps, is the individual eligible to receive unemployment compensation for the loss of that position or would continued service in AmeriCorps preclude the person from being considered unemployed?
This is a state law question and the answer will differ from state to state. Some states view AmeriCorps service as employment in the unemployment compensation context, and others do not. Each state has to interpret its laws and determine whether it views AmeriCorps service as employment or not. If the state has not previously taken a position
on this issue, the state commission can try to persuade them one way or the other, but the state unemployment agency will make the final call.

C. 65. The AmeriCorps grant provisions state that members may not receive health insurance paid for with AmeriCorps funds if they already have another type of health insurance. Does this apply to members who have Medicaid or Medicare coverage?
Full-time members are entitled to health insurance coverage even if they are on Medicaid or Medicare. Medicaid and Medicare coverage are considered wrap around coverage, which means that they will pick up any costs that the health insurance policy provided by the member’s AmeriCorps program does not cover.

C. 66. Are AmeriCorps members entitled to continued health coverage under COBRA at the conclusion of their service in AmeriCorps?
The federal right to have continued access to employer-provided group health coverage is commonly called COBRA continuation coverage, for the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) in which it first appeared. The requirements under the National and Community Service Act regarding health insurance apply to members only during their term of service. Therefore, the Corporation is not in a position to advise grantees or members on legal requirements outside the scope of our grant requirements. We are not aware of any definitive ruling by the Department of Labor or otherwise on whether, or under what circumstances, COBRA requirements apply to AmeriCorps members. Our understanding is that some health policies have provided members with COBRA coverage, while others have not.
Reference: 42 U.S.C. § 12594

C. 67. May an AmeriCorps member who serves on a jury accept jury duty pay? If yes, may the host organization require the member to provide the jury duty pay to the organization if it has such a policy for its employees?
The Corporation’s statute and regulations are silent on this issue; therefore there is nothing that would prohibit a member from receiving jury duty pay. If the program’s policy of collecting jury duty fees is permitted under state law, the program may collect it from the member. The grantee should make sure that the program’s practice is legal under state law.

C. 68. Can a member be authorized for temporary leave for the reasons allowed under the Family Medical Leave Act (FMLA) if he or she does not otherwise meet the eligibility requirements for FMLA?
At the grantee’s discretion, temporary leave may also be authorized for the reasons allowed under FMLA to AmeriCorps members who do not otherwise meet the eligibility requirements for FMLA leave as described in the regulations. If temporary leave is appropriate, grantees have the flexibility to determine the duration of the absence for up to 12 weeks, and may choose to continue providing health benefits to the member during the period of absence. The member must be suspended during the period of temporary leave.
The length of the leave must be based on two considerations: (1) the circumstances of the situation; and (2) the impact of the absence on the member’s service experience and on the overall program. If the disruption would seriously compromise the member’s service experience or the quality of the program as a whole, then the grantee may offer the member the option of rejoining the program in the next class or completely withdrawing from the program.

C. 69. What are the rules on AmeriCorps member eligibility for food stamps?
The AmeriCorps State and National program is authorized by the National and Community Service Act of 1990 (NCSA), 42 U.S.C. § 12501 et seq. The NCSA states allowances, earnings, and payments to participants in AmeriCorps programs “shall not be considered income for the purposes of determining eligibility for and the amount of income transfer and in-kind aid furnished under any federal or federally-assisted program based on need, other than as provided in the Social Security Act.” 42 U.S.C. § 12637(d). Based on the language, the USDA issued an opinion in 2001, which stated AmeriCorps State and National benefits are excluded from income for food stamp purposes.

C. 70. Are EAP members eligible to receive child care through the Corporation provider?
No, EAP members are not eligible for AmeriCorps child care benefits. EAPs are not required to provide child care benefits, thus CNCS is not required to pay for such benefits. If the EAP chooses to provide child care, it must do so through its own budget and if the program cannot, the program may compile a list of possible community resources that provide child care on a reduced or zero cost basis.

C. 71. Are Professional Corps programs required to provide health care coverage for participants?
No. While the national service legislation generally requires AmeriCorps programs to provide health care coverage for eligible full-time participants, the specific statutory authority for Professional Corps programs exempts them from health care coverage requirements. Professional Corps programs are defined by a specific statutory provision as providing 100% of the participants’ salaries and benefits (other than education awards). 42 U.S.C. § 12572(a)(8).

Professional Corps programs, under this statutory definition, may neither seek reimbursements nor elect to offer an alternative policy of a specific market value. This recognizes the fact that Professional Corps programs, by design, enroll employees whose benefits (other than the education award) are outside the scope of Corporation assistance and are not subject to the statutory provisions governing living allowances and health care. For this reason, Professional Corps programs may offer AmeriCorps members a benefits package without regard to the statutory requirements applicable to other AmeriCorps programs.
C. 72. Where can I find out about creating reasonable accommodations for people with disabilities? When does an accommodation become not reasonable?
The vast majority of accommodations are inexpensive. For those cases where reasonable accommodations are more costly, there is a limited amount of money available through state commissions to provide accommodations for service members. The Office of Disability Employment Policy operates a toll-free, confidential, free resource for employers on reasonable accommodation requirements and options for accommodating employees at (800) 526-7234 (voice/TTY), e-mail at JAN@jan.icdi.wvu.edu, or website at www.jan.wvu.edu.

