III. GENERAL TERMS AND CONDITIONS

A. RESPONSIBILITIES UNDER AWARD ADMINISTRATION

1. **Accountability of the Recipient.** The recipient has full fiscal and programmatic responsibility for managing all aspects of the award and award-supported activities, subject to the oversight of OneStar Foundation and CNCS. The recipient is accountable to OneStar Foundation for its operation of the program and the use of CNCS award funds. The recipient must expend award funds in a manner consistent with the cost principles in 2 CFR and in a reasonable manner, and it must record accurately the service activities and outcomes achieved under the award. Although recipients are encouraged to seek the advice and opinion of OneStar on special problems that may arise, such advice does not diminish the recipient's responsibility for making sound judgements and does not shift the responsibility for operating decisions to OneStar or CNCS.
2. **Subawards.** If authorized by law and permitted by CNCS, a recipient may make subawards in accordance with the requirements set forth in the Uniform Guidance. The recipient must have and implement a plan for oversight and monitoring that complies with the requirements applicable to pass-through entities identified at 2 CFR §200.331 to ensure that each subrecipient has agreed to comply, and is complying, with award requirements.

A recipient of a Federal award that is a pass-through entity has certain obligations to its subrecipients. Those requirements are located at 2 CFR § 200.331, §200.207, § 200.338, and 2 CFR Part 200 Subpart F.

3. **Notice to OneStar and CNCS.** The recipient will notify the appropriate OneStar Program or Grants Officer immediately of any developments or delays that have a significant impact on funded activities, any significant problems relating to the administrative or financial aspects of the award, or any suspected misconduct or malfeasance related to the award or subrecipient. OneStar will inform the CNCS Program or Grants Officer about the corrective action taken or contemplated by the recipient and any assistance needed to resolve the situation. Recipients should also ensure that they comply with the mandatory reporting requirements for suspected criminal activity or fraud, waste or abuse as specified in section III.H.

B. FINANCIAL MANAGEMENT STANDARDS

1. **General.** The recipient must maintain financial management systems that comply with 2 CFR §200.302(b). The recipient's financial management system must be capable of distinguishing expenditures attributable to this award from expenditures not attributable to this award. The systems must be able to identify costs by program year and by budget category, and to differentiate between direct and indirect costs. For all recipient's financial management requirements and responsibilities, refer to Subparts D and E of 2 CFR Part 200.
2. **Allowability of Cost.** To be allowable under an award, costs must meet the criteria of 2 CFR §200.403, which provides that costs must be necessary and reasonable for the performance of the

award, must conform to limitations in the award or 2 CFR Part 200 as to types or amounts of cost items, must be consistent with policies and procedures that apply uniformly to both Federally financed and other activities of the recipient, must be adequately documented, and must not be included as a cost or used to meet cost share or matching requirements of any other Federally-financed program. Furthermore, the costs must be accorded consistent treatment in like circumstances as either direct or indirect costs in order to avoid the double-charging of Federal awards (see 2 CFR §200.403(d) and §200.412).

3. **Cost Reporting.** Recipients financial management systems must be able to routinely produce reports which support and reconcile to the amounts reported to OneStar through the Periodic Expense Report (PER). Recipients must also ensure that the financial management systems of any subrecipients can routinely produce the same reports. As part of its ongoing fiscal oversight of recipients, CNCS will be requesting randomly selected recipients to provide reports supporting their Federal cash disbursements (including supporting information for cash disbursements made by subrecipients). CNCS expects that recipients' and subrecipients' financial management systems to be able to produce those supporting reports on a routine basis.
4. **Audits.** Recipient organizations that expend \$750,000 or more in total federal awards in a fiscal year shall have a single or program-specific audit conducted for that year in accordance with the Single Audit Act, as amended, 31 U.S.C. 7501, et seq., and 2 CFR Part 200, Subpart F. If the recipient expends Federal awards under only one Federal program, it may elect to have a program specific audit, if it is otherwise eligible. A recipient that does not expend \$750,000 in Federal awards is exempt from the audit requirements for that year. However, it must continue to conduct financial management reviews of its subrecipients, and its records and its subrecipients' records must be available for review and audit in accordance with 2 CFR §§200.333-200.337 and §200.331(a)(5). Additionally, a recipient acting as a pass-through entity must issue management decisions for audit findings pertaining to the Federal award provided to the subrecipients as required by 2 CFR §200 521 and ensure follow-up on audit findings in a timely manner to ensure that the subrecipient corrects any deficiencies identified in the audit.

