ABOUT TEXAS NONPROFIT SUMMIT

The 2027 Texas Nonprofit Summit, powered by OneStar, is a premier event that brings together nonprofit changemakers and community leaders of all backgrounds to learn, network, and collaborate with others from across the state. This year's theme, **Partners in Purpose: Shaping What Comes Next**, highlights the power of collaboration to cultivate lasting impact—rooted in trust, strong relationships, and a shared commitment to people and communities. Attendees will engage in thoughtful, high-level conversations that expand perspectives, elevate strategy, and strengthen the systems that sustain our work. Designed for those ready to lead with intention and co-create meaningful change, this convening will spark the ideas and connections that shape what comes next.

The Texas Nonprofit Summit will be held **February 23-25, 2027**, at the **AT&T Hotel & Conference Center** in **Austin, Texas**. The Summit will attract 400+ nonprofit professionals across a range of mission types, as well as board members and leaders in the corporate and philanthropic communities. The convening will feature:

- 🌸 **Interactive, expert-led sessions** providing in-depth insights into the most important topics in nonprofit leadership, management, and mission-driven impact.
- 🌸 **Thought-provoking panels and presentations** from a wide range of perspectives from leaders, innovators, and changemakers across Texas.
- 🌸 **Intentional networking experiences**, including an evening reception, designed to spark collaboration, build meaningful connections, and cultivate partnerships that strengthen your organization and community.