Accommodations that impose an undue financial or administrative burden on the operation of the program or fundamentally alter its nature are not reasonable accommodations. However, the grantee must document and prove any undue burden. Similarly, a person who poses a direct threat to the health or safety to himself or herself or to others, where the threat cannot be eliminated by reasonable accommodation, is not a qualified individual with a disability. In such instances the grantee must document and prove the direct threat.

In a few cases, you may receive requests for accommodations that you believe are unduly disruptive to your program or are too expensive. Under the Rehabilitation Act and the terms of your grant or agreement with the Corporation, you must provide accommodation, upon request by a qualified individual with disabilities, unless doing so is an undue financial or administrative burden to your program. This is a very high standard. Not being easily achievable does not meet this standard. Being difficult to achieve, time-consuming, or costly, do not meet this standard.

In addition, there are many factors that go into evaluating the obligation to provide accommodations. Undue administrative burden means the accommodation will alter the fundamental nature of your program. For example, adjustment of hours is often a form of reasonable accommodation. However, you must carefully consider the circumstances and the legal requirements when adjusting hours for participants. AmeriCorps State and National programs have statutory requirements regarding service hours, and changes to hours that violate these requirements alter the fundamental nature of the program. Therefore, these changes are not required for reasonable accommodation and providing them may violate the Corporation’s statute.

You must determine if your program has consistently applied these requirements to all your participants. Strict adherence to the legal requirements to deny a person an accommodation for his or her disability when flexibility is allowed for others is discrimination because of disability.

How does a member file a disability discrimination claim?
Every grantee of the Corporation is required to have a grievance procedure for resolving disputes by participants. Except for AmeriCorps VISTA, your grievance procedure may include or exclude discrimination claims (failure to provide reasonable accommodation is
a discrimination claim, and AmeriCorps VISTA excludes all discrimination claims from its grievance process).

Regardless of your decision in this regard, any participant may file a discrimination claim with the Corporation’s Office of Civil Rights and Inclusiveness. That Office can be reached at (202) 606-7503, (202) 606-3472 (TTY), (202) 606-3465 (FAX), or eo@cns.gov. If you choose for all discrimination claims to be filed under your grievance procedure, it is recommended that you call upon the expertise of colleagues in the disability community to assist you in evaluating grievances.

C. 73. What are my obligations to comply with federal law and Corporation policy on non-discrimination?

Obligation to Cooperate. The grantee must cooperate with the Corporation so that the Corporation can ensure compliance with the civil rights statutes and implementing regulations. The grantee shall permit access by the Corporation during normal business hours to its books, records, accounts, staff, members, facilities, and other sources of information as may be needed to determine compliance.

Discrimination Complaints, Investigations and Compliance Reviews. The Corporation may review the practices of the grantee to determine civil rights compliance.

Any person who believes discrimination has occurred may file a discrimination complaint with the Corporation’s Equal Opportunity Office. The grantee may not intimidate, threaten, coerce, or discriminate against an individual to interfere with a right or privilege secured by the civil rights acts or because the person made a complaint, testified, assisted or participated in any manner in an investigation, proceeding, or hearing. The Corporation will keep the identity of complainants and witnesses confidential except as necessary to conduct an investigation, hearing, or judicial proceeding.

The Corporation will investigate whenever a compliance review, report, complaint, or other information indicates a possible failure to comply with the statutes and their implementing regulations. If an investigation indicates a failure to comply, the Corporation will so inform the grantee and any applicable subgrantees and will attempt to resolve the matter by voluntary means. If the matter cannot be resolved by voluntary means, the Corporation will initiate formal enforcement action.

Discrimination complaints may be raised through the grantee’s grievance procedure. Use of the grantee’s grievance procedure may not be a required precursor to filing a federal discrimination complaint with the Corporation. Use of the grantee’s grievance procedure does not preclude filing a federal discrimination complaint. The grantee’s grievance procedure should advise members that use of the grievance procedure does not stop the running of Corporation time frames for filing a discrimination complaint with the Corporation. In all cases where discrimination allegations have been raised with the grantee, the grantee must submit a written report to the Corporation’s Equal Opportunity
Office, which has review authority over the investigation and disposition of all discrimination complaints.

**Self-Evaluation Requirements.** The grantee must comply with (1) the self-evaluation requirements under section 504 of the Rehabilitation Act regarding accessibility for individuals with disabilities; (2) the self-evaluation requirements of the Age Discrimination Act of 1975; and (3) the self-evaluation requirements under title IX of the Education Amendments of 1972 regarding discrimination based on sex. Guidance regarding the self-evaluation requirements may be obtained from the Corporation’s Equal Employment Opportunity Office, 1201 New York Avenue, NW, Washington, D.C. 20525, (202) 606-7503; (202) 606-3472 (TTY); (202) 565-2816 (FAX); or eo@cns.gov (e-mail).

**C. 74. Is the AmeriCorps living allowance considered income for determining TANF eligibility for AmeriCorps members?**
Yes. The National and Community Service Act of 1990 provides that allowances, earnings, and payments to participants in AmeriCorps State and National programs “shall not be considered income for the purposes of determining eligibility for and the amount of income transfer and in-kind aid furnished under any federal or federally-assisted program based on need, other than as provided under the Social Security Act (SSA).” Temporary Assistance for Needy Families (TANF) is a block grant program provided under the SSA. Because TANF is under the SSA, the AmeriCorps State and National living allowance may be considered income for the purposes of determining eligibility for and the amount of aid under TANF.

