Cheryl, at PrintGraphics, will help you order any of the following package items you'd like a duplicate of. She also has your logo and the AmeriCorps Texas logo on file to easily place other orders, including promotional products that you can find in her online catalog; including cups, mugs, pens, key chains, totes, etc. OneStar highly recommends working with Cheryl. She is professional, responsive, and knows her stuff!

OneStar Foundation aims to increase awareness and visibility of our AmeriCorps Texas grantees, members, and activities both statewide and in the communities you serve. We believe that providing tools and resources to grantees (such as signage, templates, and guidelines) will better assist you in your efforts to affiliate with the AmeriCorps brand and identity, raising the profile of all AmeriCorps Texas programs individually, collectively as a portfolio, and nationally. Cheryl has been informed of this initiative and looks forward to working with you in the future.