C. CHANGES IN BUDGET OR KEY PERSONNEL

All budget and programmatic changes must comply with 2 CFR §200.308 – Revision of budget and program plans. 2 CFR §200.407 Prior written approval (prior approval) – provides an exhaustive list of those other items requiring OneStar and/or CNCS's advance approval. CNCS does not waive any of the prior written approvals required under that section. In addition to the required prior approval for changes in key personnel identified in the budget, the recipient must also notify OneStar of any changes in any positions which are not included in the approved budget, but which involve leadership oversight of the activity under this award. The recipient must also notify OneStar of any change in the senior leadership of the recipient.

D. BANKRUPTCY

The recipient must notify OneStar if, during the term of its award, the recipient or one of its subrecipients becomes insolvent or is unable to pay its debts as they mature, or files a voluntary petition in bankruptcy or is the subject of an involuntary petition that is neither stayed nor dismissed within 60 days after the petition is filed.

E. PROHIBITED PROGRAM ACTIVITIES

The recipient must comply with, and require all subrecipients to comply with, the prohibitions on use of CNCS funds applicable to their program as identified in sections 132A and 174 of the NCSA (42 U.S.C. §§12584a and 12634) and section 403 of the DVSA (42 U.S.C. §5043), and provisions by Congress in annual appropriations acts. More specific guidance on these prohibitions will be provided in CNCS's Specific Terms and Conditions and in other guidance.

F. NATIONAL SERVICE CRIMINAL HISTORY CHECK REQUIREMENTS

The National Service Criminal History Check (NSCHC) is a screening procedure established by law to protect the beneficiaries of national service. See 45 CFR §§2540.200-2540.207 and <http://www.nationalservice.gov/resources/criminal-history-check> for complete information and FAQs. The law requires recipients to conduct and document NSCHCs on any person (including award-funded staff, national service participant, or volunteer) receiving a salary, living allowance, stipend or education award through a program receiving CNCS funds. An individual is ineligible to serve in a position that receives such CNCS funding if the individual is registered, or required to be registered, as a sex offender or has been convicted of murder. The cost of conducting NSCHCs is an allowable expense under the award.

Unless CNCS has provided a recipient with a written exemption or written approval of an alternative search procedure, recipients must perform the following checks:

All award-funded staff, national service participants, and volunteers must undergo NSCHCs that include:

1. A nationwide name-based search of the National Sex Offender Public Website (NSOPW); and
2. Either:
 - a. A name- or fingerprint-based search of the statewide criminal history registry in the person's state of residence and in the state where the person will serve/work; or
 - b. A fingerprint-based FBI criminal history check.

Special Rule for Person's Serving Vulnerable Populations. Award-funded staff, national service participants, and volunteers with recurring access to vulnerable populations (i.e., children age 17 or younger, individuals age 60 or older, or individuals with disabilities) must undergo NSCHCs that include:

1. A nationwide name-based check of the NSOPW; and
2. Both:
 - a. A name- or fingerprint-based search of the statewide criminal history registry in the person's state of residence and in the state where the person will serve/work; or
 - b. A fingerprint-based FBI criminal history check.

You must retain adequate documentation that you completed the required NSCHC. Inability to demonstrate that you conducted a required criminal history check component, to include the NSOPW, as specified in the regulations, may result in sanctions, including disallowance of costs.

In addition, you must ensure that appropriate recipient staff receives annual training on NSCHC compliance, as specified by CNCS. This training must be documented with the course's certificate of completion, for all years of completion.

G. THE OFFICE OF THE INSPECTOR GENERAL

CNCS's Office of Inspector General (OIG) conducts and supervises independent audits, evaluations, and investigations of CNCS's programs and operations. Based on the results of these audits, reviews, and investigations, the OIG recommends disallowing costs and also recommends amending or adding policies to promote economy and efficiency and to prevent and detect fraud, waste and abuse in CNCS's programs and operations.

The OIG conducts and supervises audits of CNCS recipients, as well as legally required audits and reviews. The legally required audits include evaluating CNCS's compliance with the Improper Payments Elimination and Recovery Act (IPERA) which may result in grantees being requested to produce responsive documentation. The OIG uses a risk-based approach, along with input received from CNCS management, to select recipients and awards for audit. The OIG hires independent audit firms to conduct some of its audits. The OIG audit staff is available to discuss any audit, and can be reached at (202) 606-9390.