**C. 75. What are the requirements for member evaluations for EAPs? What is the requirement for EAPs regarding member evaluations?**
EAPs are required to comply with the member evaluation regulation, which is designed to ensure that members are evaluated sufficiently to determine eligibility for a subsequent of service. Here is the regulation:

45 CFR § 2522.220  What are the required terms of service for AmeriCorps participants, and may they serve for more than one term?
(c) **Eligibility for second term.** A participant will only be eligible to serve a subsequent term of service if that individual has received satisfactory performance review(s) for any previous term(s) of service in accordance with the requirements of paragraph (d) of this section. Mere eligibility for a second or further term of service in no way guarantees a participant selection or placement.

(d) **Participant performance review.** For the purposes of determining a participant's eligibility for a second or additional term of service and/or for an AmeriCorps educational award, each AmeriCorps program will evaluate the performance of a participant mid-term and upon completion of a participant's term of service. The end-of-term performance evaluation will assess the following:

1. Whether the participant has completed the required number of hours described in paragraph (a) of this section;
2. Whether the participant has satisfactorily completed assignments, tasks or projects; and
3. Whether the participant has met any other performance criteria which had been clearly communicated both orally and in writing at the beginning of the term of service.

Is there a standard format for mid-term and final member evaluations? The minimum requirements for mid-term and final evaluation are stated in the regulation, above. Grantees may determine the format and contents of their evaluation to meet their needs and the needs of their members as long as these minimum requirements are in place.

How should programs document that member evaluations occurred? Programs should maintain written documentation that the member received the mid-term and final evaluation as described in the regulations, i.e. whether the participant has completed the required number of hours; satisfactorily completed assignments, tasks or projects; and has met any other performance criteria which had been clearly communicated both orally and in writing at the beginning of the term of service.

Are programs required to conduct mid-term evaluations for members that serve less than half time? No. Programs are not required to conduct mid-term evaluations for members that serve less than half-time.

Are programs required to determine the results of a member’s evaluation from a previous term of service? It is important to ensure that a member who served previously is eligible to serve in your program, and you should make a reasonable effort to gather that information. If the member received an education award, you may assume the member served satisfactorily in the previous term. If the member was released for cause without receiving an education award, and you do not check with the program with which the member formerly served, you run the risk of enrolling an ineligible member. In this case some or all of the costs associated with that member can be disallowed. The My AmeriCorps Portal includes evidence of member’s past service.
Is this policy change retro-active? In other words, will my EAP program be audited on the basis of the regulations or the Provisions that were in effect at the time the program was in operation? The Corporation management holds EAP programs harmless for non-compliance if they were in compliance with the Grant Provisions issued with their grant. The new requirement applies to grants awarded in 2008 and forward.

C. 76. What is the HEART Act and how does it affect AmeriCorps members?
The HEART Act contains a provision that excludes AmeriCorps benefits from being counted as income for purposes of eligibility for Supplemental Security Income (SSI). This extends the long-time AmeriCorps VISTA income disregard for SSI to all AmeriCorps positions. While the law does not extend to Social Security Disability Insurance (SSDI), it removes a significant barrier to participation for SSI recipients. Additional information and resources are posted here.

C. 77. Are members who receive their living allowance in the form of a wage paid with match funds or funds outside of the grant eligible to receive SSI HEART Act benefits?
There is nothing in the law to suggest that the manner in which AmeriCorps benefits are distributed would impact the applicability of the HEART Act’s amendment directing SSI to ignore AmeriCorps benefits when determining eligibility for SSI. In other words, whether the member is receiving a living allowance in the standard form or as a wage, if it is an AmeriCorps benefit, SSA will ignore it for the purposes of determining eligibility for SSI.

C. 78. How do Supplementary Security Income (SSI) rules affect AmeriCorps members?
Supplemental Security Income (SSI) is a federal program that provides a monthly cash benefit to low-income individuals who are aged, blind, or who have a disability. Prior to the passage of the Heroes Earnings and Relief Tax Act of 2008 (HEART Act), receiving an AmeriCorps living allowance could disqualify an individual from eligibility. Under the HEART Act, the Social Security Administration will ignore an individual’s receipt of AmeriCorps benefits for purposes of SSI eligibility. The Heart Act excludes “any benefit (whether cash or in-kind)” and so covers the living allowance, health insurance, child care, and the education award (and related interest payments).

Additionally, SSI recipients who serve in AmeriCorps State and National and National Civilian Community Corps automatically qualify for the Student Child Earned Income Exclusion if they meet applicable age and marital status requirements.

SSI recipients who are (1) under the age of 22 and (2) neither married nor the head of a household are eligible for the student earned income exclusion, which excludes from countable earned income $1,290 per month and up to $5,200 per year (amounts as of January 1, 2001). This exclusion may be combined with existing SSI work incentives and other income disregard rules, which should encourage more young people with
disabilities to participate in AmeriCorps State and National and NCCC. Note that the Student Child Earned Income Exclusion policy change does not affect AmeriCorps VISTA members, whose benefits are already fully excluded from income under section 404 of the Domestic Volunteer Service Act.

Any portion of an education award used by an SSI recipient to pay for tuition, fees, and other necessary education expenses (not including room and board, or repaying student loans) will not count as income. Any portion of the education award that is not used for tuition, fees, or other necessary educational expenses counts as income in the month that it is used. For general questions about SSI or the terms used in this answer, go to http://www.ssa.gov/ssi/index.htm.

C. 79. Is service in AmeriCorps considered an allowable work activity under Temporary Assistance to Needy Families (TANF)?
Yes. In the June ’06 Federal Register Notice, AmeriCorps and VISTA are explicitly listed as an example of community service meeting the definition of an allowable work activity.

C. 80. Do AmeriCorps benefits count as income in determining eligibility for other federal government benefits?
The answer depends upon the federal benefits program in question. The National and Community Service Act of 1990 (NCSA) provides that allowances, earnings, and payments to participants in AmeriCorps programs “shall not be considered income for the purposes of determining eligibility for and the amount of income transfer and in-kind aid furnished under any federal or federally assisted program based on need, other than as provided under the Social Security Act.”

The Heroes Earning Assistance and Relief Tax Act of 2008 provided that AmeriCorps benefits, including the living allowance, health insurance, child care, and the education award (and related interest payments) are excluded from countable income for determining eligibility for Supplemental Security Income (SSI).

Therefore, if the benefits program is federally-funded and is based on need, and is not provided under the Social Security Act (other than SSI), AmeriCorps State and National benefits should not affect an AmeriCorps member’s eligibility for such assistance. Examples include Food Stamps, Pell Grants, HUD housing programs, and VA benefits.

If, on the other hand, the benefits program is not federally-funded, not need-based, or is provided under the Social Security Act (other than SSI); the member’s eligibility for those benefits might be affected. The member should contact the relevant state or federal agency responsible for the program in question, or the state commission, to get a determination. Examples of benefits that might be affected by AmeriCorps benefits are Temporary Aid for Needy Families (TANF), Medicaid, Medicare, and SSDI.
C. 81. Are programs required to provide health care insurance for members on Medicaid?
You must provide health care coverage to all full-time AmeriCorps members even if they are eligible for Medicaid. The U.S. Department of Health and Human Services (HHS) has taken the position that members receiving Medicaid have coverage available to them through AmeriCorps. Because Medicaid “wraps around” other available health care coverage, Medicaid will pick up only those costs that are not covered under the AmeriCorps policy. Members who remain on TANF will continue to receive Medicaid for their dependents. Members who lose TANF due to the living allowance usually can continue to receive extended Medicaid coverage for their dependents for up to one year. Applicants receiving these benefits should consult with their caseworkers before enrolling in AmeriCorps.

C. 82. Are programs required to provide Accidental Death and Dismemberment Insurance?
Programs are responsible for ascertaining whether state law requires the provision of Workers’ Compensation for members. In states where Workers’ Compensation is not required, you must obtain Accidental Death and Dismemberment (ADD) insurance to cover any member who is injured or killed in a service-related accident. The Corporation does not endorse any particular provider of ADD insurance.

There is no minimum requirement for ADD insurance; however, programs should be sure that the ADD insurance is sufficient to cover in-service injuries or accidents. If a member is injured on the job, that member could hold the program responsible. There have been situations where the program didn’t have the required ADD insurance and faced medical bills for an injured member. While ADD insurance is an allowable cost, medical and legal bills resulting from not having ADD insurance aren’t.

C. 83. Are programs required to provide post-service job referrals to members?
Programs are not required to provide job referrals for members as they near the end of their service. Programs are expected to work with their members throughout the year and especially toward the end of the term of service on advancing members’ career and educational goals. Activities can range from offering assistance with resume writing and preparation of college applications, to working with local employers to arrange job interviews or job placements.

C. 84. May I release members’ names and/or photographs to the press?
Program directors must have the written consent of members before disclosing their names or photographs to the press or releasing personal information about them.

C. 85. Does the sunsetting of Welfare to Work change the rule on compelling personal circumstances?
45 CFR 2522.230(a)(5)(ii) states that “[c]ompelling personal circumstances do not include leaving a program…to obtain employment, other than in moving from welfare to work or in leaving a program that includes in its approved objectives the promotion of employment among its participants.”
Does the fact that the federal Welfare to Work program sunsetted in 2004 change this rule?
No. When this section was first written in 1999, the federal Welfare to Work program was still in effect. However, the section does not specifically reference the federal Welfare to Work program. Rather, “acceptance by a participant of an opportunity to make the transition from welfare to work” is a compelling personal circumstance recognized by the Corporation for policy reasons. 45 CFR 2522.230(a)(4)(ii)(B).

AmeriCorps can serve as a pathway to long-term employment, and the Corporation encourages individuals who have been receiving public support to take opportunities to become economically independent. The Corporation would not want such an individual to relinquish that opportunity out of fear of a negative performance evaluation or loss of a pro-rated education award. For an individual to be released for compelling personal circumstances for this reason, the program would need to determine that the individual was receiving welfare, and had obtained employment as part of an effort to become self-sufficient.

C. 86. Under what circumstances may state commissions or parent organizations approve conversion of a filled slot?
State Commissions and parent organizations may approve occasional changes of currently enrolled members to lesser-term slots. Impact on program quality should be factored into approval of requests. The Corporation will not cover health care or childcare costs for less than full-time members.

It is not allowed to transfer currently enrolled members to a lesser-term status simply to provide a pro-rated education award if the member would otherwise be released for cause. It is also not allowed to convert a slot to a lesser-term slot at the end of a member’s term of service in order to award a pro-rated education award when the member has not completed the hours required by their original term.

Changing less than full-time members to a greater slot type is discouraged because it is very difficult to manage, unless done very early in the member’s term of service. State commissions and parent organizations may authorize or approve such changes so long as their current budget can accommodate such changes. Keep in mind that a member’s minimum 1700 hours must be completed within 12 months of the member’s original start date.