Recipients must cooperate fully with CNCS requests for documentation and OIG inquiries by timely disclosing complete and accurate information pertaining to matters under investigation, audit or review, and by not concealing information or obstructing audits, inspections, investigations, or other official inquiries.

 - c. Concealment, forgery, falsification, or unauthorized destruction of government or program records;
 - d. Corruption, bribery, kickbacks, acceptance of illegal gratuities, extortion or conflicts of interest in connection with operations, programs, activities, contracts, or grants;
 - e. Other misconduct in connection with operations, programs, activities, contracts, or grants; or
 - f. Mismanagement, abuse of authority, or other misconduct by any CNCS personnel.
2. Fraud, waste, or abuse.

- a. Fraud occurs when someone is intentionally dishonest or uses intentional misrepresentation or misleading omission to receive something of value or to deprive someone, including the government, of something of value.
- b. Waste occurs when taxpayers do not receive reasonable value for their money in connection with a government-funded activity due to an inappropriate act or omission by people with control over or access to governmental resources.
- c. Abuse is behavior that is deficient, objectively unreasonable, or improper under the circumstances. Abuse also includes the misuse of authority or position for personal financial gain or the gain of an immediate or close family member or business associate.

The OIG maintains a hotline to receive this information, which can be reached by email at hotline@cncsoig.gov or by telephone at (800) 452-8210. Upon request, OIG will take appropriate measures to protect the identity of any individual who reports misconduct, as authorized by the Inspector General Act of 1978, as amended. Reports to OIG may also be made anonymously.

The recipient should take no further steps to investigate any suspected misconduct, except as directed by the OIG or to prevent the destruction of evidence or information.

This award and employees working on this award will be subject to the whistleblower rights and remedies in the pilot program on Contractor employee whistleblower protections established at 41 U.S.C. 4712 by section 828 of the National Defense Authorization Act for Fiscal Year 2013 (Pub. S. AWARD TERM AND CONDITION FOR RECIPIENT INTEGRITY AND PERFORMANCE MATTERS (REQUIRED PROVISION UNDER 2 CFR §200.210(B)(III) FOR GRANTS AND COOPERATIVE AGREEMENTS OF \$500,000 OR MORE)

1. **General Reporting Requirement**
If the total value of your currently active grants, cooperative agreements, and procurement contracts from all Federal awarding agencies exceeds \$10,000,000 for any period of time during the period of performance of this Federal award, then you as the recipient during that period of time must maintain the currency of information reported to the System for Award Management (SAM) that is made available in the designated integrity and performance system (currently the Federal Awardee Performance and Integrity Information System (FAPIIS)) about civil, criminal, or administrative proceedings described in paragraph 2 of this award term and condition. This is a statutory requirement under section 872 of Public Law 110-417, as amended (41 USC 2313).

As required by section 3010 of Public Law 111-212, all information posted in the designated integrity and performance system on or after April 15, 2011, except past performance reviews required for Federal procurement contracts, will be publicly available.

2. Proceedings About Which You Must Report

Submit the information required about each proceeding that:

- a. Is in connection with the award or performance of a grant, cooperative agreement, or procurement contract from the Federal Government;
- b. Reached its final disposition during the most recent five year period; and
- c. Is one of the following:
 - i. A criminal proceeding that resulted in a conviction, as defined in paragraph 5 of this award term and condition;
 - ii. A civil proceeding that resulted in a finding of fault and liability and payment of a monetary fine, penalty, reimbursement, restitution, or damages of \$5,000 or more;
 - iii. An administrative proceeding, as defined in paragraph 5 of this award term and condition, that resulted in a finding of fault and liability and your payment of either a monetary fine or penalty of \$5,000 or more of reimbursement, restitution, or damages in excess of \$100,000; or
 - iv. Any other criminal, civil, or administrative proceeding if:
 - a) It could have led to an outcome described in paragraph 2.c.(i)(ii), or (iii) of this award term and condition;
 - b) It had a different disposition arrived at by consent or compromise with an acknowledgement of fault on your part; and
 - c) The requirement in this award term and condition to disclose information about the proceeding does not conflict with applicable laws and regulations.