C. 87. How many previously-served terms need to be checked for satisfactory service?
An AmeriCorps member can now serve up to four terms. How many previously-served terms need to be checked to see if the member served satisfactorily before enrolling him or her in a new term of service?
Programs only need to check the most recently completed term of service for satisfactory completion. It is reasonable to assume that the program that enrolled the member prior to
the previous term also exercised due diligence and did not allow the member to serve if he/she had not completed the previous term satisfactorily.

D. Program Management

D. 1. What is the policy regarding the purchase of member service gear?
Grantees are encouraged to provide the basic AmeriCorps service gear package for each member (t-shirt, sweatshirt, hat, lapel pin). The grantee should direct members to wear their service gear at officially designated AmeriCorps events and may allow members to wear their service gear at other times consistent with Corporation guidelines. All member service gear purchased with federal funds is required to include the AmeriCorps logo.

D. 2. Can a member in an AmeriCorps State program serve in another state?
This is an issue for the states to decide. The commission funding the out-of-state project needs to make sure that the commission of the state in which the service will be performed agrees to or is at least aware of the funding of that project by the other state. The funding state also needs be aware of the liability insurance issues that can arise when service is performed out of state, such as disaster relief activities. Few states have funded long-term projects in other states because of an unwillingness to spend state funds on out-of-state activities. However, states are allowed to set this policy for themselves.

D. 3. Generally an AmeriCorps member is not considered an employee of the program in which he or she serves. Does this rule apply to Professional Corps members?
While the general rule is that AmeriCorps members are not employees of the program in which they serve, Professional Corps members may, in many circumstances, actually be employees of the organization where they are placed. The National and Community Service Act authorizes Professional Corps to place qualified professionals in professional positions “in communities with an inadequate number of such professionals.” The statute specifically authorizes “a salary in excess of the maximum living allowance,” and the legislative history clearly anticipated that members would be “placed as professionals … in a community that cannot attract enough of these professionals.” For example, AmeriCorps members may be placed as professional teachers in underserved schools. They receive a salary from the school at which they are teaching, and are on the staff of the school.

D. 4. How do I change slot types and transfer slots?
Revised AmeriCorps State and National Approvals for Slot Conversion, Slot Release 3 of the My AmeriCorps Portal makes concrete several policy changes designed to devolve authority and responsibility to grantees and afford state commissions additional flexibility in managing their portfolios.

As of the October 7, 2011, Program Officers will no longer be required to provide prior approval for unfilled slot conversions and slot transfers, and for member changes of term of service that take place over 90 days from the first day the member serves.
State Commissions and parent organizations may approve occasional changes of currently enrolled members to lesser-term slots. Impact on program quality should be factored into the approval of requests. The Corporation will not cover health care or child care costs for less than full-time members unless they are serving in a full-time capacity and the program chooses to provide health care or child care assistance.

Slots are not allowed to be transferred across grant type or grant year. Slots eligible for refill are not allowed to be transferred.

State Commissions and parent organizations are not allowed to approve a member change in service to a lesser-term slot if the member would otherwise be released for cause. State Commissions and parent organizations may not approve a change to a lesser-term slot at the end of a member’s term of service in order to award a pro-rated education award when the member has not completed the hours required by their original term.

Changing less than full-time members to a greater slot type is discouraged. State commissions and parent organizations may approve such a change as long as their current budget can accommodate the change.

State commissions are allowed to transfer slots among their state formula and competitive subgrantees without prior approval. They will not be allowed to transfer slots between competitive and formula grantees or vice versa. Commissions may not transfer funds among their competitive subgrantees.

Programs will continue to be allowed to convert a full-time position to up to three quarter-time positions. All conversions will be Trust neutral, are subject to availability of funds in the Trust, and will comply with all assumptions on which Trust prudence and continued solvency are predicated. The total number of MSYs and education award amounts in the grant may not increase as a result of the slot conversion.

For example:
1 full-time member position (1 MSY) may be converted into 2 half-time slots (2 x .5 members = 1 MSY).
1 full-time member position may not be converted into 4 quarter-time positions as the education awards would total more than the original (4 X .2646); in this example, the maximum number of allowable quarter-time positions would be 3.

Here is a chart of MSY values:

Grantees may also combine and convert less than full-time positions to full-time positions as long as such changes do not increase the total MSYs or total education award amounts awarded in the grant.

**D. 5. How do I change filled slots?**
Circumstances may arise within a program that necessitates changing the term of service of a currently enrolled member. Note that once a member is exited with a partial education award, the remaining portion of that education award is not available for use.

**Full-time.** State Commissions and Parent Organizations may authorize or approve occasional changes of currently enrolled full-time members to less than full-time members. Impact on program quality should be factored into approval of requests. The Corporation will not cover health care or childcare costs for less than full-time members. It is not allowable to transfer currently enrolled full-time members to a less than full-time status simply to provide a less than full-time education award.

**Less than Full-time.** Changing less than full-time members to full-time is discouraged because it is very difficult to manage, unless done very early in the member’s term of service. State Commissions and Parent Organizations may authorize or approve such changes so long as their current budget can accommodate such changes. Keep in mind that a member’s minimum 1700 hours must be completed within 12 months of the member’s original start date.

**Notice to Childcare and Health Care Providers.** The grantee must notify the Corporation’s designated agents immediately in writing when a member’s status changes, such that it would affect eligibility for childcare or health care. Examples of changes in status are converting a full-time member to less than full-time member, terminating or releasing members from service, and suspending members for cause for lengthy or indefinite time periods. Program directors should contact the AmeriCorps child care providers on child care related changes, and their health insurance provider about health insurance related changes.

**D. 6. How do I refill slots?**
Eligible AmeriCorps State and National programs that have fully enrolled their awarded member slots are allowed to replace any member who terminates service before completing 30 percent of his/her term (effective May 17, 2007) provided that the member who terminates is not eligible for and does not receive a pro-rated education award. Programs may not refill the same slot more than once.

As a fail-safe mechanism to ensure that corporate resources are available in the national service trust to finance any member’s education award, the Corporation will suspend refilling if either:

- total AmeriCorps enrollment reaches 97 percent of awarded slots
- the number of refills reaches five percent of awarded slots.
Grantees whose awards have special grant conditions under 45 CFR 2543.14 or 2541.120 are not eligible to refill positions. In order to be qualified to refill, grantees will be evaluated on the basis of the outcomes of Inspector General audits, site visits, and oversight by CNCS program and grants officers.

As of November 13, 2006, programs are allowed to convert one full-time position to up to three quarter-time positions. All conversions must be Trust neutral, i.e. not change the total education award amounts allocated to the grant, are subject to availability of funds in the Trust, and must comply with all assumptions on which Trust continued solvency are predicated.

This policy allows AmeriCorps slots to be converted in accordance with the grant award but without regard to the limitation therein on increasing the number of slots in the program. Thus, when converting a slot to one requiring fewer hours, the grantee is not limited to a one-for-one slot conversion, and may increase the number of members correspondingly. However, the total number of MSYs and education award amounts allocated to the grant may not increase as a result of the slot conversion.

Grantees may also combine and convert less than full-time positions to full-time positions as long as such changes do not increase the total MSYs or education award amounts allocated to the grant.

Any requests for changes that fall outside of the parameters set forth above must come to the Corporation for written approval with concurrence from the State Commission or Parent Organization.

D. 7. What is the policy regarding transfer of slots from one state formula program to another?
State commissions are allowed to transfer slots from one formula program to another in order to maximize enrollment and cost effectiveness.

D. 8. May a program extend the maximum time available for a full-time member to complete his or her service if the member has a disability?
The maximum periods for completion (12 months for full-time members; not more than two years for less than full-time members) are based on the statute (42 USC 12593(b)). A program may, however, determine that the member is eligible to be released for compelling personal circumstances and provide a pro-rated education award to the member when the member has reached the maximum period for completing service.

D. 9. What are the requirements for tutoring curriculum in the NCSA as amended by the Serve America Act?
Tutoring curriculum must be consistent with both state academic standards and the instruction program of the local education agency. Other tutoring requirements can be found in 45 CFR §§ 2252.900 – 2252.950.
D. 10. What are the requirements regarding evaluation for AmeriCorps grantees?
The regulations on evaluation for AmeriCorps grantees are here: 45 CFR §§ 2522.700-740.

As articulated in the AmeriCorps regulations 45 C.F.R. §§2522.500-.540 and .700-.740, AmeriCorps National Direct grantees and AmeriCorps State Competitive grantees (with the exclusion of Education Award Program grantees) that receive an annual CNCS grant of $500,000 or more must conduct an independent evaluation to measure the impact of programs. An evaluation is considered independent if it uses an external evaluator who has no formal or personal relationship with, or stake in, the administration, management, or finances of the grantee or of the program being evaluated. An impact evaluation is designed to provide statistical evidence of the impact of the program compared to what would have happened in the absence of the program (i.e. evaluations that include a comparison or control group).

The $500,000 threshold is calculated by averaging the AmeriCorps grant funding amounts over the last three years the grantee has received CNCS funding at the time of the re-competition. The $500,000 threshold is based on CNCS funding, not the program’s total budget with matching funds.

**AmeriCorps National Direct grantees and State Competitive grantees with average grants of less than $500,000, as well as all AmeriCorps Education Award Program grantees,** are required to conduct an evaluation, but may use an internal evaluator rather than an independent one. An internal evaluation is designed and conducted by qualified program staff or other stakeholders, such as board members, partners, or volunteer affiliates.

Evaluations of National Direct and State Competitive funded programs must cover at least one year of CNCS-funded service activity.

**AmeriCorps State Formula grantees** are required to complete the evaluation requirements as established by their respective State Service Commission. Applicants for State Formula grants should contact their State Commission for their grant evaluation requirements.

The AmeriCorps regulations can be found at [http://www.gpoaccess.gov/ecfr](http://www.gpoaccess.gov/ecfr).

**D. 15. Can Tribes use Indian Health Service support as match for an AmeriCorps grant?**
No, Indian Health Service support may not be used as match because IHS is provided to all people that are members of a federally recognized tribe and does not have a fair market value.

**E. For State Commissions**

The regulatory authority on this issue is in 2 CFR 225 Attachment B, Section 12 (b) (1) (former OMB Circular A-87, Attachment B, Section 11(i)).

**F. Financial Management**
F. 1. What is the Corporation policy regarding pre-award costs?
A grantee may be reimbursed for pre-award costs only if they are incurred with the written approval of the Corporation’s Office of Grants Management. To request such approval, grantees send requests to their Corporation grants and program officers. The request includes a brief justification for the costs to be incurred and indicates the desired effective date. The Office of Grants Management will issue a letter authorizing or denying the pre-award costs within three business days.