3. Reporting Procedures

Enter in the SAM Entity Management area the information that SAM requires about each proceeding described in paragraph 2 of this award term and condition. You do not need to submit the information a second time under assistance awards that you received if you already provided the information through SAM because you were required to do so under Federal procurement contracts that you were awarded.

4. Reporting Frequency

During any period of time when you are subject to the requirement in paragraph 1 of this award term and condition, you must report proceedings information through SAM for the most recent five year period, either to report new information about any proceeding(s) that you have not reported previously or affirm that there is no new information to report. Recipients that have Federal contract, grant, and cooperative agreement awards with a cumulative total value greater than \$10,000,000 must disclose semiannually any information about the criminal, civil, and administrative proceedings.

5. Definitions

For the purposes of this award term and condition:

- a. Administrative proceeding means a non-judicial process that is adjudicatory in nature in order to make a determination of fault or liability (e.g., Securities and Exchange Commission Administrative proceedings, Civilian Board of Contract Appeals proceedings, and Armed Services Board of Contract Appeals proceedings). This includes proceedings at the Federal and State level but only in connection with performance of a Federal contract or grant. It does not include audits, site visits, corrective plans, or inspection of deliverables.

 - 1) Only the Federal share of the funding under any Federal award with a recipient cost share or match; and
 - 2) The value of all expected funding increments under a Federal award and options, even if not yet exercised.

IV. ATTACHMENT

Grant Program Civil Rights and Non-Harassment Policy

The Corporation for National and Community Service (CNCS) has zero tolerance for the harassment of any individual or group of individuals for any reason. CNCS is committed to treating all persons with dignity and respect. CNCS prohibits all forms of discrimination based upon race, color, national origin, gender, age, religion, sexual orientation, disability, gender identity or expression, political affiliation, marital or parental status or military service. All programs administered by, or receiving Federal financial assistance from CNCS, must be free from all forms of harassment. Whether in CNCS offices or campuses, in other service-related settings such as training sessions or service sites, or at service-related social events, such harassment is unacceptable. Any such harassment, if found, will result in immediate corrective action, up to and including removal or termination of any CNCS employee or volunteer. Recipients of Federal financial assistance, be they individuals, organizations, programs and/ or projects are also subject to this zero tolerance policy. Where a violation is found, and subject to regulatory procedures, appropriate corrective action will be taken, up to and including termination of Federal financial assistance from all Federal sources.

Slurs and other verbal or physical conduct relating to an individual's gender, race, ethnicity, religion, sexual orientation or any other basis constitute harassment when it has the purpose or effect of interfering with service performance or creating an intimidating, hostile, or offensive service environment. Harassment includes, but is not limited to: explicit or implicit demands for sexual favors; pressure for dates; deliberate touching, leaning over, or cornering; offensive teasing, jokes, remarks, or questions; letters, phone calls, or distribution or display of offensive materials; offensive looks or gestures; gender, racial, ethnic, or religious baiting; physical assaults or other threatening behavior; or demeaning, debasing or abusive comments or actions that intimidate.

CNCS does not tolerate harassment by anyone including persons of the same or different races, sexes, religions, or ethnic origins; or from a CNCS employee or supervisor; a project, or site employee or supervisor; a non-employee (e.g., client); a co-worker or service member.

I expect supervisors and managers of CNCS programs and projects, when made aware of alleged harassment by employees, service participants, or other individuals, to immediately take swift and appropriate action. CNCS will not tolerate retaliation against a person who raises harassment concerns in good faith. Any CNCS employee who violates this policy will be subject to discipline, up to and including termination, and any grantee that permits harassment in violation of this policy will be subject to a finding of non-compliance and administrative procedures that may result in termination of Federal financial assistance from CNCS and all other Federal agencies.

Any person who believes that he or she has been discriminated against in violation of civil rights laws, regulations, or this policy, or in retaliation for opposition to discrimination or participation in discrimination complaint proceedings (e.g., as a complainant or witness) in any CNCS program or project, may raise his or her concerns with our Office of Civil Rights and Inclusiveness (OCRI). Discrimination claims not brought to the attention of OCRI within 45 days of their occurrence may not

be accepted in a formal complaint of discrimination. No one can be required to use a program, project or sponsor dispute resolution procedure before contacting OCRI. If another procedure is used, it does not affect the 45-day time limit. OCRI may be reached at (202) 606-7503 (voice), (202) 606-3472 (TTY), eo@cns.gov, or through www.nationalservice.gov.