The Corporation is prepared to approve, where appropriate, the following types of pre-award costs: personnel expense and benefits, travel for staff and prospective members, equipment, supplies, contractual and consultant service, training for staff and prospective members, evaluation, and other program operating costs.

Because the Strengthen AmeriCorps Program Act specifically indicates that a national service position is approved when the Corporation issues a grant award, the Corporation cannot approve member living allowances and support costs, including FICA, workers’ compensation, health care, and child care, as pre-award costs. Approval of pre-award costs does not authorize a grantee or sub-grantee to have AmeriCorps members begin serving. AmeriCorps members may only begin service after a grant award has been issued and may not count any hours served prior to the award being issued as part of their term of service.

All pre-award costs are incurred at the grantee’s risk. The Corporation is under no obligation to reimburse a grantee for these costs if the grantee does not receive an award or if the award is less than anticipated and inadequate to cover such costs.

F. 2. Can a salary rate charged to a grant for one individual vary according to duties?
While such a situation is highly unusual, if an individual occupies two positions, each on a part-time basis that are established at different salary levels, the individual meets the qualifications for both positions, and the time spent in each position is adequately documented and approved, then it is possible to charge two different salary levels for the same individual. This situation should be clearly explained in the budget narrative and discussed with the Corporation grants officer to ensure approval.

F. 3. Is a fiscal agent required to be bonded?
Fiscal agents are not required to be bonded, however, good financial practices include bonding in order to minimize risk and liability.

F. 4. Is the cost to attend a dinner or fundraising event sponsored by a grantee (e.g., $40 per ticket) an allowable cost?
No. Meals are considered either entertainment and are not allowable costs under the Cost Principles. All costs related to fundraising, whether for an event that includes a meal or tickets or other costs are also unallowable. The cost of meals is generally allowable in the context of travel only and if the cost is consistent with the organization’s travel or per diem policy.
F. 5. May the cost of meals for a staff member only be charged to the grant as a direct cost when the staff member is on travel? For example, when staff members work late, can the cost of dinner be charged to the grant? Or can grant funds be used to purchase lunch for staff when a staff meeting goes from 9 a.m. to 3 p.m.? Meals for staff while they are on travel is an allowable cost. Otherwise meals are not generally an allowable cost. Under OMB Cost Principles at 2 CFR 215 and 225 (formerly Circulars A-87 and A-122), the grantee cannot charge meals for staff working late or lunch for staff working through normal lunch period. One recognized exception in the Cost Principles is for staff attending a conference or training activity that includes meals during a working session/activity.

F. 6. Who determines the interest rate for excess cash advances, and how is it determined?
Grantees should not draw funds in excess of their needs and thus, should not have excess cash advances according to 2 CFR 215 (formerly OMB Circular A-110) and OMB Circular A-102. This regulation and circular establish the conditions under which grant recipients must place advanced federal funds in interest bearing accounts in accordance with the Cash Management Improvement Act (31 CFR § 205). The interest rate is the rate of the financial institution holding the account. The Grantee may retain interest amounts up to $250 per year. Interest earned in excess of $250 must be reimbursed annually based on the rates in the interest bearing accounts. Excess funds not placed in an interest bearing account could be subject to the interest rates published in the federal register semi-annually by the U.S. Department of Treasury.

F. 7. What is the guidance regarding the use of Corporation grant funds to join and support the AmeriCorps Alums?
PDAT funds are available to state commissions for enhancing and sustaining high quality AmeriCorps State and National Programs. To the extent that AmeriCorps Alums provides training and technical assistance that meets the state commission’s goals and is consistent with the financial requirements of PDAT, using AmeriCorps Alums staff as training providers is an allowable expense. Likewise, to the extent that the state commission has chosen to provide scholarships for program staff and members to attend conferences that it deems appropriate, providing scholarships for program staff and members to attend the annual AmeriCorps Alums conference would also be an allowable expense. PDAT funds may not be used to cover membership costs for members or recent alums to join the AmeriCorps Alums.

Administrative funds are available to state commissions to support their operation. In general, these funds may not be used to cover individual memberships in associations. However, the OMB cost principles generally assume individuals are employees of the organization. AmeriCorps members are not employees. Therefore, a member’s individual membership in an organization can be an allowable expense if the benefits derived from that membership are consistent with the program’s and the individual member’s development objectives. If a state commission decides that memberships are consistent
with their overall objectives, then using Administrative grant funds to pay for membership in the AmeriCorps Alums would be an allowable expense.

State commissions may choose to allow subgrantees to pay AmeriCorps Alums costs for their current members. If you choose to allow your subgrantees to include such costs in their grant budgets, you will need to ensure that membership in AmeriCorps Alums meets specific objectives under the grant. If you choose to allow the costs, instruct your subgrantees to include them in Section I, Part G-2 of the budget, Member Training. In no case may the fees paid to the AmeriCorps Alums be used to support lobbying.

F. 8. If a program budgeted for membership in an association for AmeriCorps members, at what point in the service year should we enroll the members in that association? May we wait until the end of the service year to enroll them?
When members are allowed to be enrolled depends on the member developmental activities. If the association’s benefits will apply to program activities/learning that spans beginning to end of service, then they should be enrolled as service begins. If the benefits apply to moving from service into post-service world, then enrollment could occur towards the end of service. There is no requirement that the annual membership derived from the enrollment totally fall only during the program year, however, enrolling literally at the end of service (as they exit) would have no direct program benefit and therefore would not be an allocable cost to the grant.

F. 9. How and when are we to apply for no-cost extensions to the grant period?
Unless otherwise specified, Corporation for National Service grants are issued for a three-year project period (36 months). Programs must apply for a one-time no-cost extension before the end of the three-year project period.

According to 45 CFR § 2543.25, the Corporation can authorize a one-time extension for up to 12 months. If a grantee determines that it will not be able to complete its project before the end of the three-year project period, the grantee must request an extension in writing with supporting reasons and the revised expiration date to the assigned program officer, with a copy sent to the grants officer. The program officer will initiate the amendment, which will go through a certification process that could take up to ten business days. For more information on this subject please see the Grant Provisions or call your program officer.

F. 10. If we have slots available, may we enroll additional members during the period of a no-cost extension?
No, you may not enroll new members during the period of a no-cost extension. The no-cost extension is available only to allow existing members to complete their service.

F. 11. How long are programs required to retain grant records?
In general, you must keep all records for a period of three years from the date you submit the final federal financial report for the three-year project period, or in the case of EAPs, the final project report. If an audit is started before the expiration of the three-year period,
the records must be retained until the audit findings involving the records have been resolved and final action taken. More details are available in 45 CFR § 2541.420.

F. 12. What are the requirements for accounting for program income? FAQs regarding program income can be found here. http://www.nationalservice.gov/sites/default/files/documents/08_0930_sc_ffr.pdf

F. 13. Are federal funds allowed to be used as match? With certain caveats, grantees operating an AmeriCorps subtitle C program may use federal funds to meet its matching requirement.

First, the fact that legislation permits the use of non-Corporation federal funds as match is not, by itself, determinative. There must be independent authority for a grantee to use other federal funds in connection with a national service program. For example, if a grantee proposes to use Department of Education Title I funds as match, we refer the grantee to the Department of Education for a determination of whether such use is permissible under the Title I program.

Second, the national service legislation does not prohibit a grantee from using other federal funds in place of the Corporation’s share, subject to the first caveat. For example, we would not prohibit a grantee from using other federal funds to pay the living allowance. Third, we do not permit a grantee to use the same funds as match for two federal grants. See 45 CFR § 2541.240(b)(3), 45 CFR § 2543.23(a)(2).

F. 14. May a grantee use direct community service as match? Because the purpose of AmeriCorps is to enable and stimulate volunteer community service, the grantee may not include the value of direct community service performed by volunteers as match. However, the grantee may include the value of volunteer services contributed to the organization for organizational functions such as accounting, audit work, legal work, or training as match.

F. 15. May I use CNCS funds to match another grant from CNCS? No. For example, you may not use a Learn and Serve America grant as match for AmeriCorps State and National funds.

F. 16. If we have a number of programs closing out on different dates, should we hold them all until the last date? Or should we submit them as they come in? Grantees determine how to close out their subgrant programs. The Corporation closes out the direct grant to a Commission or a multi-state organization only. The grantee is required to certify that it has closed its subgrants and submits the certification to the Corporation. You have 90 days after the end of your project period to close out your grant. The most important task for close out is to reconcile the amount you report on the Federal Financial Report with the amounts you report disbursed to the Department of Health and Human Services (HHS) and the amount you drew down from your HHS account. All three of these amounts must match.
G. Education Awards

G. 1. What must a member do to receive an education award?
In order to receive an education award, a member must perform the minimum hours of service as required by the Corporation and successfully complete the program requirements as defined by the Program. For example, if successful completion of a full-time program requires 1,800 service hours, members in that particular program are not eligible for an education award simply upon completion of 1,700 hours. If a member is released from a Program for compelling personal circumstances, the member is eligible for a pro-rated education award based on the number of hours served, if it is at least 15% of the total required hours. Questions regarding authorized uses of the education award should be directed to the Corporation’s National Service Trust Office.

G. 2. Can a program exit a member who completed all their hours, but deduct funds from the education award, because the member did not complete all the requirements clearly stated in the member agreement?
No, a program cannot reduce the education award in this manner. The education award is a benefit awarded for successfully completing a term of service. If a member did not successfully complete the requirements stated in the member agreement, the member should be exited for cause and receive no award. Partial awards are only available for members exited for compelling personal circumstances, and who have served at least 15% of their term. Reference: 42 USC 12603

G. 3. May the education award be used to pay a “Parent’s Plus” student loan that a parent has taken out in order to pay the tuition of a child?
No, the education award may not be used to pay off a parent’s student loan. You can find a list of qualified student loans here.

G. 4. Does the education award count as income for the purposes of calculating income tax?
The Internal Revenue Service has ruled that the AmeriCorps education award is not excludable from income as (1) a scholarship under section 117(a) of the Internal Revenue Code or (2) a qualified educational assistance program under section 127(b) of the Code.

G. 5. May a member use his/her education award to pay for school tuition incurred before the member begins his/her service?
No. A member can pay back student loans accrued before they start service but not tuition or any other kind of school expenses (books, etc.).

The College Cost Reduction and Access Act of 2007 (CCRAA) was signed into law in September of 2007. It may offer AmeriCorps members significant benefits. The Act has two provisions with implications for members: the Income-based Repayment Plan (IBR) and the Public Service Loan Forgiveness Program.
The IBR Plan will make it easier for AmeriCorps members to pay back student loans while serving. Members who meet IBR’s debt-to-income ratio threshold specified in the CCRAA will be able to make payments as low as $0 a month while serving in AmeriCorps.
